# Symphony in Lights lures shoppers and visitors alike

The annual winter holiday show, complete with snow, highlights any trip to The Shop at Wiregrass

By STEVE LEE  
 News Reporter

It began on Nov. 13 and through New Year's Eve the center of Paseo Drive at The Shops at Wiregrass will continue being a prime location to spread holiday cheer. Nowhere throughout the region can anyone find a more magical display featuring a huge Christmas tree with twinkling lights timed to change with the rhythm of the music as part of the annual Symphony in Lights.

There's even snow, another unique factor that attracts shoppers and visitors alike to the open-air mall in Wesley Chapel that is comprised of 850,000 square feet for retail businesses and restaurants. "Nana, look at the snow," exclaimed 7-year-old Ellie Engle as the fake snow fell onto people gathered around the main tree and two smaller ones.

Tina Whitney, her grandmother from Lutz, chuckled as she watched Ellie reach as high as she could to try and catch the fake snowflakes.

With longtime Tampa Bay area disc jockey Mason Dixon via a recording serving as the emcee for the traditional shows that take place four times on the hour beginning at 6 p.m. nightly, the popular attraction lures hundreds of shoppers as well as visitors who come solely to watch the dazzling display.

"Let your imagination take flight as you experience this extravaganza," Dixon's voice booms over

Three large Christmas trees twinkle with lights as music plays during the nightly shows.

loudspeakers before the music begins and the tree lights twinkle in a perfect harmony. Fake snow falls intermittently during the festive shows.

Some people come to marvel at the large tree and smaller surrounding ones while others venture to an adjacent area to visit 'ol Saint Nick and sit on his lap in a big red chair.

Others have both in mind. Jackson Hendrick and Alyssa Doolittle, a couple from New Tampa, took turns sitting on Santa's lap and relayed their Christmas wish lists before getting in some shopping at nearby stores and coming back for the 6 p.m. tree lighting display set to music.

# City council renews lease with Zephyrhills Municipal Golf Course

Monday's city council meeting recognized its citizens and staff in addition to renewing the lease on the municipal golf course

By ANDY WARRENER  
 News Reporter

It was a standing-room-only house at 5:58 p.m. eastern standard time. Members of the public lined the walls in the back of council chambers, many waiting to say their piece. They sat and stood through the first orders of business, recognitions by both Zephyrhills Mayor Gene Whitfield and by former city manager and current Suncoast Chapter President of the American Society of Public Administration Steve Spina. Tucked into the consent agenda items was an item, which was bundled together with all seven items and passed 5-0.

Council president Alan Knight then took the liberty to let the audience know that the lease to continue the Zephyrhills Municipal Golf Course was in that just-passed consent agenda. Eighty percent of the room promptly stood up and left the chamber.

"We're just relieved we can move forward now," golf course superintendent Jeff Sweet said. "We had some projects that were on hold. We were at a standstill."

A 10-year lease extension between the city and the golf course (Under Par), reserving the right to cancel after five years. There is an option for two five-year renewals in the terms and the city agrees to construct the airport access road along Hole 2, impacting the course by .65 acres and Under Par agrees to pave the parking lot within 18 months of the effective date. This passage dodges a proverbial bullet that the National Guard was going to purchase and take over the area by the municipal airport where the golf course sits.

"This is a big relief, our members and customers were so worried," Under Par manager Aya Burkhart said.

Winding back to the top of the agenda, Whitfield acknowledged Zephyrhills PA announcer and scoreboard operator Greg First

# Bulldogs stave off Coyotes in season opener

Thanks to a late 9-0 run, Zephyrhills defeats Class 5A, District 6 rival Cypress Creek 65-56

By STEVE LEE  
 News Reporter

Tuesday night's boys basketball game marked the season opener for Sunshine Athletic Conference rivals Zephyrhills and host Cypress Creek, who also compete in Class 5A, District 6. The teams meet again on Jan. 5 at Zephyrhills' Alan Reed Court.

