City council swears in new ZPD officer, sets charter review questions

Monday's council meeting annexed property, changed zoning and brought on a new ZPD office

By ANDY WARRNER
News Reporter

The Zephyrhills Police Department grew just a bit on Monday adding officer Paul Fellows. Fellows is a Pasco County native, having graduated from Ridgewood High School. He was part of the ROTC program and transitioned into the United States Marine Corps. Chief Derek Brewer swore Fellows in and the department filled its final vacancy.

Two items came up in unfinished business. Both were regarding developments along Eiland Boulevard and Fort King Highway. Two parcels were already in Zephyrhills city limits, the other two required annexation from Pasco County. The parcels being annexed from Pasco County needed zoning changes updated to city zoning codes. The total area is about 29 acres and has a maximum of 347 dwelling units, averaging to 11.98 units per acre.

Councilman Lance Smith inquired as to a traffic study being conducted in the area and Historic Preservation Specialist Audrey McGuire confirmed that the study was indeed being conducted but was not yet completed.

Additional questions were floated with regard to improvements to Eiland Boulevard, particularly at the intersection of Eiland Boulevard and Fort King Highway and included the addition of turn lanes. The applicant was requesting that all parcels be converted to PUD or Planned Unit Development. Both measures, one confirming the Future Land Use Map Amendment (FLUMA) and one confirming the Planned Unit Development (PUD) rezoning were approved 5-0.

Bulldogs chomp on Bucs in a region quarterfinal

Brendyn Colella passes for a county-record eight touchdowns in district champion Zephyrhills' 56-27 rout of Gulf

By STEVE LEE
Sports Reporter

Zephyrhills football coach Nick Carroll addresses the team in the end zone following last Friday's playoff win at Bulldog Stadium.

STEVE LEE

District champion Zephyrhills is in the playoffs for the eighth time in nine seasons and it did not take long for the home team to send a message to future opponents. The Bulldogs are capable of scoring at a record pace, readily apparent in a first-round 56-27 rout of Gulf.

That region quarterfinal victory was fueled by a record-setting passing attack. Quarterback Brendyn Colella threw for a single-game Pasco County record eight touchdowns, spread among four wide receivers.

D.J. Pickett had six catches for 164 yards and four touchdowns. Fred Adams had a pair of scoring receptions with Jakobe Campbell and Ted Sands each adding a touchdown catch.

Afterward, Colella and Pickett spoke about their on-field connection. Colella is a junior transfer from Wiregrass Ranch while Pickett, a sophomore, is a former Zephyrhills Athletic League player who spent one season at Carrollwood Day School before returning.

"I trust (Pickett) with the ball," said Colella, who completed 12 of 17 passes for 327 yards with an interception. "I just throw it up and he's going to go get it."

Pickett echoed his quarterback's assessment, saying, "I tell him all he has to do is throw it up and I'm going to go get it."

Colella's eight touchdowns in one game surpassed the previous mark of six shared by a half-dozen quarterbacks. That list includes Zephyrhills' Charles Harrison and Wiregrass Ranch's Rocco Becht, who is now playing at Iowa State. Colella was being groomed as Becht's replacement for the Bulls.

"I'm glad for him. I told him we were going to air it out tonight," Zephyrhills coach Nick Carroll said.

Next up for Zephyrhills (8-3) is a region semifinal at home against Lecanto (8-3). The Bulldogs won the 9-Mile War for a third straight year and hoped for a rematch against Pasco. Lecanto's 45-14 win over the Pirates (9-2) changed that.

Just one week before the playoff game against Gulf, Zephyrhills relied on its running game in the final game of the regular season. The Bulldogs got six rushing touchdowns — led by Rodney Smith's three, two from Ben Raines and Adams' one — in a 42-21 win over Dunnellon.

Running or passing, Carroll noted that his offensive attack is versatile enough to keep defenders guessing. He also noted that a slow start in which Zephyrhills split the first six games proved to be a learning lesson for his players.

"It's a testament to the (earlier) games that we played, that helped get us to where we are now," Carroll said.

As for the game against Gulf, the teams were tied at 7 early. The Bulldogs recovered Gulf's onside kick attempt and needed just three plays to get on the

Groundbreaking for Pasco County Fallen Officers Memorial

Ceremony held to pave way for permanent memorial

Each year, the Pasco Sheriff's Office holds a ceremony to remember the law enforcement officers killed in the line of duty; however, Pasco is the only county in Florida that doesn't have a permanent memorial people can visit year-round.

That's about to change. Pasco County Commissioners, leadership and members of the Pasco County Fallen Law Enforcement Officer Memorial & Benefit Foundation recently held a groundbreaking ceremony to build a permanent memorial on the grounds of the Historic Pasco County Courthouse in Dade City.

