SOUTHERN NEVADA MODEL T CLUB

Minutes of the June 8, 2021 Meeting

Meeting called to order at 7:00 by Tom, President.

OFFICERS ROLL

PRESIDENT - TOM
SEC/ TREAS - CHERYL
TOUR MASTER - JOHN
JR. AMBSDR - CARSON
WEBMASTER - RON

VICE PRESIDENT - IZZY
MEMBERSHIP - MARGIE
TOUR MASTER - DEDE (absent)
NEWS/ HIST - TERRY
DRAWINGS - DIRICK

PRESIDENT REPORT	Tom presented a gratitude plaque to Bros for use of their space. Model A club declined offer to join us for our club picnic. Tom showed everyone how to scan a QR code on their phone.
VICE PRESIDENT REPORT	Glad that President Tom was here to run meeting.
JR AMBASSADOR REPORT	Carson took home a 1925 Dodge Business Sedan (see pictures on Facebook). He needs a fuel pump and tires, but the car is still lots of fun. Ron recommended the club pay for Carson's National Club membership so he can promote youth involvement nationally. He has already joined, motion made to pay for next year, passed. Ron mentioned Freightier Jim wants to interview Carson for national youth interest.
SECRETARY REPORT	May's minutes were approved as written. Get well cards were sent to Pam and Linnea.
TREASURER REPORT	Cheryl reported the current balance forward (see separate report). Report was approved by members.
MEMBERSHIP REPORT	Margie reported 2 new members, Tara & Grant from the NLV Airport Café, and Becky, Margie's daughter.
WEBMASTER REPORT	Ron needs pictures and info on car owners if you want your cars featured on the website. He reported the Facebook group site has 208 members and growing. If you don't want your personal information on the website, contact Ron to remove it. He reported on the club hosting the 2023 National Meeting to be held in Las Vegas, and said there would be no financial commitment from our club, but it would give us National recognition and local exposure. Club will have discussion at next meeting and vote to participate or not.
TOUR MASTERS	John reported the upcoming June breakfasts (see June newsletter) and July's breakfast tour dates (listed on July front page). He thanked the Comb's for their Cowboy breakfast, and the Sago's for their Ice Cream Social. He mentioned that those in the Henderson area can and have been meeting at Danny's place at 7:30am and touring to the breakfasts from there. Ron suggested John incorporate more breakfasts on the East and South side to attract Facebook followers to join us.
NEWSLETTER	Terry told how the automobile made popular the use of the wristwatch, instead of a pocket watch that was difficult to use while driving. He reported that the July newsletter would go out early as he and Cheryl may have to go to Oregon unexpectedly. There will be a story about right-hand drive Model T's in July, and the Comb's breakfast will be featured in the August newsletter. He reported on the car show held the first Sunday monthly at Ed Bozarth Chevrolet called "Show off Sunday", and he is encouraging members to attend.
HISTORIAN	Terry did not have too much to report, as the newsletter has been keeping him very busy.
OLD BUSINESS	Terry presented an A-frame board mock-up for the club to use at all events and breakfasts, with costs. Club voted to have one ordered. Tom assigned Terry to follow up. T-shirt samples were passed around from two vendor resources, along with costs. If 12 or more are ordered together there is a cost break. Shirts will be for members only, no profit made. Members are encouraged to gather orders for next meeting. It was voted on and passed that the club's official colors be red and black. Tom will also check to see if the vendor can do hats in a tan color. Tom handed out sample business cards for review, changes were suggested and Tom was approved to order 1000 cards to give to members to hand out. The club's email is southernnevadamodelt@gmail.com . Terry and Ron agreed to have their phone numbers added to the business cards for those wanting to call.
NEW BUSINESS	Ron reported that the Central Michigan fifth grade kids were doing a school report on the Model T and Henry Ford. He passed around photos. They also made stickers for kids to interest younger kids in the Model T. Ron thought it was a good way we could reach out to our community, and Tom agreed to check into stickers.
50/50 DRAWING	50/50 was \$60, \$30 to the club and \$30 to the winner, Steve. The meeting was adjourned at 8:18 pm.
Next Meeting date	July 13, 2021

T's Shop Talk

Greetings all! Hope all is well with everyone. With Covid diminishing and a vaccine, things are getting busier. Thanks to the Combs family for a great chuckwagon breakfast at their home. I heard only excellent food and good times! Terry and Cheryl, with help from their grandchildren, hosted an Ice Cream Social at their home. They did an outstanding job, and everyone had an enjoyable get together. A lot went on at the last meeting as you will read in this newsletter. We had a short tutorial using the QR code, which is the black square code shown here. Here are a few steps to use as a refresher. It is new to me also.