The Bulldogs are coming off a disappointing 6-11 season but have seven playoff appearances in the past nine years. That includes a six-year run that ended last season. Meanwhile, the Coyotes went 8-16 last season and have yet to post a winning record in their five-year history.

The game was close from the outset with Zephyrhills taking slim 17-16 and 31-30 leads at the first two intervals. The Bulldogs took what appeared to be a commanding 49-41 lead through three quarters, but the Coyotes clawed back to tie the game at 54 and again at 56.

and Kerry Ryman. The duo have been a mainstay at Bulldog football games for 40 years and have had the press box named after them.

Next item was presented by Spina to Gail Hamilton, the CRA Director. Spina tout-

ed the credentials of the CRA since Hamilton took over in 2014, how the CRA District has expanded, property value therein increased exponentially and Hamilton's work in concept and design at municipal parks. Spina also handed out an award to councilman Charlie Proctor - the Public Service Exemplar Award, calling Proctor, "the most accessible city council member" and denoting his support of city staff raises, Main Street and the chamber of commerce.

The remaining consent agenda items that were passed were, approving the Nov. 8 meeting minutes; approved a change order to the WWTP upgrade project in order to reduce the amount of nitrogen going to the rapid infiltration basins and out into the reclaimed water system. The eleven (11) proposed contract modifications (PCM's) and time extension request have brought this project up to date on outstanding issues. Some of these PCM's include installation of a 30-inch gate valve, demolition of unknown concrete encasement and duct bank crossing. The total increase for the entire change order is \$11,012.04.

Next item approved acceptance of an FAA Airport Rescue Grant that may be used to reimburse airport operational and maintenance expenses directly related to Zephyrhills Municipal Airport incurred on or before Jan. 20, 2021. The amount was \$59,000 with 100 percent being Federally funded and no match required.

Approved was the purchase of a generator at the tank site for the water division by RCM Utilities. The tank site has been in service since 1989, with the current generator being more than 30 years old. The replacement ensures many more years of uninterrupted power for the water tower. RCM is hired to install a new generator and transfer switch for \$110,115. Originally budgeted in the FY22 budget under the water division, machinery and equipment line for \$100,000, the difference will be made up on other items purchased in this line item.

Item six approved purchase of a tractor/loader/backhoe for the water division from manufacturer Caterpillar. It will be used for installing, repairing, and maintaining the entire city water system and be purchased from FSA Contract purchase for \$126,460. There was \$130,000 budgeted in the FY22 budget in the water division, machinery and equipment line.

In business items, council was asked to agree on a time and date for the 2022 Municipal Election and Mayor's Caucus. After a brief discussion,

Feb. 15, 6 p.m. was settled on.

In the City Attorney's Report, establishing powers and duties of the Community Development District (CDD) in the Abbott Square Development was discussed. This item passed 5-0.

An amendment to the Land Development Code that amounted to little more than clarification in definitions was discussed. Councilwoman Jodi Wilkeson asked Historic Preservation Officer Audrey McGuire if there were any, "material changes" in the amendment and she stated, "no." This item passed 5-0.

A Planned Unit Development (PUD) regarding the Silver Oaks Community was next. The crux of the discussion revolved around the increase from allowing two-story townhomes to allowing three-story ones. Council members were wary of allowing the increase for fear of three-story apartment buildings popping up everywhere. The described three-story townhomes would have parking on the first floor and living space on the second and third. It was generally agreed upon that this configuration would be acceptable as long as the three-story template did not extend into other building types. While the first reading was passed 4-0, with councilman Lance Smith recusing himself, it was tasked to the applicant to clarify some of the language to ensure that the three-story designs would be restricted to townhomes in the development.

In the Citizens Comments, Dade City resident Kimberly Barker expressed concern regarding increased pedestrian and bicyclist traffic heading toward the proposed Hercules Park. She stated that U.S. Highway 301 and Eiland Boulevard is one of busiest intersections in the city. She also brought up the presence of transients in the current area where the park is intended to be built.

