*Pioneer Florida Museum and Village welcomed families to fun-filled events*

Aside from a one-year absence in 2020 due to the coronavirus pandemic, the Jelly Bean Fling has long been the premier spring event at the Pioneer Florida Museum and Village.

Of course, the Easter Bunny made an appearance, affording parents an opportunity to have their children pose for photos with the popular character. "My favorite part is sitting with the Easter Bunny," said 7-year-old Lizzie Martinez of Wesley Chapel whose birthday is on Easter. "It's a beautiful day. There's no rain and it's a good crowd," said Stephanie Black, the museum and villages' executive director. Throughout the day children collected plastic egg shells at the bottom of a hill, which they then took up to the Mabel Jordan Barn to be reimbursed with candy and other treats.

## City council marks Nelson Ryman Day, looks at stormwater plan

*Monday's city council meeting dealt with water supply and drainage as well as honoring a local resident*

By ANDY WARRENER  
News Reporter

The meeting began on a somber but surprisingly upbeat note. The September passing of 50-year Zephyrhills resident Nelson L. Ryman was felt by the community but Ryman's friends and family showed up in whacky, New Years Eve-styled hats and goofy glasses to lighten the mood.

Originally born in Goshen, Ind. in 1939, Ryman moved to Zephyrhills with his wife Barbara in 1970. Ryman remarried after Barbara's death and raised four children, seven grandchildren and eight great-grandchildren with wife Dottie.

Ryman owned H&R Interstate Mobile Homes and was a fixture at ZHS football games. He was an active member of the Daybreak Rotary Club and spent two decades in mission work in Haiti. He was in Haiti during the 2010 earthquake.

With friends and family present, Zephyrhills Mayor Gene Whitfield proclaimed March 23, 2023 as "Nelson Ryman Day."

There were seven items on Monday's Consent Agenda. They were bundled together and passed unanimously 5-0. Item 2.1 approved minutes from the March 13 meeting.

Item 2.2 approved a state financial assistance agreement with the Florida Department of Transportation (FDOT) for the construction of two new box hangars and Taxiway F Airfield with a new 8,000-square-foot terminal building. The \$6,600,000

## Salute to Vietnam vets

*Zephyrhills Museum of Military History hosts Second Annual Vietnam Veterans Day*

By STEVE LEE  
News Reporter

The president of the Zephyrhills Museum of Military History came up with the idea to pay tribute to veterans of the Vietnam War last year. That inaugural Vietnam Veterans Day proved quite popular, so much so that a second one took place last Saturday.

"It went over really well, so we did it again," said Cliff Moffett, the museum's president said. "We're recognizing that these veterans are getting up there in age. The veterans want to tell their stories."

The ceremony was adjacent to the Zephyrhills Municipal Airport. Unlike last year, however, when parachutists from Skydive City made a symbolic jump there was no repeat. Moffett informed people that the skydivers deemed the weather not conducive to a multiple jump.

There were plenty of other things to celebrate. Numerous reenactors set up tents and displays at the site. They went hand-in-hand with the vintage

military aircraft, vehicles and other equipment.

Among the Vietnam veterans to attend last weekend's ceremony was Rod Rehrig, past commandant of the U.S. Marine Corps League. As has been the case for numerous military and historical events in recent years, Rehrig sang the national anthem before reciting the pledge of allegiance.

As Moffett and Rehrig stood nearby, museum volunteers Ted Johnson and Harold Hughes unfurled a large American flag to be hoisted up high on a flagpole next to the old military barracks, which were once utilized by the U.S. Army's 10th

and her husband Ron from Land O’ Lakes brought their two children, 3-year-old Madison and Londyn, 1.

“It was amazing,” Felicia said of all the activities at the event. “We couldn’t wait to come back.”

Alfonsina Kull from Palmetto and her 5-year-old son Ryan came back to the festival for a second straight year.

“I couldn’t do the pony ride, but I think I’m going to get a treat bag,” Ryan said after collecting his egg shells.

Among those riding the ponies, guided by Destiny McClellen and her brother Richard of A. Thomas Pony Rides in Land O’ Lakes, were Savanna Guerrero, 8, and her 7-year-old brother Xavier. Watching nearby were their parents, Mauricio and Sandra of Land O’ Lakes.