The memorial has been in the works for nearly a decade. It's expected to be finished by spring 2023.

► **CITY COUNCIL:** *From Page 1*

In the Consent Agenda, Item 3.1 requested that city council approve a CSX Encroachment Agreement to cross the CSX railroad on Old Lakeland Highway. The city's Northside Lift Station and Force Main project will need to cross the CSX railroad right-of-way on Old Lakeland Hwy. The fiscal impact is \$20,000 and includes permit processing, a CSX flag person and CSX inspections. The item passed 5-0.

Item 3.2 asked for council's approval of the purchase of a chipper truck for the public works department. The total cost of the truck is \$178,607 with \$250,000 budgeted in the FY2022-23 budget.

Item 3.3 asked for approval to purchase nine vehicles for ZPD and to up-fit an additional police intercept vehicle. The total cost is \$552,508.85 and is under the FY2022-23 budget of \$558,000.

Item 3.4 asked for council's approval of a \$412,985 budgeted item to rehabilitate three lift stations in the utilities department.

Item 3.5 asked to award a bid to BGE, Inc. for continuing engineering services. BGE, Inc. had the highest score of the seven firms that submitted Requests for Qualifications and was recommended by the Evaluation Committee.

Item 3.6 asked to award a bid to Alfred Benesch & Company for continuing professional services for the planning and public works departments. Alfred Benesch & Company emerged as the Evaluation Committee's top pick among seven participating firms.

Item 3.7 asked to award a bid to CPH, LLC for continuing professional services for the CRA, planning and public Works Departments.

Item 3.8 asked to award a bid to HCP Associates for continuing professional services for the same aforementioned departments.

Item 3.9 asked to award a bid to G-A-I Consultants for continuing professional services for the same departments.

Item 3.10 asked for approval of the Nov. 9 city council meeting minutes. All Consent Agenda items were bundled and passed 5-0.

In Business Items, Item 4.1 was an annexation of the acreage totaling approximately 30 acres of property located on the north side of Eiland Boulevard and east of Fort King Road, the same parcel that got the rezoning changes in the unfinished business section. The item passed 5-0.

Item 4.2 was another annexation, this one at 38736 C.R. 54, 1,500 feet from Wire Road. The anticipated development is a 65-unit townhome community with a projected 14 units per acre site plan. Some provisions, such as installing a left turn lane on C.R. 54, a sidewalk on C.R. 54, that the developer connect C.R. 54 to Calumet Avenue, improve Calumet Avenue, and to limit 14 dwelling units per acre, were part of the terms. The annexation eliminates an existing Pasco County enclave and falls inside of the City's Water Use Permit. The item passed 5-0.

Item 4.3 was a Future Land Use Map Amendment for the same property at 38736 C.R. 54. This item passed 5-0.

Item 4.4 pertained to the proposed Zephyr Storage facility off Gall Boulevard. It asked to approve a conditional use to exceed height limitations of an indoor facility. The applicant requested for a height limit of 29 feet 6 inches (two stories) for the front portion of the development and a limit of 38 feet 8 inches to 40 feet 9 inches (three stories) for the rear portion.

Zephyrhills Planning Director Todd Vande Berg spoke about the enhanced landscaping, how many of the original trees on the property

were preserved. The item passed 5-0.

In the Planning Director's Report, Item 5.1 asked for a rezoning of the former Agape Baptist Church off Chancey Road, near the Zephyrhills Municipal Airport in what senior planner Rodney Corriveau called the city's "Industrial Corridor." The subject property is roughly 10 acres. The area does contain a number of residential properties, so council wants to be careful not to place any heavy industrial business in the area. Just what type of business would be taking up on the parcel was unclear but Corriveau stated that it would likely be a warehouse type of building with retail or office space in the front of it. Only one access road off of Chancey Road currently exists. Another private road could provide a second access point pending approval by the private owner of the road but that seemed unlikely based on the discussion at the dais. The item passed 5-0.

Item 5.2 asked council to approve waiving a match requirement for an Historic Facade Grant as proposed by the American Legion. The Legion wants to refurbish/reconstruct the front porch of their historic building. The historic building is where, in November of 1914, residents voted to incorporate the City of Zephyrhills. The Legion's quote for the work was just \$1,600. The grant provides \$2,500 and requires a \$2,500 match from the applicant. With the total budget for the project falling well under the \$2,500, the Legion asked for the match to be waived. The item passed 5-0.