Silverado resident Ashley Pollard spoke again at the meeting. He brought up the dangerous intersection at State Road 54 and Eiland Boulevard, how construction debris is still everywhere and that there was a vehicular fatality there this past weekend. The project is a Pasco County project, one recently abandoned after the D.A.B. default. Pollard also brought up some old and new issues in his community and stated that he had not heard a response from city attorney Matthew Maggard. Pollard was told that Maggard would reach out regarding some of the issues Pollard and the community were facing against the developer-appointed CDD at the Nov. 8 meeting. Pollard also stated that he requested a Master Plan of Silverado from Zephyrhills Senior Planner Todd Vande Berg but was, "pushed off to Pasco County." Silverado does lie within the boundaries of Pasco County.

OBITUARIES

**Nancy Elizabeth (Miller) Bacon**

BACON, Nancy Elizabeth (Miller), former Zephyrhills resident, passed away Nov. 23, 2021, one week before her 84th birthday. Nancy was born Nov. 30, 1937 in Dayton, Ohio to George and Viola Miller. At age five, a very shy Nancy, her three brothers and their parents moved from Ohio to Zephyrhills where she grew up under the watchful eyes of protective brothers. Her oldest and only living brother Craig still remembers having a teacher ask him why Nancy insisted her middle name was "little butt" at which he laughed and clarified it was "Elizabeth." Nancy graduated from Zephyrhills High School in 1956 and as quickly as she could, graduated from Nursing School so her parents would allow her to marry Dale Bacon. Nancy was heartbroken when Dale passed in 2020 after 62 years of marriage. Nancy and Dale

adopted their children Debby and James in 1960 and 1965 and a very proud Nancy was quick to brag about how great her kids (almost always) were! Nancy's lifelong love for animals was forever apparent, including her TV being on continually to repeat episodes of Veterinarian Dr. Pol. Nancy insisted on having a poodle in her home and in the early 80s she adored traveling to fairsgrounds with her mother, son and a trailer load of show cattle from the family farm Black Shadow Angus Ranch. Nancy and Dale built several successful businesses in Zephyrhills including Dale's Radio & TV, Dale's Firestone Center, Palm Estates Mobile Home Park, and Southern Charm RV Resort. Additionally, Nancy was a gifted artist and taught classes in porcelain doll making and hobby ceramics at her business Creative Workshop. Nancy often won Best Of Show Awards and many blue ribbons for her outstanding painting details in local and state doll competitions. Nancy and Dale moved their residence to a quiet farm in Bushnell in 1990 and commuted to work each day until their retirement in 2007. They both enjoyed the animals and abundance of wildlife that roamed freely on their property. Nancy was a caring sister to Craig Miller (wife, Jackie Arnold); loving mom to Debby Bacon and husband, Ron Ernest, son, James Bacon and wife, Nancy Achillich; proud grandma of five grandchildren, Keathel Chauncey Jr.(wife, Samantha),

Kassidy Chauncey, Dakota Chauncey, Kylie Sowers (husband, Ricky), Lexie Rinnert (husband, Travis) and caring great grandma to Mason and Cooper Sowers. Honoring the request for simplicity, Nancy's remains will be placed with her beloved husband, Dale in the Florida National Cemetery in Bushnell with no service being held.

**Sammye Carter Jackson**

JACKSON, Sammye Carter, 83, passed away peacefully on Nov. 24, 2021. Born May 29, 1938 in Carthage, Miss. to Sam and Verbie Carter, she moved to Dade City in 1961. Sammye worked for 22 years in the Pasco County School System as a paraprofessional, within the special needs education program and with the reading specialist. Sammye also worked as a secretary and occasional print model for an advertising agency in Columbus, Ohio while her late husband, Glen, completed his degree at Ohio State University. Sammye loved travelling, reading