“We come every year,” Mauricio said of bringing the family to the Jelly Bean Fling. “It’s an outdoor event with the kids celebrating; also the heritage. We want to teach our kids about the history.”

There also were several first-timers in Saturday’s crowd of visitors. Mayelin Smith brought her 5-year-old daughter Mila. They sat on the side of a hill with Priscilla Friaz and her daughter Sophia, 4. They all went through their bags of treats.

Smith said her daughter got her first-ever pony ride and “she loved it. And she liked the Soccer Collies,” who come from Ocala for a lot

of the village’s events.

Friaz said her daughter liked the games and crafts in the barn.

As has been the case for the past seven years at the Pioneer Florida Museum and Village, a major attraction on Saturday were the Spheres Bubble Shows with children laughing and frolicking as a machine shot bubbles into the air. Some of the boys and girls were covered in the suds.

“This is one of our favorite places to perform,” said Land O’ Lakes’ Blaise Ryndes, who found fame and fortune on America’s Got Talent’s 13th season and now tours the country. “The smiles on the children. They’re reactions are priceless.”

A popular venue near the stage where Geared Up, a well-known local band, provided musical entertainment was a shelter for Pharaoh’s Wildlife Kingdom.

“The kids loved it,” Black said. Animals brought by Pharaoh Gayles and Marina McNeal to be put on display were a bearded lizard, four different kinds of snakes, a mud turtle and sulcata tortoise.

Another place to see animals was in a pen at the northern end of the property. That’s where the Zephyrhills High’s Future Farmer’s of America group brought goats, sheep, cows, rabbits and a pony.

Marnie and Christian Restrepo of Tampa happily watched their children, 4-year-old Max and 2-year-old Adonis, pet the animals in a pen.

“I peruse the different events to look for a fun, outdoor activity,” Marnie said.

MOMENTS IN TIME: The History Channel

- \* On April 16, 1942, the citizens of the Island of Malta were awarded the George Cross by King George VI in honor of their heroic struggle against nearly continuous bombing by German and Italian forces during the early part of World War II.
- \* On April 12, 1954, Bill Haley and the Comets recorded the rollicking "Rock Around the Clock." While the song was released in May, it didn't hit No. 1 on the pop charts until July 1955, after being used as the theme song for the movie "Blackboard Jungle."
- \* On April 14, 1956, Ampex Corp. demonstrated its first commercial videotape recorder, the VR-1000. CBS was one of the

- early TV companies to adopt the technology, which allowed a one-hour long program to be recorded on a single reel of tape.
- \* On April 10, 1971, a U.S. table tennis team began a week-long visit to the People's Republic of China at the invitation of China's communist government as part of an effort to build better relations between the two countries.
  - \* On April 15, 1981, Washington Post reporter Janet Cooke relinquished the Pulitzer Prize she had received just two days earlier for her feature "Jimmy's World," published in the Post on Sept. 29, 1980, about an 8-year-old heroin addict, after admitting she made up the story.
  - \* On April 13, 1999, Jack Kevorkian, aka "Dr. Death," was sentenced to 10 to 25 years in prison for the second degree

- murder of 52-year-old Thomas Youk, who was in the final stages of ALS. Youk's assisted suicide the previous year was videotaped and shown on the Nov. 23, 1998, broadcast of "60 Minutes." Kevorkian served eight years before being released on parole for good behavior.
- \* On April 11, 2006, the Amsterdam Historical Museum presented an exhibition of Anne Frank's private letters. One of them, which was disapproved of by her father, Otto Frank, talked about her friendship with the boy who shared her family's hiding place. Most of the letters were sent to Anne's relatives in Switzerland.

Fighter Squadron during World War II. Hughes, who served in the U.S. Army in South Korea in 1983-85, said Saturday's ceremony "means everything. It means freedom to me. The military has defended every freedom we have."

"It means patriotism to me, which I think is lacking today," added Johnson, a retiree who served in Pasco County as a firefighter and in law enforcement.

The local recognition coincides with National Vietnam Veterans Day, an observance on March 29 since 1912. Symbolically that day in 1973 was when the last U.S. troops left Vietnam, ending more than a decade of military involvement that claimed more than 58,000 American lives.

