IRC-MOAA Luncheon, 3rd Friday of Month

3601 Rio Vista Blvd.

Vero Beach Yacht Club, 12:00 PM

On Friday September 18, 2026, we will have a public servant of more than three decades join us as guest speaker: the current Vero Beach city manager, **Monte Falls**.

An engineer by trade, Monte served as the director of public works prior to becoming city manager.

A North Carolina native, he attended NC State, where he met his future wife, Michele Dunn of Vero Beach. He relocated to Vero in 1981.

Over the years, Monte has shepherded the diversion of drainage water for reuse; the wastewater plant relocation and water treatment plant expansion; the revitalization of the city marina; and numerous other projects that have maintained the quality of life that is an example par excellence.