and gardening. She had quite a green thumb and loved sharing plants with others. Some of her favorite trips were to the beaches of Florida, to Bar Harbor, Maine and Acadia National Park, Kearney, Nebraska, Charleston, New Orleans, the Grand Canyon and beyond. Sammye and Glen often visited lighthouses on their travels and loved listening to live jazz. Sammye also loved visits with her grandchildren and was so proud of their many and varied accomplishments. Sammye lived in Parkland, for the last three years at Aston Gardens ALF and enjoyed their music programs and the 22 acre campus with a lake and a myriad of tropical blooming plants. Sammye is survived by her daughter, Samira (Marc); son, Jon (Vanessa); and grandchildren, Carter (Danielle), Zachary, Tori (Mason) and Emma. She was preceded in death by her husband, Glen. A graveside service will be Dec. 4, 11

a.m. at Floral Memory Gardens in Dade City. In lieu of flowers, donations can be made in her memory to MichaelJFox.org for Parkinson's research or to BVBoys.com in support of the Honduras Academy or Carter & Danielle Jackson (missionaries).

Obituaries are available in The Zephyrhills News. Information is due Monday before noon in order to appear in the same week's publication. For pricing call the office at (813) 782-1558.

## SALOME'S STARS ★ ★ ★ ★

**ARIES** (March 21 to April 19) Your curiosity might not be appreciated by everyone. Expect some resistance in getting answers to your questions. But stay with it. You need facts in order to make important decisions.

**TAURUS** (April 20 to May 20) Some of the mystery surrounding your recent fiscal situation soon will be dispelled with a clear explanation. Use this new knowledge to help you chart a fresh financial course.

**GEMINI** (May 21 to June 20) Start your holiday gift-buying now. This will help avoid problems caused by possible mid-December delays. A family member has important information.

**CANCER** (June 21 to July 22) Use a little more sense in how you plan to spend your end-of-the-year holiday dollars. Meanwhile, you continue to gain support for your stand on a workplace issue.

**LEO** (July 23 to August 22) Wearing that big, loving Lion's heart of yours on your sleeve leaves it unprotected. Let things develop a little more before you allow your emotions to spill over.

**VIRGO** (Aug. 23 to September 22) You might feel you're not ready to patch up an unraveled relationship. But the longer you wait, the more difficult it will be for all parties to take the first healing step.

**LIBRA** (September 23 to October 22) Your end-of-the-year holiday plans could be disrupted by something out of your control, but stay the course. Ultimately, things will settle back into a normal pace.

**SCORPIO** (October 23 to November 21) Your honest approach to a workplace project earns you both respect and credit from those in charge. Meanwhile, that personal problem still needs to be dealt with.

**SAGITTARIUS** (November 22 to December 21) Money could be a little tight this month. This means the usually bargain-oblivious Sagittarian should look for ways to save on end-of-the-year holidays.

**CAPRICORN** (December 22 to January 19) Examine the facts, and you might find that it's a wiser move to shift gears and redirect some of your goals before the end of the year. Someone close to you offers good advice.

**AQUARIUS** (January 20 to February 18) Be careful that your generosity is not abused. Find out more, both about the special favors you might be asked to grant and who is asking for them.

**PISCES** (February 19 to March 20) You've come through a recent rough time in great shape. Congratulations. Now go out and enjoy your well-earned rewards. More good news comes in mid-December.

**BORN THIS WEEK:** You aim for truth, and you usually find it. Your honesty earns you the friendship and respect of others.

# Most common holiday mishaps and how to avoid them

As the old song goes, "It's the most wonderful time of year." No matter how you and your family celebrate the holidays, your season is likely chock full of fun activities. But amidst all the smiles and laughter, a few dangers lurk. In fact, you may be surprised to learn that the months from November to January are among the busiest for emergency departments and urgent cares.

This holiday season, keep you and your family safe, healthy, happy and out of the emergency room. Follow these tips from our expert, Javier Gonzalez, MD, FACEP, DABT a board-certified emergency physician, clinical toxicologist and the Medical Director with AdventHealth Dade City and AdventHealth Zephyrhills, for avoiding some of the most common holiday mishaps.