"We always do it the Saturday before so we can get as many people who want to to come out," Moffett said. "This is to thank (Vietnam Veterans) and welcome them home. We've got to do this."

As for Saturday's celebration, Zephyrhills resident Joe Laviezzare said, "It's awesome. I think they're doing a fine job. I'm a mechanic, so I enjoy all the planes and stuff."

"Very real," is how retired Canadian veteran Jeff Thomson, a snowbird who alternates between Toronto and Zephyrhills, viewed the displays. "It puts you right there in their boots."

Reenactor Paul Melanson said ceremony's like Saturday's event "makes them remember."

Added reenactor Justin Butcher, "I like teaching because a lot of the younger kids in school aren't taught about this."

Vietnam Veterans Day is among four ceremonies and reenactments per year. Next up is a D-Day event in June. On June 6, 1944 the Allies offensive took back Europe from Nazi occupation.

A World War II reenactment, which was cancelled last year due to inclement weather, will take place Nov. 11-12 with one day featuring a skirmish with the Japanese and another a battle scenario with Germans. There also is Pearl Harbor Day in December.

As is always the case, at virtually ever ceremony there is something new on display at the museum. The most recent addition are symbols for the Marines, Army, Navy, Air Force and Coast Guard in a garden with metal symbols for soldiers, rifles, boots and helmets.

## Host Zephyrhills leads early, falls behind and comes up just short in late-inning comeback bid

By STEVE LEE  
Sports Reporter

Host Zephyrhills and Wiregrass Ranch had a combined 12-1 record in a recent clash of Pasco County's top baseball teams. As expected, the game was hard-fought and decided by just one run.

After mounting two comebacks from one-run deficits, the Bulls pulled ahead with six runs over the fifth and sixth innings. Wiregrass Ranch then stifled a late rally by the Bulldogs, who scored four times in the bottom of the seventh, before hanging on for a 7-6 win.

"It was an ugly win," said Marshall McDougall, in his 10th season coaching the Bulls. "It was the worst game we've played all year, but we still got it done."

Added Zephyrhills coach Rusty Guynn, who is also in his 10th season, "We're fine. That's a good team. You take a couple of plays and we're right there."

Wiregrass Ranch improved to 7-0 while Zephyrhills fell to 6-2. While the rivals will not meet in the postseason — the Bulls compete in Class 6A, District 5 while the Bulldogs are a 5A-8 team — there still is the matter of challenging for the Sunshine Athletic Conference title.

Trailing 7-2 in the bottom of the seventh inning, Zephyrhills capitalized on a bit of wildness from the Wiregrass Ranch pitching staff. Relievers Ryan Simmons, a junior varsity callup as a freshman, and junior Logan Voelz combined to walk four batters and allow four runs to score.

Voelz got out of a bases-loaded, no-outs jam with a pair of strikeouts. He fanned Aiden Thorne, a lefthanded batter, for the final out. Before that strikeout, Zephyrhills baserunner Jacavien McGovern, who drew a walk earlier, was

caught in a rundown after Thorne missed on a bunt attempt.

"Zephyrhills kept fighting, but we got out of it," McDougall said.

Matthew Casarez opened the Zephyrhills seventh by legging out an infield single. He scored the first run of that inning on the third straight walk by Wiregrass Ranch pitching. Maddox Rivera had the big hit of the inning, a two-run single on a line drive through the right side that plated Mark Santiago and Micah Berrien.

Afterward, Guynn credited his team for mounting a late comeback bid, but bemoaned the fact that a baserunner was tagged out in a rundown after a failed bunt.

"We've got to get that bunt down," he said, adding that his team "didn't give up. We're good enough to battle and do what we expect."

Maddox McDougall, a junior righthander and the coach's son, earned the win. He scattered four hits with 12 strikeouts and three walks in six innings before the relievers came in for the final frame.

Zephyrhills starter Mason Denmark, a hard-throwing righthander, took the loss. The sophomore lasted for five innings, giving up five hits with six walks and four strikeouts. Two more walks were allowed by McGovern, who came in for one inning of relief.

"We've got to throw strikes. We can't walk them around," Guynn said, adding that Denmark's fastball is reaching 93 miles per hour. "He battled."

