T's Shop Talk

Greetings all!!!!

For me, this is a time of year for reflection, and topping my list of things I'm grateful for is our wonderful Model T Club and all its members.

Lots of fun was had by all who attended the Saturday breakfasts. Especially the tour to the Clark County Heritage Street Museum after the Skyline breakfast! The Museum folks let us park on Heritage Street in front of the old houses. It is a nice drive and hanging out and touring/visiting at the museum is magical. We should plan this fun trip every spring and fall. It's a great spot and the staff is very accommodating. All you Facebook members should come definitely come out to a breakfast and have some fun.

I went with Dave Cuddie to the Silverton Casino "Trunk or Treat" car show. Scotty Ray had his monster truck out there! We should plan to be there with our cars this upcoming year. So much fun and great folks.

John Warren, Ron Custer, Margie & I went to the first annual "Cars and Cigars" show. I brought my 1915 Model T, Ron brought his 1924 Model T Touring with lots of lights on it, and John brought his race car. John Warren (and his race car) and I (with model T) made Fox News promoting the car show. You can google (Cars and Cigars Fox News) if you want to see it. There were about 12 cars there, not a bad turn out since it was in the evening. I don't recommend driving your model T at night. Thanks to Margie driving behind with bright lights on!

The Christmas party was a great success, and it was fantastic seeing all of you there! Don't forget about the Harold Mann's Annual New Year Strip Cruise on January 1st.

Have a wonderful New Year,

Safe Travels:

The Accessory Corner

This month's accessory is called the "Ezyfill" Radiator Cap. I came across this cap at a yard sale a few years ago with a few other odds and ends. The cap is unique in that all you had to do to add fluid is push a button and the lid pops open, no more unscrewing to add fluid. The company that manufactured it was the Walker Manufacturing Company of Racine, Wisconsin; the same company that was a well known jack manufacturer. Walker was one of the largest jack manufacturers in the US at the time, making many different models of jacks and found in virtually every Model T garage.

The company's ad logo for the cap was "No need to turn, no fingers to burn".

One company, The Mississippi Valley Trust (actually a bank) was even furnishing a brand new "Ezyfill" radiator cap with each new loan secured for a brand new Ford!

No other ads are found after 1916 so the cap was just a short run of a year or so.

Another nifty T accessory!

throwing the cap up. It is readily shut and locks there. The opening and shutting is accomplished so quickly that there is no danger of burning one's hand. This device is also a time saver.

Southern Nevada Model T Club Friends I have some exciting news for you.

Your a la carte registration menu is on the [registration form found in your newsletter email](#).

We ask for EVERYONE to come out Saturday night and show the MTFCA National Organization that

THE SOUTHERN NEVADA MODEL T CLUB ROCKS!!!

Don't forget to order your commemorative T-Shirts. These are limited edition t-shirt's and they won't be around for very long. These can become collectible. This is a great way to show off our club in our very own city of Las Vegas. Let's build some new memories as a club and let's also help the MTFCA create some wonderful memories as well.

We are looking for club volunteers to help with several committees. Please reach out to Ron Custer at (702) 460-4474 and ask where you can be plugged in to help. For more information and details, we have set up a dedicated page on our club website:

<https://southernnevadamodeltclub.org/2023-annual-meeting>

We are also looking for someone to help chair our Local Corporate Sponsorship Advertisement Program Campaign. See the attached flyer, share, and get the word out. A PDF copy from Ron is available upon request. Corporation Advertisement's in the program are unlimited, inexpensive and will go a long way in promoting their local organization or business to all who attend the National event.