In the City Manager's Report, Zephyrhills City Manager William Poe Jr. detailed eight questions that will be placed on the April 23, 2023 ballot to change the city's charter. The questions were passed 5-0 and will be put to the voters in April together with the election of two city council seats.

The questions were: to designate the City of Zephyrhills being established on Nov. 17, 1914, increasing the term of city council members from three years to four years, allow the finance director to report deposits quarterly instead of at every regular meeting, increase the term of office for mayor from three years to four years, allow newly-elected council members to take their new seat at the next regular meeting, to remove time constraints for prospective council candidates to obtain required signatures, to accept election results at the next regular meeting and to require a charter review every 10 years as opposed to five. This item passed 5-0.

In the City Attorney's Report, city attorney Matthew Maggard read a resolution denoting the 50th anniversary of the Florida Association of City Clerks (FACC). Council members spoke glowingly of city clerk Lori Hillman, with council president Jodi Wilkeson calling Hillman and other clerks, "the glue that holds the council together." It passed 5-0.

In Citizen Comments, Cliff McDuffie spoke on behalf of the Masonic Lodge at 12th Street and North Avenue. He stated that three non-profits shared the building and that the corner of 12th Street and North Avenue has become a dangerous one. McDuffie spoke of vehicles traveling at high speeds and how their sign was damaged by a motorist. He asked for some sort of barrier to be erected to protect the property.

Wilkeson directed him to engage with the city manager to find a solution.

Greater Zephyrhills Chamber of Commerce President/CEO Vicki Wiggins then asked for council's permission to sell alcohol at the 13th Annual Pigz in Zhills event, Jan. 13-14. council approved 5-0.

OBITUARIES

Anne Genevieve Hays
HAYS, Anne Genevieve, joined our Lord at the age of 85 on Nov. 11, 2022. Born in St. Joe on Jan. 12, 1937, she lived most of her life sharing and helping others in this community. Anne went to school at Sacred Heart and was taught by nuns including Sister Mildred, whom she loved dearly. While a young girl, she would help take care of elderly family members with love and compassion. Anne and her husband, Samuel, dated for 2 years and then got married on Oct. 30, 1956. They shared a beautiful marriage of 66 years and shared this love with their eight children- four boys and four girls, whom she was always proud of. When Anne would talk to strangers, she never failed to tell them about her eight amazing children. As Anne grew older, she continued to help new mothers with their newborn babies while they recuperated. One milestone in her life was the care she gave her mother when she needed it most. Often, she would visit those she knew were ill and go to visitations for those who recently passed away to comfort the families and let them know she would pray for them. She was a talented baker and chef, gardener, and seamstress. She would get the most joy out of these hobbies and talents when she could share them with others. She was known to bake delicious wedding cakes for couples, free of charge. If you heard a knock at your door, it may have been Anne stopping by to say hello, give you

something she made, and to see how everyone was doing. She loved to visit with friends and family. Anne was also a proud believer in the Catholic Church. Rarely missing Sunday mass, and often going to daily mass. She was a firm believer in our Lord and Savior, Jesus Christ, and was devoted to prayer. She always kept at least one rosary in her pocket. Once again if there was an opportunity to give one to someone she would. She also loved to sing Gospel music. Anne had a beautiful heart and soul; a strong giving spirit and everyone who met her could not help but love her. She will be greatly missed by her friends and family. She is survived by her husband, of 66 years, Samuel Hays; along with eight children: Lorise Seifert (Mark), Allan Hays (Elizabeth), Becky Hays, Marvin Hays, Harry Hays (Kathleen), John Hays, Betsey Saut (George), and Sandra Hays (Jamie). She is survived by her siblings: Joe Blommel (Joann), Ted Blommel (Birgit), Billy Blommel (Sweetie), and Louise Scharber (Alan), sister-in-law's: Reba Blommel and Donna Blommel. Also, by her grandchildren: Marie Tower (Chad), Matthew Seifert, Rachel Hays, Sarah Hays, Nathan Hays, Terrence Caselnova, Stephen Caselnova (Melissa), Taylor Hays, Josh Hays, Christopher Hays, Brandon Hays, Jamie-lyn Melendez (Daniel), Michael Hays, Mark Hays (Marlena), Brittany Hays (Daniel), and Jose (Trey) Trevino. Also, by her great-grandchildren: Rowen Seifert, Rileigh Caselnova, Kimber Caselnova, Jericho Hays, Grayson Hays, Jayden, Josiah, and Jillian Melendez; Leighton Hays, Axel, and Enoch McIntyre. She is also survived by many beloved nieces, nephews, and cousins. She is preceded in death by her parents: Frank and Mary Blommel, mother and father-in-law: Raymond and Margaret Hays, brothers: Francis Blommel (Marylouise), Eugene Blommel, Louis Blommel, and Charles Blommel. A Visitation with a Rosary to fol-

low will be Nov. 17, 5-7 p.m. at Hodges Funeral Home in Dade City. Her funeral will be at St. Anne's Roman Catholic Church in Ridge Manor on Nov. 18, 2 p.m., with burial to follow at Sacred Heart Cemetery in St. Joe.

