Zephyrhills Winter Horseshoe League reaches midpoint of the 2019 season

By STEVE LEE

Betmar Acres defeated Ralph's Park 26-11 as the Zephyrhills Winter Horseshoe League reached the midpoint of the 2019 season. That allowed host Betmar to remain in a close race for first place.

Betmar, which finished third overall last season, is in a two-way tie with Morningside Estates, last year's league runner-up who last week beat Spanish Main 26-6. Betmar and Morningside are locked in second with eight points apiece. Front-running Hunters Run, the defending league champion, is atop the current standings with 10 points.

"It always is this way," Morningside's Tom Reynolds said. "We're in pretty good shape."

While Morningside and Betmar each have eight team points in what should be a close race to the finish, Morningside has a slight edge due to winning 109 games compared to Betmar's 87. Both teams trail Hunters Run's total of 129 victories.

"Morningside is a little better than we are, but we haven't played them yet," said Bert Packs, the league president and captain of Betmar.

Betmar and Morningside square off on Feb. 27 at Morningside with the winner having a legitimate shot at upending Hunters Run, which has captured five of the past six titles.

"It could determine the title," Packs said of that upcoming matchup.

As for last week's home win over Ralph's Park, Betmar got a nice contribution from newcomer Deb Thyng. She played years ago up in Maine with her husband Jim, but just came out last week to join Betmar.

"I love horseshoes and I'm retired," she said.

Apparently, Thyng made quite an impression on the opposition by contributing to the scoring in her Betmar debut.

"You'll definitely be a force to be reckoned with once you get your sea legs," Jannis Hunt, of Ralph's Park, told Thyng during a halftime break for coffee and donuts.

Enjoying a cup of coffee with his Betmar teammates was Don House, who has played for that team for 18 years but has been sidelined of late.

"I've got back problems, so I'm out today," he said.

John Long rolls Stewart soccer in 8-0 mercy ruling

The Longhorns have a promising season and conference title on their minds as they seem like the team to beat

By ANDY WARRENER
Sports Reporter

It did not take long last Thursday night at Zephyrhills High School for the visiting John Long Longhorns to show their prowess against the host Stewart Bulldogs. In the first few minutes, Hannah Fulop got the first shot on goal with a touch off a corner kick. The Longhorns possessed the ball well in the opening minutes.

Midfielder Carmen Phousirith showed her dexterity and ball skills early, driving the ball upfield and dishing off to teammates. Her shot on goal in the opening minutes sailed wide but soon after a series of rapid shots from the Longhorns saw Alyssa Roberts bury one for the first goal of the match.

The Longhorns are a loaded team. Nearly all of them play at the club level. Head coach Nick Schell is comfortable making frequent substitutions and the team has their eye on the conference title.

"Last season, we only lost one game, we are hoping to win the conference this year," Schell said. "With this team, it's all about getting them to gel together. Almost every player plays club but for different clubs. We have kids that play in Land O' Lakes, some in Wesley Chapel, even some in Tampa."

Three local wrestling teams compete in tournaments

Zephyrhills, Pasco and Zephyrhills Christian Academy get ready for the postseason

By STEVE LEE
Sports Reporter

Wrestling teams from Zephyrhills, Pasco and Zephyrhills Christian Academy had their final tune-ups last weekend before the postseason tournaments begin this weekend. First up for the public high schools is the Sunshine Athletic Conference tourney hosted Friday and Saturday by River Ridge in New Port Richey.

Last weekend, Zephyrhills and Pasco competed in dual meets while Zephyrhills Christian went to the prestigious Ippolito Memorial tourney at Brandon, named after the late Tony Ippolito who was Brandon's as well as Hillsborough County's first-ever state champion.

The Warriors, depleted by injuries did not fare well and finished 23rd with host Brandon claiming its 31st title in the 35-year history of the event. Like Brandon, runner-up Fort Lauderdale Cardinal Gibbons and Naples Barron Collier, have won state championships.

"It's just a strong tournament," said Zephyrhills Christian coach Mark DeAugustino, who formerly coached at Pasco and Land O' Lakes.

Robert Keldie, a junior, had the best finish for Zephyrhills Christian in a competition featuring some of the highest-ranked wrestlers in the state. Keldie, who took sixth in the 170-pound category

after being pinned by Manatee's Jackson Beyer, has a 24-10 overall record.