### Be careful when decorating

According to Dr. Gonzalez, "Decorating both inside and outside your home can present certain dangers unless you take the proper precautions. Unsteady ladders and stepstools cause thousands of people to fall each year while decorating their homes and Christmas trees.

Lifting heavy items high above your head can also cause muscle strains and pains."

This year when you decorate, follow these tips: Ask for help when lifting heavy objects Always keep one hand on the ladder Ensure ladders are steady and locked open Have another person help secure your ladder

Keep your body within the borders of the ladder Never stand above the second-highest rung

### Concentrate when cooking

The kitchen is another common spot for both holiday illnesses and injuries. "Knives can cause cuts and hot pans can cause burns. Unsafe, unsanitary practices can lead to the spread of bacteria, which can cause food poisoning. Keep in mind, you're at greater risk the more hurried you feel when preparing holiday dishes," says Dr. Gonzalez.

This year, to safeguard yourself, your kitchen and your loved ones, you might try:

- Asking others to pitch in
- Having plenty of oven mitts ready
- Keeping small children away from ovens and stovetops
- Keeping the kitchen clear and clean
- Planning your meals and holiday parties in advance
- Practicing food safety, especially proper refrigeration and thawing of perishables
- Separating cooked and uncooked ingredients
- Sharpening your knives before use
- Staying focused on the task at hand
- Washing your utensils, surfaces and hands after touching raw meat

### Traveling home for the holidays safely

It's easy to get caught up in the holidays and forget your normal routine. But for people with chronic conditions, this can spell trouble. Always be sure to pack your medications when you travel. If you do forget them, call your physician so they can send a prescription to a pharmacy near you.

Dr. Gonzalez says, "I remind my patients to remember to take their medications as they adjust to a new place and routine during their travels. If necessary, set alarms to take pills, check blood sugar levels, take walks and check in with how you feel."

Continue to follow safe practices to avoid contracting a COVID-19 infection while traveling, like hand-washing and wearing a mask in public, especially in enclosed spaces like on airplanes.

health issues, from acid reflux to heart attacks.

### Stay safe by:

- Balancing your plate, eating half fruits and vegetables and half carbohydrates and meats
- Eating slowly and keeping your portions small
- Limiting your alcohol intake
- Having a designated driver or using a ride-sharing service if need be

### Unwrap With Care

Finally, even unwrapping gifts can present risks of cuts and lacerations, especially if they're wrapped in thick plastic. "When using knives, box cutters or scissors, always be careful as you cut open objects. Be sure to stow sharp objects away and out of children's reach when they aren't in use so they don't get lost in the wrapping paper," Dr. Gonzalez recommends.

### Have a Holiday Health Plan

Even the best laid health and safety plans can go awry. That's why it's important you know the nearest Emergency Department or urgent care to your home just in case.

At AdventHealth, our Emergency and Urgent Care services provide convenient care for all levels of holiday emergencies. And, if you have a non-life- or limb-threatening emergency, we've made it easy for you to schedule an Emergency Room visit online and wait safely in the comfort of your home. Right: Santa Claus hears plenty of Christmas wishes from children throughout December. Here he listens to Alex Riley, 8, and his five-month-old brother Ronin Womack, of Zephyrhills.

► SYMPHONY IN LIGHTS: From Page 1

"We love the trees," Hendrick said. "We come every year," added Doolittle after thanking Santa Claus for listening to her holiday requests. "Everything is here," said Santa, adding that the tree lighting and music shows last only until Dec. 24, because on Christmas Eve "I've got to go to work that night." Santa added that he especially enjoys listening to the young boys and girls, saying, "The kids are so nice. When you see that smile on their face I know it's the real deal." Among those smiling faces on a recent visit to Santa were Alex Riley, 8, and his five-month-old brother Ronin Womack. Their parents, Robert and Amanda Womack of Zephyrhills, looked on admirably. "I've been coming to the Wiregrass mall since they've had this," Amanda said. "They always have the best Santas and the people are always so nice. The decorations are great." Teens Abigail Burquette from New Tampa and Wesley Chapel's Hailey Cannard said they first starting coming to the musical light shows with their parents. Now that Burquette drives, however, the friends come together and dance while the music plays. "This is the best," Cannard said. "We keep moving to the music." Added Burquette, "We come back here a lot." Santa's elf Vicky, who takes photos of all who stand in line to sit on Santa's lap in his oversized red velvet chair, is happy to see visitors dance to the music and take photos in front of the nearby trees. "It's just all the entertainment," she said. "It makes the job more fun just being here."

