Country Christmas & Vintage Market at the Pioneer Florida Museum

Santa Claus and Mrs. Claus are set up on a veranda to greet visitors at the museum and village every year.

PHOTO PROVIDED

The market takes place on Dec. 5 with vintage, antiques, crafts, food, games and music

There will be complimentary photos with Santa and Mrs. Claus, starting at 1 p.m. Live entertainment with Gypsy Wind will take you on a musical journey from the Kentucky Bluegrass of Bill Monroe to the gypsy swing of Django Reinhardt. Gypsy Wind embodies a new take on an old blend of jazz, swing and acoustic music. They will perform 11-11:45 a.m. and 1-1:45 p.m. The Barking Dogs will perform all day as well.

There will be a Cutest Elf Contest (dress up in your best elf outfit and come on down) for age groups 5 to 12 years plus. Contest will be as follows: infant to 2 years old, 10:30 a.m.; 3 to 5, 10:45 a.m.; 6 to 8, 12 p.m.; 9 to 15, 12:15 p.m.; and 16 plus at 12:30 p.m. Costumes will be judged on creativity, originality and effort.

Also added this year an Elf Hat Hunt. When you arrive you will be provided with a form. You will travel around the Pioneer Florida Museum and Village and visit the open-air buildings listed. The elves have left their hats somewhere in these buildings for you to find. You will not need to touch anything, do not open doors or cabinets, but look high and low. Follow the rest

Cities counter COVID-cancelled Christmas events

Some Christmas traditions are not going to happen in 2020. However, CDC guideline-adapted events aim to keep the holiday spirit alive

By ANDY WARRENER
News Reporter

Let's start off with the bad news. The Christmas parades for both Zephyrhills and Dade City are not happening. Dade City called theirs off way back in August. Greater Dade City Chamber of Commerce Executive Director John Moors cited a 90-day permitting process as one of the reasons to call it off early.

"We didn't want to expose volunteers and kids unnecessarily and we didn't want to keep any attendees in suspense," Moors said. "We didn't know where we would be at (in December) back in August. It was a tough decision but it took courage to stand up and say that it was maybe not a good idea this year."

The parade, originally set for Dec. 4, will not go on. Never fear, smaller events are coming up to compensate for the loss of the parade. The Dade City Merchants Association will host a downtown Saturday Stroll on Dec. 5. The event is designed to highlight the many small businesses in downtown Dade City.

"It will be an abbreviated version from what it's been in the past," Moors said. "There will be reduced contact points and people will visit stores with masks on."

As the tug-of-war between slowing the spread of COVID-19 and the impact on local businesses continues and as a new wave of positive cases grows in the area, region and state, city officials wanted to do something to help residents and businesses without generating too much risk. The Saturday Stroll is one of those holiday events meant to address that issue.

New Crystal Bar nearing completion on U.S. 301

Iconic Zephyrhills gathering place along Gall Boulevard has a different look and is nearly rebuilt

By STEVE LEE
News Reporter

A popular landmark in Zephyrhills burned to the ground in the late spring of 2019, marking a sad time for the family that owned the Crystal Bar and those who spent plenty of happy times there and supported it for more than six decades.

The rebuilt version of the iconic gathering place, however, is nearly complete with officials from Sealander Contractor Services targeting late January for the opening. The one-story building, which on the outside appears to be two stories, consists of about 5,000 square feet and is located at 5707 Gall Blvd.

Initially opened in 1954, Jerry's Crystal Bar and Package Store had been the oldest bar in the city and was well known for social gatherings, live entertainment with plenty of local bands getting people up on

Construction is ongoing at the new Crystal Bar, which broke ground in May and is slated to open in late January.

Beware of Medicare "Disadvantage" Plans

It's that time of the year again! Salespeople are hustling to get you to trade your Medicare for a "Replacement" or an HMO.

We don't recommend Humana, Care Plus, Wellcare, Freedom or Staywell.

With traditional Medicare, you can see any eye doctor you want. But with replacements, you may not get choices. Many plans don't even have local specialists or surgery options—despite what the salesmen say. **The cataract surgeons they do offer are not certified by the American Board of Ophthalmology.** Some have higher Co-pays than traditional Medicare.

