## T's Shop Talk

Greetings all !!!!

The weather should be warming up, so start tuning up your antique beasts for the road. Just a reminder that on the 2nd Tuesday of every month is the Southern Nevada Model T Club meeting at Winchell's Pub on Warm Springs. Dinner at 6pm meeting at 7pm. I encourage all who can attend to come and join us. We had a great turnout of 18 club members at the last dinner/meeting. Thank you to all who took the time to attend. There were a lot of great ideas and fabulous interaction. Great food and delicious desserts!! Try not to miss out!

March 30th is the Spring Picnic from 11am to 3pm at Vivaldi Park. Bring a dish to share. The club will provide hamburgers, hot dogs and water. Bring a great item for the auction. All proceeds go to the club. Come out to visit and have fun with other Model T members as well as get to know some in the Model A Club as we have invited them to join us.

Your prayers are always welcome for the few folks we have with health issues. Say a special prayer for our founding father Harold Mann, who has been in and out of the hospital.

Check out this newsletter for all our plans and info. Hope everyone is well!!

See you at a breakfast or meeting.

Safe travels,  
President Tom

## The Accessory Corner

In the late teens, Henry Ford and his team experimented with various applications of soybeans. One such experiment involved using soybeans to create a soybean Model T Ford coil cover. Unfortunately, this endeavor was short-lived due to unforeseen challenges. It turned out that mice were quite fond of these soybean coils, and they didn't fare well in damp weather—they would swell and become nearly impossible to remove without breaking.

It's a great find for any Model T collector out there. Interestingly, George Washington Carver also played a role in the development of soybean-based materials for Ford's automobiles. While Carver's influence was more pronounced in the plastics used for the Model A, some of his innovations made their way into the last year of the Model T, including plastic soybean steering wheels.

Another great accessory for the Accessory Corner!

By: Historian: Wallace Bellows

Two farmers, one in an old Model T, the other in an old Chevrolet were driving on a back country road when they both happened upon a one lane bridge. With neither one missing the opportunity to get across first they both sped up only to meet bumper to bumper in the middle of the bridge. With neither willing to relinquish ground and give into their predicament, the man in the old Chevrolet stands up over his windshield and shouts "I never backup for an idiot!" the other man sitting in his Model T thinks for a minute and still having his pride and wits about him stomps on reverse, starts backing up and yells over the windshield, "Yeah, well I always do!"

We also sent a 'thinking of you card' to Teresa Johnson.
- Good news to report: Pam Keenan is home from the hospital.
- Lastly, please remember these amazing people in your thoughts and prayers. They have been an integral part of this club from its inception.

## **SOUTHERN NEVADA MODEL T CLUB**

**Minutes of the February 2024 Meeting**

**Meeting called to order by:** Tom at 7:18pm

### **OFFICERS ROLL:**

**PRESIDENT** - Thomas A. Collins

**VICE PRESIDENT** - Ronald L. Custer, Sr

**WEBMASTER** - Ronald L. Custer, Sr.

**SECRETARY** - Karen Custer

**MEMBERSHIP** - Judy Fine

**TREASURER** - Margie Collins

**CHAIRMAN OF THE BOARD/FOUNDER**-Harold Mann

**Newsletter** - Karen Custer

**Tour Master** - John Warren

**Historian** - Wallace Bellows (absent)

**Sunshine Girl** - Cathy Guerin

**Sergeant at Arms/Drawings** - Dirick Van Gorp

**President Report:** Tom reported that he is happy to announce that our newsletter is 100% digital now-there are no remaining members receiving it via standard mail. That saves the club on postage, envelopes et cetera. He also reminded us of our upcoming club picnic at Vivaldi Park on March 30, 2024, from 11-3. As in the past, we have invited the Model A Club to join us. Lastly, Tom stated that he would like to schedule a time to return to the Clark County Heritage Street Museum.