## Host Wesley Chapel defeats Zephyrhills 8-0 in boys soccer

By STEVE LEE  
Sports Reporter

Following a tough 4-0 loss against perennial state contender Tampa Jesuit, the Wesley Chapel boys soccer team has reeled off five straight wins for a strong start early in the season. The latest victory, 8-0, came at the expense of Zephyrhills.

The Wildcats led 2-0 at halftime and broke the game open with four goals during a five-minute span in the second half to improve to 5-1.

"They just missed too many early opportunities because they were trying to score the perfect goal," Wesley Chapel coach Paul Bybee said, adding that last week "I gave them the whole week off. That's why they came out flat." Meanwhile, Zephyrhills fell to 2-4. The team is coming off a six-win season, marking its most victories in more than 10 years.

Despite the recent loss to Wesley Chapel, though, the Bulldogs have shown promise of late. They opened the season with losses to Sunlake, Cypress Creek and Pasco by a combined 23-3 margin in games that were not really close.

Before taking on Wesley Chapel, however, the Bulldogs posted impressive 4-0 and 5-3 victories over Lakeland Tenoroc and Hudson, respectively.

William Poe scored twice against Tenoroc on the road with Diego and Alex Nesbeth each adding a goal in that game. Pablo Alvarez had two assists with Jaxson Rivera and Nesbeth

also assisting on Zephyrhills goals to back the solid goalkeeping of Bryce Wallace.

Against Hudson, Nesbeth and Martinez each had two goals and an assist. Angel Morales Perez added an assist with Kamil Mehrab manning the nets in that decisive win.

"It's all about our opportunities," Zephyrhills coach John Soellner said. "We're not quite competing against the strong teams, but we're better than teams that are just trying to put it together."

Leading the way for Wesley Chapel in the Zephyrhills game was senior midfielder George Obregon, who netted a hat trick and had three assists for a team-leading nine points. Two of his goals came from the right side on low shots just inside the far post about one minute apart in the second half.

Adding single goals for the Wildcats were Collin Snead, Cameron Brunner, Niko La Rota, Lucas Herrera and Matthew Rivera. Herrera also had two assists with Josh Lindo, Carlos Mendez and Rivera each providing an assist.

Wesley Chapel's defense was strong and goalkeeper Jackson Colding, who has split time in between the pipes this season with Mendez, earned the shutout.

Zephyrhills' Kamil Mehrab manned the nets and despite giving up eight goals still came up with nearly 20 saves to prevent the mercy rule from being enforced until the final 10 minutes of the game. Games are stopped when one team goes ahead by eight goals in the second half as mandated by the Florida High School Athletic Association.

Wesley Chapel also won the junior varsity game by the same 8-0 score. Isiah Viera and Sebastian Toro each had hat tricks for the Wildcats, who improved to 2-2. Zephyrhills' JV team remained winless at 0-4.

Ryan Reynolds

HOLLYWOOD -- While most stars are going back to work after two years of the pandemic, Ryan Reynolds plans to take the next year off. His newest film, the \$200 million "Red Notice," co-starring Dwayne Johnson and Gal Gadot, opened Nov. 12, while his August release, "Free Guy," earned \$331 million. Next up are Netflix's "The Adam Project," starring Jennifer Garner, Zoe Saldana, Mark Ruffalo and Catherine Keener, opening in 2022, and Apple TV's \$75 million film "Spirited," with Will Ferrell and Octavia Spencer. Both are in post-production.