To read the code:

- 1) Put your phone in camera mode to take a picture.
- 2) Hold phone over QR code as if to take a picture of it. (DO NOT take a picture)
- 3) A skinny rectangular screen should pop up on your screen automatically.
- 4) Select or tap it and it should take you to what the QR code is about.

If none of this works you can download a QR code app.

We now have a QR code on business cards and an A-frame sign that will take you to our menu to choose a social media platform to go to, be it our website, Facebook page, YouTube channel, Twitter or Instagram. This will give us an easier way to get the word out of how great and fun the Model T Club is and our events! We have driven just under 500 miles in our Model T and it's going great! We also have voted on the clubs official colors of red and black. We have two T-shirt vendors and the club voted on the official T-shirt for our club members. Will have the T-shirts and a collared polo shirt with stitched logo on Facebook and the website to see shortly. We're taking pre-orders. Just call to let me know you want one.

Remember, if you get it all done today, you won't have anything to do tomorrow!

Safe travels,

President Tom

Utah Canyon Tour

Part two of the April Model T tours was centered around Panguitch, Utah. After the speedster run in St. George, eight Model T's headed north. On day one we woke up to pretty skies, but half an hour into the tour we encountered blowing sand. The picture shows Cheryl standing next to the Mustang and you'll say, "Where's Cheryl and what Mustang?" Then we headed down a forest road leading to Duck Creek and the rain begins, then snow, then ice! We stopped and cleaned some windshields and spoke a few obscenities and climbed back in the cars. The tough survived and we made it to Aunt Sue's Chalet in time for a fantastic lunch. We did a little regrouping after lunch and started back through the snow and mud. The highlight of the return trip was a drive around Panguitch Lake. Someday we will have to make a return trip because with the rain and snow we didn't see much of the lake. Oh well, as soon as we turned on the main road back to town, the sun came out and the rest of the day was beautiful.

Day two, we woke up to snow. We're going to Coral Pink Sands State Park near Kanab. It's a long drive and a couple of people opted to take their "modern" vehicles, but most said, "We came to drive our T's." It was cold and wet on the way, but our time at Pink Sands was perfect. On the way back we stopped at Mt. Carmel Junction for lunch at the Thunderbird. The Thunderbird Restaurant has been at the back entrance of Zion Canyon National Park since 1931. The lunch there was so good that you may consider planning a day trip just for the food, however there's nothing wrong with the scenery on your drive there. You may notice that a lot about the Model T lifestyle includes eating, so next, we stopped in Orderville at the Forscher Bakery. Did you know that we have a Forscher Bakery here in Henderson? We encountered more wet weather back to Panguitch but again, just outside of Panguitch the weather cleared and it was spectacular.

Day three, our fearless leader, Steve had promised us that he had saved the best for last. Now Steve is known to tell some pretty tall tales, but he didn't lie. All eight T's and the Mustang went to Bryce Canyon National Park. I've been to Bryce a number of times, but this time Mother Nature had outdone herself. We had full sunshine and the hoodoos had a dusting of powdered sugar (snow). There wasn't a bad picture in the bunch and between Karen and Cheryl, I had hundreds to choose from.

We closed out the tour by having a celebration dinner at the best restaurant in Panguitch, The Cowboy Smokehouse Café. This was also our awards banquet and our own "Model T Driver" Carson took home the prize for the best car, having the most perfect inflated tires, the only car with a real estate office in the back seat, the coolest Dad and also, "The Most Popular Driver."

Last but not least, some of us snuck over to The Panguitch Gem Movie Theater to top off the evening. You ask if we would do it again and yes, I'm ready! **Oh, and Cheryl is already waiting in the car!**

Saturday, June 13, 2021
McLean, VA

After being dormant for 17 months the pie wagon is back doing community service as she awaits her placement into the Museum of American History of the Smithsonian. The Copperthite family purchased her new in 1914 and our very own club members are responsible for how she looks today.

All proceeds from the pies donated to the “Cars & Coffee” raffle and a generous monetary donation from the Copperthites all go the The McLean Food Bank in McLean VA.

And by the way, she won “Best Classic and Antique Car” at the McLean Car Show!

“Where the pie goes.” For Some 107 Years Now!

“I get emotional every time I see her. To know the hands of my ancestors touched, loaded and unloaded her, delivered pies and that this truck was in the parade welcoming home those who served in the Great War. How can I not be proud and humbled by those members of my family who came to America penny-less, toiled and succeeded, gave back, and give back and have blended into the fabric of this great country!”

M. Copperthite