Tied at 1, Zephyrhills took a 2-1 lead in the bottom of the third. Berrien reached on an infield single and eventually came in on a run-scoring groundout by D.J. Pickett.

Wiregrass Ranch scored the next six runs, taking a 3-2 lead in the fifth. Cameron Oliver and McDougall led off the inning with walks and both wound up scoring on wild pitches.

The Bulls got some breathing room with four runs in the sixth. McDougall hit a two-run single and then scored on Isaiah Fudge's base hit. Saybian Pierre added a sacrifice fly.

►CITY COUNCIL: From Page 1

project is completely state funded. The item approved the acceptance of the agreement with FDOT.

Item 2.3 approved Task Order 6, an amend-

ment to the Runway 1-19 extension. Amendment No. 3 updated Task Order 6 with American Infrastructure Development, Inc. (AID) for additional services and to complete a “punch list” from the contractor in the amount of \$44,235.45. The additional cost is still included in the FY22-23 Budget with a new project cost of \$925,937.92.

Item 2.4 approved a final change order to

the Killebrew Fort King Water Main Project. The original project contract price was \$1,454,222 plus an additional \$162,000 in change orders. It bumped the total cost of the project up to \$1,616,222. The total contract amount would end up being \$1,475,932.54. This had an overage of \$21,710.54 and that amount is due back to the city.

Item 2.5 was a task assignment for Jones Edmunds to perform a GPS inventory of the city’s accessible gravity sewer infrastructure. The task assignment budgeted in the city’s FY22-23 Budget is for \$121,124 and is a continuation of a project started last year.

Item 2.6 was a professional services agreement with Larson Consulting Services, LLC to provide assistance in refining and upgrading the city’s investment policy and preparing financing options for future projects. The quarterly retainer fee for this service is \$1,000 monthly.

Item 2.7 was another professional services agreement, this one with Kerns Family Construction. It awarded the firm’s bid for professional services, CRA, planning and public works. The Kerns bid was the highest scored of the seven bids received.

In Business Items, Item 3.1 was a second reading of an new ordinance pertaining to the disposal of pet waste. The item, continued from last meeting’s first reading, codified the inclusion of establishing requirements for the proper disposal of pet waste into city code. With no public comment, the item passed 5-0.

Item 3.2 was a first reading of an ordinance that would adopt a 10-year water supply facilities work plan. This would allow for the adoption of amendments to the city’s comprehensive plan. As the city will look to new sources of water in the future, requirements are set by the Florida State Legislature in the Community Planning and Water Resources acts. According to the 2022-2040 Zephyrhills Water Supply Facilities Work Plan (WSFWP) that was adopted by the Southwest Florida Management District (SWFMD) in November of 2020, the city’s permitted potable water supply will be exceeded in eight years.

In order to get permitted to draw from a regional source, the city’s planning department must address: aspects of the district’s Regional Water Supply Plan, existing and projected potable water demand for at least 10 years, a plan to address identified needs, capital projects programming for the first five years of the WSFWP and intergovernmental coordination for regional water supply planning.

Utilities Director John Bostic spoke addressing public comment regarding access to reclaimed water. The sticking point was that Bostic, under SWFMD permit, is only allowed to pipe 15 percent of reclaimed water to residents. The other 85 percent has to be pumped directly into the aquifer. Bostic also mentioned that developments Abbott Square and Abbott Park will consume the last of the 15 percent of permitted reclaimed water.

Why SWFMD only permits 15 percent being piped to customers was unclear but had something to do with evaporation of the reclaimed water as it is used on lawns. The item passed 5-0.

In the Public Works Director’s Report, firm Kimley-Horn gave a presentation regarding a stormwater master plan for the city. The report is 2056 pages but the bottom line is that the not-to-exceed cost of \$249,820 will develop this master plan in order to resolve local flooding issues and determine best management practices.

Council members took no action on this item, intending to continue the discussion at the next meeting.

In the City Manager’s Report, Item 5.1 was a website redesign presentation. The city has been working with CivicPlus for more than a year to improve the city’s website, make it more user friendly and provide a more inviting and appealing aesthetic. The redesigned website launched on March 20, 2023. The web address is still the same.

Public information officer Kevin Weiss walked council through some of the features of the new website and its interface. Council members even took out their cell phones to see how the interface worked on their smaller screens.