Don't fall for the common sales trick that gets you to replace serious medical and surgical eye care coverage for a cheap eye glasses exam with a non-specialist.

DEAR EDITOR

Letter to the Editor:

For the last number of years, the Millage Rate for City of Zephyrhills has been 6.3500 (ie: \$6.35 per \$1,000 of your assessed value).

The City of Zephyrhills has now off-loaded its "Fire Service" to Pasco County and to pay for this service our Real Estate Taxes now (2020) include a new extra Millage Rate of 1.8036 for "County Municipal Service Fire."

The big question is: Why has Zephyrhills millage rate not been reduced from 6.3500 (minus 1.8036) to 4.5464?

What this amounts to is that the City of Zephyrhills has just increased their tax revenue by 39.67 percent (1.8036 divided by 4.5464 as a percentage)...and this does not even reflect the increase in evaluation for everyone.

The question is Why or How come the big rip-off?

And on top of this, every snowbird who has property in Zephyrhills, but not a Florida resident, just got hit with another 10 percent increase in assessed value for the 5th straight year (2017 was a bit lower at 8.8 percent increase).

For snowbirds this year, 2020 means a 21.19 percent increase in real estate taxes in Zephyrhills.

This is not fair.

Perhaps you should print this letter in your newspaper so that people in Zephyrhills are more aware of what their mayor and city council are up to.

Best regards,
John and Lynda Cairns

HOLIDAY CANCELLATIONS: From Page 1A

Additionally, events like the car show and Church Street Christmas, have become private events. The Dade City Cruise-In car show is going on as it normally would, just not around the courthouse. Rather, it has been moved to EJ's Deli. It still takes place Dec. 5. The Church Street Christmas event will still go on from Dec. 21 to 23 but it will not be a chamber of commerce event.

"It's the same stroll scenario as with previous events, people will get to observe churches and homes and listen to music," Moors said. "We hope people observe social distance and wear masks and stay vigilant. We miss these traditional things but this is not a traditional year."

The Kumquat Festival was not cancelled but rather moved to March 27. That event looks to be moving forward in its new format as the city has already approved street closures for that day. Other changes are that the vendors will be more spread out, they'll be wearing masks and have sanitizer available at their stations.

"If the situation changes, we can adjust but we're going to follow CDC guidelines because it's the right thing to do," Moors said. "This is not the year to be taking chances with people's well-being."

Dade City is going on with the new events and has already started decorating for Christmas.

"Thanksgiving and Christmas are happening in Dade City, they just won't be the same as in other years," Moors said.

Zephyrhills is doing a similar adaptation for the season. The traditional Christmas parade set for Dec. 5 is not happening. However, the Greater Zephyrhills Chamber of Commerce and other local partners are putting on events. The first one coming up is a Dec. 3 Business Breakfast at the Eagles Club downtown. The event is from 7-8:30 a.m. and will feature

newly-elected state senator Danny Burgess as a keynote speaker. The event is sponsored by Jarrett Ford of Dade City and Bahr's Gas & A/C.

It's the first event of this kind since February. Traditionally, the breakfasts are every first Thursday of each month. December's event will have limited seating, temperature checks at the door and other CDC protocols before it heads back to the Golden Corral in January.

In an effort to help local businesses downtown, the chamber will host their Downtown 5th Avenue Mixer on Dec. 10 from 5-7 p.m. The event, which typically occurs once every quarter, hasn't happened since December of 2019. The first event of the series in 2020 is hosted by Zephyrhills Brewing Company, Molly's Hatchet, Main Street Billiards and Your Turn - A Board Game Cafe.

"People will rotate between the businesses, the businesses will follow CDC protocols but otherwise people will be able to enjoy activities," Greater Zephyrhills Chamber of Commerce Executive Director Melonie Monson said. "We hope people will stop at our businesses downtown and look for things on their Christmas lists. Hopefully, the businesses will have nice gift packages."

