Farm Festival and Quilt Show retain popularity

A team of draft horses is guided in place for an attempt to pull 4,000 pounds in the lightweight division at Saturday's event.

Hillside viewing of horse pull is a big draw while quilts of all sizes and colors attract visitors to the barn

It has always been a combined event that lures hundreds of visitors to the Pioneer Florida Museum and Village. Last Saturday's day-long glimpse into nostalgic times was no different as people from near and far, from young and old alike, turned out for the 32nd Annual

Farm Festival and Quilt Show.

"We came to see the horses. They sure are strong ones," said Buck McDonough, who has a farm in Ocala.

His wife, Eleanor, said she has done her share of quilting. So, naturally, after watching some of the horse pulls with her husband she made sure to check out the ones displayed in the Mabel Jordan Barn.

While those traditionally are the primary draws for the annual show at one of Dade City's most historical sites, another couple returned from a few weeks ago to once again taste some cane syrup. Their first stop was the Cane Syrup Mill, where grinding and syrup-making take place just like it did during Raising Cane in mid-January.

"We were just here for the (cane syrup) and we're

Optimum RV has strong sales not long after the coronavirus pandemic began to shut things down

By STEVE LEE
News Reporter

As vaccine shots have begun to be doled out on worldwide, national and local levels, there are a number of businesses and fields that are showing signs of resurgence and bouncing back from the coronavirus pandemic and its subsequent restrictions.

For one particular business, however, there is no bounce-back necessary. That's because when it comes to recreational vehicles there really never was a lengthy slowdown. In fact, that industry has been booming with the supply chain trying to keep up with the demand for motorized vehicles utilized for camping and other activities.

Zach Crandell, general manager at Optimum RV, estimates demand to be about three

Pasco Tax Collector Mike Fasano announces essay contest

Pasco County Tax Collector Mike Fasano announces that his office is accepting entries in a month-long essay contest. The competition began Feb. 8 and ends March 12, 5 p.m.

The essay contest is for Pasco County's high school students (grades 9-12). Students of Pasco's public/charter, private, parochial, non-public and home schools are all welcome to participate.

In 500 words or less students will answer the question: "When unexpected events occur such as COVID-19 or a devastating storm, people are often negatively impacted. Some may lose their jobs, their homes or experience other setbacks in their lives. Keeping in mind that funds expended by government (local, state or federal) must come from somewhere, what do you think government should do to assist people to get through these challenges?"

Entries will be judged by a panel of directors from the Pasco County Tax Collector's Office. Entries will be reviewed on how well the student communicates his/her response to the question as well as overall essay structure, appearance and readability.

"We have had a wonderful response to the contest in previous years," said Fasano. "I have no doubt that we will receive some excellent essays again this year. Pasco County has some of the state's best and brightest students. The stu-

dent who writes the winning entry will receive a \$300 gift card. I am looking forward to the day later this spring when I am able to hand this wonderful prize to the student who prepares the best essay."

Students in public/charter schools are asked to submit their essays to their principal, who will forward them to the tax collector's office. Students in private, parochial, non-public or home schools may send their essays directly to Greg Giordano, assistant tax collector, Pasco County Tax Collector's Office, P.O. Box 276, Dade City, Fla. 33526.

Entries may also be delivered to the office in New Port Richey at 4720 U.S. HWY. 19, New Port Richey 34652 c/o Greg Giordano. Additionally, entries will be accepted via email at ggiordano@pascotaxes.com. If there are any questions about the contest, contact Giordano at (727) 847-8179.

Fasano encourages family members, neighbors and friends of eligible students to tell Pasco high school students about the contest. Each entry should include the student's name, school, grade and contact information. The winner of the essay contest will be notified by telephone no later than April 9. The winning entrant will also be announced via a media release after the winner has been notified.

times what it was before the coronavirus pandemic swept into the United States. Substantial increases on demand, he noted, began around late April with a surge in calls and emails.

"We didn't see it coming, or we could've ordered a lot more," Crandell said of the unexpected rush on RVs last spring. "It was just a typical year. Then, right at the beginning of March, it just went dead."

Crandell noted that the business went 30-45 days of little activity before it reopened. It was deemed essential due to selling parts and fixing equipment. After almost shutting down he said, "Then it just exploded and it's never stopped."

Small trailers began selling, some for about \$10,000 that sometimes were utilized for people or family members who needed to quarantine. From there it led to higher-priced RVs, even top-of-the-

line motor homes at around \$100,000.

To illustrate how much the market has changed, however, Crandell said Optimum RV used to sell 75 percent used and nice compared to 25 percent new. Those numbers have since flip-flopped.

"Because of a lack of used inventory, we've moved toward mainly new," Crandell said.

Crandell and his brother Jason, sales manager of the business on a seven-acre site off Paul S. Buchman Highway and just south of Chancery Road, are continuing a family tradition. Their father, Jim Crandell, opened a car lot in 1998 and not long after sold on RV. He soon changed to RV sales upon realizing he could sell those vehicles for much more than automobiles.