**Vice President/Webmaster Report:** Ron reminded everyone of Ray Potter's open house/garage sale on February 24, 2024. He also shared that there are 13 targeted possible members from a list of Model T owners here in Las Vegas that may be interested in joining our club. Cathy volunteered to send an email to prospective members. This would be a great resource to help grow our Model T Club. Furthermore, Ron reported that the Facebook group (which is separate from our club and club website) has grown to 443 active members across the globe. He also touched upon the establishment of the EIN number which is in the works with an attorney.

**Secretary Report:** Previous meeting minutes approved.

**Membership Report:** Judy is transitioning into this position and has a meeting with Margie to go over membership issues and responsibilities. Karen will send the revised welcome letter to both. As of the meeting, we have 21 members that have yet to renew their memberships.

**Treasurer Report:** Margie reported an increasing balance after the purchases that the club had to make. Discussed an endorsement stamp for the back of checks that we are depositing, and Karen said she can order it for the club. The wrong address is on our checks so Margie plans to address this issue along with checking at the bank about the reversal of monthly service fees that we are currently being charged.

**Newsletter Report:** Karen was concerned that maybe too much personal information was being disclosed with our new "Sunshine" report; however, Cathy assured everyone that she had permission to share with the club.

**Tour Master Report:** *The March Breakfasts are as follows:*

March 2<sup>rd</sup> - Skyline

March 9<sup>th</sup> - NLV Airport

March 16<sup>th</sup> - Blackbear Diner (Trop/Jones)

March 23<sup>rd</sup> - Vickie's

**March 2024**

**Historian Report:** Although Wallace was absent from our meeting; make note that Wallace sends Karen a monthly contribution for the newsletter each month and is an active participant in helping to make the newsletter so educational and interesting!

**Sunshine Girl Report:** Cathy reported that Harold is ill and needs prayer. A card was sent to Teresa. Art Goldstrom had a stroke. Pam Keenen is out of the hospital. A card was sent to Janet Knight and Bill Wiezorek's service is at the Veteran's Cemetery on March 14, 2024 at 12PM.

**Open Forum to Discuss Old & New Business:** This part of the meeting was used as an open forum to discuss ideas to revisit in future meetings.

- 1) Ron brought a vote before the club about having a member roster emailed to each member. It was unanimously agreed that everyone would like to have one- which also goes along with the original club standards set forth when the club was established.
- 2) Karen stated that rebuilding the sponsor page is time consuming since we don't have an original. At that time, Ron brought up that sponsorship was usually a paid for feature and helped to offset the costs of the newsletter mailing. We will revisit this at the March meeting and decide if advertisements will be paid advertisement or if we plan to eliminate the page completely.
- 3) John stated that he is still waiting to hear from the train guy and will keep us updated so that a possible tour can be arranged in March.
- 4) A member brought up the notion of motivating more people to attend the meetings. Ideas welcome.

**Sergeant at Arms: 50/50 Drawing:**

\$27 to the club and \$28 to the club.

Dirick also pulled another ticket for the raffle of a beautiful bolo.

**Next Meeting:** March 12, 2024

**Meeting adjourned** at 8:15pm.

Many people may not have realized that up until the year 2016, "Happy Birthday to You" was illegal to sing publicly unless you paid a hefty fee. Singing it publicly could include tv, radio or a at party place. This was due to the copyright that was registered in 1935 and not set to expire until 2030. This changed though once a US Federal Judge ruled that the copyright claim was not valid and the song had no other claim to copyright, placing it in the public domain, and making it free to sing for all.

**02-03-24 at Skyline:** Skyline is always an amazing breakfast adventure! Mr. Marsh and his staff take such good care of us. It just so happened to be Robin's birthday too!

Ron and Karen brought their son, Kenny to his first SNMTC breakfast. Here they're waiting patiently as Karen wanted to get there early to surprise Robin (her mom) with birthday balloons. I think we surprised her!

John W. brought his neighbor, Richard to have breakfast with us also! Nice to see new faces.