We became aware of Ryan when he starred in the TV series "Two Guys, a Girl and a Pizza Place" (1998-2001), then came his breakthrough film, the title role in "National Lampoon's Van Wilder" (2002). Five films later, playing George Lutz in "The Amityville Horror" clinched his stardom. In 2011, "Green Lantern" flopped and nearly derailed his career, but it was "Deadpool" (2016), which he co-produced, and its sequel, "Deadpool 2," that each grossed \$785 million and made him very rich. Among the businesses he invested in was Portland-based Aviation Gin, which recently sold for \$610 million.

"That's a wrap for me with 'Spirited,'" Reynolds said. "Not sure I'd have been ready to say yes to a film this challenging, even three years ago. Singing, dancing and playing in the sandbox with Will Farrell made a whole lotta dreams come true, and this is my second film with the great Octavia Spencer. It's a perfect time for a sabbatical from movie making. I'm gonna miss every second working with this obscenely gifted group of artists."

He added, "My sabbatical could last two months to a year, but most likely it'll be a six-month break." Reynolds has been wed to Blake Lively since 2012, and they have three daughters, who he wants to spend quality time with.

Gal Gadot is giving "Wonder Woman" a rest as she takes on playing the evil queen in Disney's live-action "Snow White" (long on a back burner). Rachel Zegler ("Maria" in Steven Spielberg's "West Side Story") plays Snow White. They join 21-year-old Halle Bailey, who will take on Ariel in "The Little Mermaid," and Tom Hanks, as Gepetto in "Pinocchio." Gadot also plans to produce and play "Cleopatra," the queen of the Nile, in a new remake.

Matt Damon and Robert Downey Jr. are joining forces with director Christopher Nolan in the \$100 million film "Oppenheimer," with Cillian Murphy as J. Robert Oppenheimer, father of the atomic bomb, and Emily Blunt as his wife. It's due July 2023. Blunt is producing a Western drama miniseries, "The English," for Amazon Prime in Spain with an English cast. Hope Nolan can keep "Oppenheimer" from being A-bomb!

► BASKETBALL: From Page 1

After that, however, it was all Zephyrhills the rest of the way. The Bulldogs closed out the game with a late 9-0 run for a 65-56 win.

"It's just that they didn't handle the pressure with our half-court trap," Zephyrhills coach Mike Novak said.

Cypress Creek coach Ronald Lafleur said his team needs work on "just finishing the game. We lost sight of who we were for (the last) three minutes and they took advantage of us."

The Zephyrhills defense tightened down the stretch by not allowing a basket after the tie at 56. Peyton Petry, who scored a team-high 16 points for the Coyotes, missed on a couple of late shots.

Jimmy McAuley had five of the Bulldogs' nine points late in the contest with Joseph Barnes scoring the other four. McAuley, a senior guard who finished with 13 points, was one of three Zephyrhills players in double figures.

Sophomore Preston Linville scored a game-leading 22 points and Barnes added 10. Not far behind were Kevin Pagan and Marc Dortch with nine and eight points, respectively.

Cypress Creek got nice efforts from a trio of key players in the second half. Evan Gillespie halted Zephyrhills' 7-0 run to start the second half with a jump shot, Gabe Morris made a nice three-point play and Merrick Simmons hit a pair of free throws, the latter shot from long-range coming with just 4:28 left in the game.

Despite the loss, Lafleur was proud of the way his young team hustled to give the Bulldogs more of a game than some might have thought beforehand. He noted that 13 of his 15 players were on Cypress Creek's junior varsity team that went 13-8 last season for the first winning record in boys basketball in school history.

"This was just a learning experience for them," he said.

In the JV game, Zephyrhills won 55-42.

"We played like we need a few more games," Zephyrhills JV coach J.T. Kirk said. "The defense is good and the offense will come along. (Defense is) what we emphasize around here anyway."

Cypress Creek had a pair of 10-point scorers in Robert Stroman and Jaden Saintelny. Team-mate Isaiah Ponce added six points.