Crandell sold the business to America's Choice in 2012 and Optimum RV took over in 2015. The brothers still work there, staying on to run things.

"We've been doing it so long," Crandell said. "It's comfortable."

Among satisfied customers are Ken Sickler, a snowbird from upstate New York, and Theresa LeBlanc, advertising sales manager for *The Zephyrhills News*. Both spoke highly of the business and employees.

"A friend of mine bought from them and I like the guys," said Sickler, who has made two purchases from the local business. "I can't say

enough. They're just down to earth. They just go out of their way to help you."

Added LeBlanc, whose fifth-wheel purchase in December was the second from Optimum RV, "We're very satisfied with the purchase experience. They're on top of their game, completely."

Like a lot of other people who purchase RVs, Sickler prefers his getaways in that mode.

"The only reason I bought a camper is because I hate sleeping in a hotel," he said.

That makes sense to local salespeople Aaron Mooney, Renette Pappas and Jesse Gilbert.

"It's hard to keep used stuff on the lot, because everyone's looking for cheap getaways," Gilbert said.

"People want to get away," Pappas added. "They want to purchase a camper and go away from people, so they're not doing hotels."

"Everybody is hunkering down and they still want to get out and do stuff," Mooney said.

"You can still go RVing," said Crandell, noting that the average RV sale is about \$35,000. "We try to accommodate the local customers and sell less expensive stuff than some of the bigger dealers sell."

Crandell said there are about 120 units on the lot, ranging from fifth-wheels to travel trailers to motor homes.

Tax collector Mike Fasano has designated the YMCA as charity of the month

Pasco County Tax Collector Mike Fasano's five offices will be collecting donations in February for the YMCA of the Suncoast's Swimming Lesson Program. Water safety is a high priority of the YMCA and it is a mission that is shared by the Pasco County Tax Collector's Office. In a county that is bordered by the Gulf of Mexico and neighborhoods that have swimming pools and countless lakes, the importance of preparing young people to navigate safely in the water is a top priority.

"Help save lives," said Julio Vega, district vice-president for the YMCA of the Suncoast. "The YMCA of the Suncoast serves more than 7,000 children annually in our mission to eliminate drownings by providing life-saving swim skills in all counties, including Pasco, served by our Y."

"The YMCA is the premier agency to provide swim lessons to young people in our community," said Fasano. "With drowning the leading cause of death for children between the ages of 1-4 it is vitally important that they receive water safety lessons as soon as they are able. Unfortunately, Florida ranks

as one of the highest states in the nation for infant and toddler drowning. We must do all we can to bring this number down. The funds raised through this campaign will help provide swimming and water safety lessons to children whose families may not otherwise be able to afford them. I encourage our community to support the YMCA of the Suncoast to provide this needed service to as many children as possible."

Cash donations can be made at any of the five tax collector locations in Pasco County. For more information about the charitable giving program at the Pasco Tax Collector's office, contact assistant tax collector Greg Giordano at (727) 847-8179 or visit www.pascotaxes.com. For more information about services provided by the YMCA of the Suncoast, call Julio Vega, district vice-president at (727) 375-9622 or visit <https://ymca-suncoast.org>. Donations may also be mailed to the tax collector's office at the following address: Tax Collector Mike Fasano, P.O. Box 276, Dade City, Fla. 33526. Please note on your check's memo line "YMCA."

DON'T BE AFRAID!

FOR GOD HATH NOT GIVEN US THE SPIRIT OF FEAR; BUT OF POWER, AND OF LOVE, AND OF A SOUND MIND (2 Timothy 1:7)

THE LOVE OF GOD.

Today we ask ourselves: How can we not be fearful and afraid in this world of virus diseases and vaccine questions abounding? And all this against the back-drop of crime and all sorts of evilness of man; And this along with another question: Who can we trust for right answers?

GOD'S WORD WILL PROVIDE US WITH TRUTH! IT'S IMPOSSIBLE FOR GOD TO LIE (Titus 1:2).

In **Matthew 10: 28** we read: And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell. Also, in **Hebrews 9:27** we read: And as it is appointed unto men once to die, but after this the judgment:

BUT GOD'S LOVE IS RICH TOWARD MAN. HIS LOVE FOR US FAR EXCEEDS ANYTHING THAT MAN CAN DO TO HARM US. HEREIN IS THE SUM OF GOD'S LOVE FOR US:

THE SON OF GOD--BECAME THE SON OF MAN

SO THAT THE SONS OF MEN--COULD BECOME THE SONS OF GOD.

- The Son of God—the Lord Jesus Christ from heaven, lowered himself when he was conceived by the Holy Spirit, and then virgin born of woman to be man's redeemer.**
- The Lord Jesus Christ humbled himself, became obedient unto the death of the cross, paid the penalty for man's sin, and was resurrected from the dead on the third day.**
- NOW unto all and upon all who believe this gospel, God imputes or gives unto man his Son's righteousness, forgiveness of sins, eternal life in heaven, thus becoming joint heirs in Christ as sons of God.**

The first man, Adam, brought sin and death into the world. Death has passed upon all men for that all have sinned (Romans 5:12); but the 2nd man—the 2nd Adam from heaven brought life.

