T's Shop Talk

The Christmas dinner party was a smashing success thanks to all of your participation. A special thank you to all volunteers, without whom it would not have been a success. We had around 43 members show up. A good time was had by all. The white elephant gifting was a huge success and so much fun. It will be bigger and better next year for sure, looking forward to it already. It was a fast and furious year, learning all the ins and outs and everyone's names and faces was a great and fun challenge. Looking forward to adding to the roster, you all are such an adventurous and fun loving group.

On the home front, my 1915 Model T runabout is in its second big project and being taken apart. I would like to thank Dave Cuddie for helping and teaching me throughout this project. Apparently the main wood carriage pieces were bowed out and hanging off of the frame with nothing attached!! Glad I didn't take any of the corners too fast this last year. She's already sitting up nice and pretty and I am really looking forward to the new year for touring. We have some great plans for next year.

Looking forward to seeing you at the Harold Mann New Year's Day Parade down the strip, check our calendar for the meeting place and times. Here's to wishing you all a Very Merry Christmas and Happy Holidays, good health and seeing you soon at a breakfast, a meeting or tour.