On Dec. 5 from 4-8 p.m., Main Street Zephyrhills is hosting a Christmas in Times Square event. The activities include a 6:30 p.m. tree lighting at the Jeffries House, as well as live music in the square, starting at 7 p.m. There will also be food trucks, an appearance by Santa Claus and hot chocolate.

"We're kind of excited to finally be able to do something," Monson said. "It's difficult to know what's the best thing to do but members want some sense of normality. I'm glad the Main Street Board was able to put something together to compensate (for the lack of a Christmas parade). We want to celebrate but we want to safely. (The Christmas parade) usually has thousands of people and there's no way to separate so many people. This is a much better format."

GIVE THANKS WITH A GRATEFUL HEART!

IF You're going to HEAVEN, then You have BEEN...

- DELIVERED from Satan's POWER OF DARKNESS and HELL AND TRANSLATED into the KINGDOM OF GOD'S DEAR SON!

Halloween, by many, is a great celebrated holiday. Evil is glorified with the gory details of blood and death. In fact, **Satan is the god of this world** (2 Corinthians 4:4). He is the little "g-god" and not the Most-High God, the creator of heaven and earth. Satan is also the prince of the power of the air (Ephesians 2:2). He gained his position of power with lies and deception. He successfully usurped God's creation in the beginning with Adam and Eve on the earth. He also trafficked in lies with God's heavenly creation in causing a third of the angels to rebel against God and fall. Because of Adam's sin, Adam brought sin and death into the world and now death has passed upon ALL MEN for that ALL HAVE SINNED and come short of God's glory (Romans 5:12). **BUT WE HAVE HOPE!** Please continue reading.

However, God had a secret plan for man's redemption and the restoration of all things in the heavens and on the earth back to his control. God literally tricked Satan into betraying Jesus by putting him to death on Calvary's cross (1 Corinthians 2:7-8). God's secret plan before the foundation of the world was the reconciliation of the world by the cross-work of Christ (2 Corinthians 5:19). **GOD had the VICTORY** over sin and death, and HE shall receive all the glory. We shall receive the exceeding riches of his grace in his kindness through Christ Jesus in the ages to come (Colossians 2:15; Ephesians 2:7)!

HOW then do we get our DELIVERANCE from sin?

- Our REDEMPTION comes by the BLOOD OF CHRIST, and the FORGIVENESS OF SINS, according to the riches of God's GRACE when we believe the GOSPEL (Ephesians 1:7). It's a free gift!
- CHRIST died on the Cross to pay for our sins. HE was Buried, and HE rose again from the dead on the 3rd day for OUR JUSTIFICATION (1 Corinthians 15:3-4). This is the GOSPEL we BELIEVE to be SAVED!

NOW WE SHOULD BE THANKFUL, BE REJOICING, AND BE LIVING UNTO HIM WHO DIED FOR US AND ROSE AGAIN!

"And be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you" (Ephesians 4:32). *"Love worketh no ill to his neighbor"* (Romans 13:10a). *"For all the law is fulfilled in one word, even in this; Thou shalt love thy neighbour as thyself"* (Galatians 5:14).

SALOME'S STARS ★ ★ ★ ★ ★

ARIES (March 21 to April 19) This year, instead of jumping into the whole holiday prep scene, move in a little at a time. You'll appreciate the sense of control you're more likely to enjoy.

TAURUS (April 20 to May 20) The separation between the Bovine's head and heart is never as far

apart as it seems. Both senses work best when they come out of logic and honesty.

GEMINI (May 21 to June 20) The best way to keep those pre-holiday pressures under control is to just say no to taking on new tasks while you're still trying to work with a heap of others.

CANCER (June 21 to July 22) News means a change might be on its way, but what does it hold? Don't just ask questions; make sure you get answers you can trust.

LEO (July 23 to August 22) Old friends and new have one thing in common: Both your longtime and newly minted pals have much wisdom to impart.

VIRGO (August 23 to September 22) With time running out, this is a good time for you to show 'em all what those Virgo super-organizational skills can do.

