

CHRISTMAS 2021

Tim Swartout

A Christmas Message: From Shalom Ministries Executive Director

As we (I) look forward to the celebration of the birth of our Lord and Savior, I also feel the importance to reflect on the blessings Shalom Ministries has experienced from the efforts of our Core Team and volunteers over the past several months.

Each member of our team has met the challenges of producing and delivering nutritious meals during the uncertainties caused by the coronavirus, the weather and the changing demands for food, not to mention the challenges caused by a fire and major damage to the church building.

I also cannot forget the positive impact our board of directors have played in the success of our *Dining with Dignity* program by providing the operational functions and leadership needed to sustain the needs of those who suffer food insecurity in our community.

I look forward to a promising future and wish each and all a Christmas filled with happiness and many blessings as we move forward into another year.

Most Sincerely yours,

A handwritten signature in blue ink, appearing to read "Tim Swartout", written over a light blue rectangular background.