For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord (Romans 6:23). But God commendeth (proved) his love toward us, in that, while we were yet sinners, Christ died for us (Romans 5:8).

THE LOVE AND GRACE OF OUR BLESSED GOD AND SAVIOUR, THE LORD JESUS CHRIST, has appeared to all people of every nation through the truths of God's Word, the Holy Bible! We have the POWER of the gospel of Christ in believing (Romans 1:16).

We have the BLESSED HOPE of heaven in looking for the glorious appearing of Christ.

We believe, and God gives us a SOUND MIND.

SALOME'S STARS

ARIES (March 21 to April 19) Doing something nice for others is typical of the generous Arian. But be prepared for some jealous types who might try to question one of your more recent acts of kindness.

TAURUS (April 20 to May 20) You're eager to take on new responsibilities. But before you do, you might want to check out exactly what would be required of you so that you don't face any "surprises" later.

GEMINI (May 21 to June 20) It might be best to put off an important decision until a fluctuating situation becomes more stable. Recently received news could help resolve a long-standing family matter.

CANCER (June 21 to July 22) If you still have a problem getting that information gap closed, you might consider asking a higher authority to resolve the matter, leaving you free to move on to another project.

LEO (July 23 to August 22) A family matter needs to be dealt with at the start of the week. Once it's resolved, the Big Cat can devote more attention to that new opportunity that seems to hold so much potential.

VIRGO (August 23 to September 22) Pay attention to those niggling doubts. They could be warning you not to make any major decisions until you've checked them out -- especially where money matters might be involved.

LIBRA (September 23 to October 22) A business venture might need more of your attention than you are able to provide. Consider asking a trusted friend or family member to help you work through this time crunch.

SCORPIO (October 23 to November 21) A more-positive aspect helps you get a clearer focus on how to handle your time so that you can deal with several responsibilities that are just now showing up on your schedule.

SAGITTARIUS (November 22 to December 21) A very close friend (you know who that is!) has advice that could help you work through a confusing situation. So put your pride aside and ask for it. You'll be glad you did.

CAPRICORN (December 22 to January 19) A workplace situation could turn a bit tense. The best way to handle it is to confront it and deal with it openly. Doing so can help reveal the underlying reasons for the problem.

AQUARIUS (January 20 to February 18) A colleague's remarks appear to be especially cutting. But don't waste your time or your energy trying to deal with the situation. You have more important things to do.

PISCES (February 19 to March 20) Support for your work comes as a surprise from someone you thought was critical or, at least, indifferent. Your spouse or partner has big plans for the weekend.

GO FIGURE! by Linda Thistle

The idea of Go Figure is to arrive at the figures given at the bottom and right hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use only the numbers below the diagram to complete its blank squares and use each of the nine numbers only once.

FARM FESTIVAL: From Page 1A

glad they decided to have another tasting," said MaryBeth Clarke, who along with her husband Larry drove down from Bushnell.

Stephanie Black, the village's executive director, noted that a model train display, blacksmith demonstrations and the Barking Dogs were among the day's other attractions.

"It was nice to have a variety of different things going on to attract a lot of guests," she said.

Although some of the village's events this past year have drawn sparse attendance due to the coronavirus pandemic, Black was encouraged by Saturday's turnout.

"Attendance was down, but we expected that," she said, adding, "We're not cancelling stuff, because most of our stuff is outside."

Hillside viewing was the place to be for the Southern Draft Horse Association's most recent stop for horse pulls. Teams competed in two divisions. In the lightweight class, 11 teams of two horses advanced to the fourth round to take turns pulling 4,000 pounds as far as they could. Tom Bowman had two of those teams, but the Pennsylvania competitor did not reach the finals of that division. Instead, the Roof Brothers from Kentucky pulled 4,200 pounds 17 feet, 3 inches for the championship.

In all, there were 27 lightweight teams and

24 heavyweights. While there were some ominous clouds after the lightweight competition, the rain held off for the latter division to be completed. In that class, the Bowman Brothers won with a 20-foot pull at 4,700 pounds.

Up on the hill in the barn there were rows of quilts on display. That's where Jane Hancock and Kelli Boles, president and vice president of the museum, respectively, could be found.

"There are a lot more smaller quilts this year," Hancock said. "It's just what people do." Boles spoke of how much the annual quilt display brightens up the old barn.

"This is the grayest, brownest building here, but once a year it gets pretty," she said.

Spending time in the barn viewing the displays were local quilters Phyllis Panozzo, Melanie Scaife and Ann Martindale.

"It's smaller because of Covid," said Scaife, who has made quilts to be displayed at the annual show for the past 12 years.

Added Panozzo, "I was thrilled that they're doing this."

As always on the museum grounds, there were plenty of volunteers parading around in period costumes. A trio of Pasco High freshmen — Ashley Cvetanovic, Anna Ortega and Vivian Chandler — dressed in long dresses of days gone by.

"I like the skirt. It's very flowing," Cvetanovic said.

Invites you to join in the fun!