LIBRA (September 23 to October 22) Librans and holidays are made for each other, especially if children and animals are going to be part of your joyous season.

SCORPIO (October 23 to November 21) Time is getting too short to allow a spat to taint the holiday season. Restart your relationship and reschedule holiday fun times.

SAGITTARIUS (November 22 to December 21) Seeking advice is laudable. You might learn far more than you thought you could. Stay with it.

CAPRICORN (December 22 to January 19) Continuing to assess changes works toward your getting your new project up and ready. Trusted colleagues remain ready to help.

AQUARIUS (January 20 to February 18) That new situation needs a lot of attention, but it's worth it. This is a very good time for you to involve the arts in what you do.

PISCES (February 19 to March 20) It might be a good idea to slow your hectic holiday pace so that you don't rush past what -- or who -- you're hoping to rush toward.

BORN THIS WEEK: Others pick up on your confidence in yourself, which inspires them to believe in you and your special gifts.

FOOD: 5-WORD

STRANGE BUT TRUE

By Lucie Winborne

- The weight of all the ants on earth is greater than that of all humans.
- The ancient Romans used swan fat or donkey milk to soften wrinkles, while sores and freckles were treated with the ashes of snails.
- Eskimos use refrigerators to stop their food from freezing.
- Disney's musical fantasy comedy "The Princess and the Frog" led to an unexpected salmonella outbreak in the United States. More than 50 children were hospitalized after the film's release when they attempted to free handsome princes with a kiss from what turned out to be perfectly ordinary, definitely non-prince frogs.
- Redheads produce more vitamin D than other hair colors.
- Bao Xishun, a Mongolian herdsman, saved the lives of two dolphins by using his incredibly long arms to remove plastic from their stomachs. Bao stands nearly 8 feet tall and each arm extends more than 3 feet. All other attempts at saving the dolphins had failed.

Above and left: Work continues on the interior of the Crystal Bar, which is targeted for a January opening. Bob Geddes will soon build the bar.

STEVE LEE

Above: Various trucks and companies working at the site of the new Crystal Bar and adjacent parking lot come and go daily as progress continues on the project. The new building replaces one that burned down in 2019.

► **CRYSTAL BAR:** From Page 1A

the dance floor, and pool. Firefighters from Zephyrhills Fire Rescue and Pasco County Fire Rescue responded to a fire at the bar on May 3, 2019, but could not extinguish the blaze before it caused irreparable damage.

The new version was designed by Native Engineering of Land O' Lakes and is being built by the Sealander company. Family members are involved in the latter firm, including president Karol Sealander and project manager Bob Geddes to name a few.

Sealander, whose maiden name is Geddes, spoke for the family when she mentioned how eager she was for the reopening.

"We are ecstatic," she said. "We just can't wait for that day. We're getting the floor done in the next couple of days and Bob will be building the bar."

For his part, Bob said, "I don't know if anyone's looking forward to it more than I am."

Josh Bradley, the project's engineer, noted that substantial progress has been made. Unlike the previous building, which had an oval white roof and was set back from the road to allow for parking in front and in the back, the new structure is just several feet from the road with ample parking in the back.

"It's looking like it's going to be open

soon," Bradley said. "We worked with (the Florida Department of Transportation) to put it right on the road there. It's a sharp building, for sure."

As for his dealing with Geddes, Bradley added, "Bob's been a pleasure to work with and we're looking forward to getting this project done."

So too is city planner Todd Vande Berg, among others.

"It's moving along," he said, commending the designers and architects. "The building is looking real good. They really stepped up to the plate. They just did a really nice job with the stonewash (on the façade) I think it's really come out well."

Numerous local residents, along with some local officials and business leaders, are eager to return to the Crystal Bar when it opens again. Melonie Monson, executive director of the Greater Zephyrhills Chamber of Commerce who grew up in the city, is well aware of the solid reputation the business has always had on the community.

"We're excited that they were able to rebuild this since it was a family operation that's been around since I was a little girl," she said. "It's an institution and the Geddes family are great people. They're definitely dedicated to our community. We were just thrilled that they decided to reopen and start anew."