Happy Thanksgiving Always

GIVE THANKS TO THE LORD, FOR HE IS GOOD; HIS LOVE ENDURES FOREVER...

Men and women often-times give their testimonies of faith and prayers to God which sound more like self-praise rather than prayer and thanksgiving unto our Lord God.

In Luke chapter 18, the Lord tells a parable unto his disciples and unto certain unrighteous ones who trusted in themselves for their righteousness. The Lord made the comparison of the Pharisee, who went to the temple to pray, and the publican who went into the temple to pray. The Pharisee prayed thus "with himself," he thanked God that he wasn't like other people and that he fasted and paid tithes. He was happy and thankful for who he was and what he was doing for God. **But how did he leave the temple after praying to God?**

He left...unjustified and unrighteous before God and still a sinner.

But the publican on the other hand, realizing that he was a sinner and un-right before God, stood afar off. He would not lift up his eyes to heaven, and he smote upon his breast, and prayed, "God be merciful to me a sinner." **God heard his prayer. The publican went home justified before God**, rather than the other man, the Pharisee, of whom was not justified.

In this dispensation of God's grace, the Lord is dispensing grace, mercy, and peace to all who by faith in the Lord Jesus Christ, will believe His Words to them, in that he died on the cross to pay for their sins, he was buried, and he arose from the dead on the third day for their justification, they shall be saved (**Read 1 Corinthians 15:1-4**).

Ephesians 2:8 For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: 9 Not of works, lest any man should boast. **Romans 3:21** But now the righteousness of God without the law is manifested, being witnessed by the law and the prophets; 22 Even the righteousness of God which is by faith of Jesus Christ unto all and upon all them that believe: for there is no difference: 23 For all have sinned, and come short of the glory of God; 24 Being justified freely by his grace through the redemption that is in Christ Jesus:

- BELIEVE THIS GOSPEL. GOD WILL JUSTIFY YOU. YOU WILL BE THANKFUL NOW AND FOREVER -

Pasco turnaround ends with first-round playoff loss

Resurgent Pirates made the playoffs for the first time since 2013, but lost 45-14 to Lecanto in a region quarterfinal

By STEVE LEE
Sports Reporter

Alphonso Freeney came to Pasco to turn things around. The Pirates, who had not made the playoffs since 2013 and were coming off a rare winless season, are now headed in the right direction thanks, in part, to their second-year coach.

That turnaround, however, came to an abrupt halt for Pasco, which broke an eight-year playoff drought with a 9-1 regular season. The Pirates lost 45-14 to Lecanto in last week's region quarterfinal at W.F. Edwards Stadium in Dade City.

A time change due to Tropical Storm Nicole blowing through Florida resulted in a 6 p.m. Saturday kickoff rather than the standard Friday night start at 7:30. Pasco's momentum was snapped in that Saturday game.

Following a 28-16 loss to arch-rival Zephyrhills in the 9-Mile War, which dashed any hopes of an unbeaten season, the Pirates entered their first-round playoff game on the strength of three shutouts over Crystal River, Wesley Chapel and Brooksville Central in succession.

"These kids fly around. They love to hit," said first-year Pasco coach Alphonso Freeney, entrusted with the turnaround after replacing Jason Stokes in the offseason.

Pasco, formerly a county powerhouse with an eight-year playoff run that included two region finals and a state semifinal appearance, has struggled in recent years. A winning regular season is one thing, but Freeney mentioned that his players have their sights set on loftier goals.

"They want more," he said. "The mindset is these kids want to win a championship."

Afterward in a post-game meeting in the end zone, Freeney addressed his players, some of whom had tears in their eyes following the disheartening defeat.

"The hardest part of this is saying goodbye to the seniors," he said. "I've already won. I won by taking this head coaching job at Pasco. I've won because I've taken all of you. We're a family. We're brothers forever."

Among those seniors who will be sorely missed are running back Tayshaun Balmir and quarterback Enrique Matos. Balmir rushed for 1,835 yards with 22 touchdowns this season

while Matos had a combined total of 830 yards with 11 touchdowns.

Both struggled against Lecanto, however, with Balmir gaining 55 yards and leaving the game at halftime with an injury. Matos threw for just 22 yards and scrambled for 11.

