An Easter Message: From Shalom Ministries Executive Director

As we look forward to the blessed Easter season, I want to reflect on the impact of the generosity of our donors that helps us make a difference in the lives of those we serve. Those donations are the fuel that drives the caring efforts of our Core Team and our solid volunteer force.

Generous donations have helped each member of our team meet the challenges of producing and delivering nutritious meals during the uncertainties caused by the coronavirus, not only to the dining patrons who come to our doors but for the volunteers who deliver hot food to the people who are currently living in tents along the I-90 corridor.

I also cannot forget the positive impact our board of directors have played in the success of our *Dining with Dignity* program by providing the leadership and operational functions needed to sustain the lives of those who suffer food insecurity in our community.

I look forward to a promising future and wish each and all an Easter filled with happiness and many blessings as we move forward through the new year.

Most Sincerely yours,