With the offense sputtering, Freeney inserted backup quarterback Sidney Allen into the lineup for the second half. The junior came through with scoring passes of 10 and 11 yards to wide receiver J.J. Johnson, another junior. Allen wound up with 134 passing yards and Johnson had a team-leading four receptions for 73 yards.

"Sidney Allen is going to be a great player," Freeney said. "He has all the tools to be an amazing player."

On Allen's first touchdown pass to Johnson he scrambled to his left, pulling up at the line of scrimmage when a defender was bearing down on him and lofted a pass into the end zone to a wide-open Johnson.

"I thought he was going to scramble," Johnson said. "I didn't think he was going to throw it. I waved my hand to help him out to let him know I was there and to throw it to me."

As bad as the players felt after the game, Freeney told them they have something to build on and that the program is headed in the right direction.

"For my underclassmen, you guys know now what it takes," he said. "It's no more days off. I want to win a state championship."

Zephyrhills salutes veterans, along with their families and supporters with a parade on 5th Avenue

BY STEVE LEE
News Reporter

Surrounded by election day, yet another tropical storm with Nicole threatening the sunshine state and just one day after a special memorial tribute to veterans in Zephyr Park, a Veteran's Day Parade took place Saturday in downtown Zephyrhills with little fanfare.

While it turned out to be not the best attended parade of its kind, the meaning of the event, organized for a second straight year by the Fraternal Order of Eagles Aerie 3752, was not lost on the people who attended and were involved in it.

Rod Rehrig, past commandant of the local chapter of the Marine Corps League Detachment 1124, was the grand marshal for a second straight year. He also took part in the Veteran's Day tribute at Zephyr Park a day earlier.

"I consider it a great honor," said Rehrig, who rode alongside his friend, Jeanette Mae Himmelright, in a silver convertible Corvette driven by Zephyrhills Eagles member John Robertson.

Announcing the parade of marches, vehicles and floats during the parade was emcee Charla Vande Berg. Alongside her was fellow Eagles member Norma Ginges.

"We're missing that hometown feel and we're trying to bring it back," Vande Berg said of why the Eagles decided to take over the parade. "We've lost that sense of community."

Added Ginges, "We have joined to make downtown more alive."

There were plenty of patriotic people lining up on both sides of the road. Among them was Johnathan Sajdak, a U.S. Army veteran who served in the Gulf War. He came to the

parade from his home in Land O' Lakes with his wife Jill, a nurse.

"Red, white and blue and a small-town parade," he said, the emotion coming out in his shaky voice. "This is how it should be."

Cliff Moffett, president of the Zephyrhills Museum of Military History, was among several people who drove or rode in jeeps and various military vehicles as part of the parade. Like the others, he was glad to be a part of the event to honor U.S. veterans.

"Just to see the smiles on the faces of the veterans that rode in the parade, that's what gets me," Moffett said. "Just seeing the veterans and how much they were appreciated."

Rehrig, who contacted a friend from his hometown in Pennsylvania that day, said his friend expressed disappointment that his town had no such parade and was dismayed that more was not done to recognize veterans.

"I think that it's a great show or respect for the veterans," Rehrig said of the local parade, which has taken place downtown for the past two falls after being cancelled in 2020 due to the coronavirus pandemic.

On the other end of the spectrum, Moffett was clearly disappointed that the Battle for Veterans was cancelled. It was scheduled as a reenactment with military displays on the outskirts of the Zephyrhills Municipal Airport and adjacent to the museum.

"It was a tough decision," he said of a meeting with the museum's board and the choice to cancel that event. "It was a shame we had to cancel the event. It was a really tough thing to do, but we didn't know if that field was going to be turned into a mud bog."

The military museum's next event will be a Pearl Harbor Remembrance Day on Dec. 3. It will recognize the 81st anniversary of the attack on Pearl Harbor during World War II. malities with their breasts.

scoreboard. Collela completed three passes, the last one being a 17-yard scoring throw to Pickett.

Gulf answered two series later, capitalizing on a Wyatt Stacy interception that set up a 5-yard scoring run by quarterback Ethan Holeski, who wound up with 163 passing yards and a late touchdown throw to Noa Paselio.

Zephyrhills went on a scoring spree with 28 points in the second quarter to take a 35-7 halftime lead. In the span of two minutes and 15 seconds, Collela completed scoring passes to Adams, Sands and Campbell. Then, on a fourth-and-one play from Gulf's 14-yard line, Collela and Pickett hooked up on a 14-yard scoring pass.

Gulf got two second-half scores from Antonio Muniz, the game's rushing leader with 115 yards. Those scores, along with Holeski's late touchdown pass were offset by three Collela scoring passes.