"I'm going to states this year," said Keldie, who came up short of that goal as a freshman and sophomore. "I throw pretty well and I'm working on my shot."

Javan Smith, a senior who went 4-2 at 132, Gage Flanagan, Caleb Gaskin and Elijah Austin also wrestled for Zephyrhills Christian. Noticeably absent was heavyweight Malik Jones, who placed third in last

year's state meet but missed the tourney to take college entrance exams; and Jonathan Casarez, who has been out injured but aims to be back for district, regional and state competitions.

DeAugustino, recently elected to the National Wrestling Hall of Fame, expects both back in time for the postseason run; especially Jones who has his sights set on a state championship. As for Casarez,

Learn how to sleep like a child again

Many adults lament that even if they were solid sleepers in their younger years, by the age of 50, their quality of sleep has unraveled. Some cling to the wisdom that people simply do not need as much sleep as they get older. Even though that is partly true, sufficient sleep is still a vital component of a healthy life.

The National Sleep Foundation recently updated its sleep recommendations per age group to include categories “may be appropriate” and “not recommended.” This includes a range of hours that may be adequate for certain

Adults can learn strategies to get more restorative and lengthy sleep.

Check your rear if you're 50 this year.

If you are 50, it is time to get a colonoscopy. This simple procedure is effective in preventing cancer or catching it early, when it is highly treatable. In fact, 9 out of 10 people beat colon cancer when it is detected early.

Don't put it off. Give yourself peace of mind and call for your appointment today.

adults. Adults between the ages of 26 and 65 are advised to get seven to nine hours of sleep per evening. However, six hours or 10 hours also may be acceptable. People over the age of 65 need roughly seven to eight hours of sleep each night, though between five and six hours also may be fine. Generally speaking, anything under five hours is not recommended based on data reviewed by sleep experts.

Many older adults do not get enough sleep due to insomnia, states Jack Gardner, MD, a neurologist certified in sleep medicine. They're concerned about health issues, may have sleep apnea, can experience pain or frequent urination, or may be taking medication that impedes sleep. Dr. Leila Kheirandish-Gozal, director of clinical sleep research at the University of Chicago, says that, over time, insufficient sleep can impact metabolism, mood, memory, and heart function.

Various strategies can help people get more sleep and enjoy better sleep quality.

- Create a luxury bed environment. Splurge on the largest mattress you can afford

and one that is comfortable for both parties (if married/coupled). A roomy bed routinely invites sleep. If you have a restless partner, try two separate beds pushed against each other.

- Consider white noise. The sounds of the house or outdoors may be keeping you up. Many people find that the gentle hum of a fan or a white-noise machine with a calming sound effect makes it easier for them to dose off than complete quiet. It can also block out extraneous noises.
- Keep electronics out of the bedroom. It can be challenging to disconnect from electronics, but it is essential to falling asleep. Even a back-lit text coming through in the wee hours can be enough illumination to disrupt sleep.
- See your doctor. If medications or illnesses are keeping you up, a change in regimen may provide the relief you need.

Older adults can learn the steps to sleeping more soundly and easily.

Grand Horizons celebrates the Italian way

By HELENE RUBENSTEIN

The monthly ladies lunch bunch was on Feb. 5. This month there were 18 women that attended the luncheon hosted by Robbie Lockard at Piccola's Italia Restaurant. I must say that this lunch was presented in a very nice fashion. The women met at our community center at 11 a.m. so they could discuss upcoming luncheons and also to insure that all women attending had a ride.

When we first arrived at the restaurant, which was under new ownership, we were shown to a table that would accommodate all

18 women. We picked out what we wanted to order from a very extensive menu that consisted of chicken parmesan, lasagna, calzones, pasta specials and more. Garlic bread, as much as you requested, was served in baskets to the table. The atmosphere was lovely and we had an enjoyable lunch. There was a slight mix-up but eventually cleared up and we still had a good time.

There is finally a youth soccer club in the Zephyrhills area, the Spirit of Zephyrhills FSC but the club is in its infancy. Thus, the Stewart girls were outmatched.

Just a few minutes after the first goal, Roberts connected with Lily Brooks, who went near post, to make it 2-0. Emily Erker made it 3-0 just a few minutes later, after following up a save that bounced off the hands of Stewart keeper Stephonna Sampson.

Sampson had a rough night but rallied on several plays to make stops. Eight goals against is never pretty but considering Sampson's 11 saves, there was a measure of redemption.

In the last 10 minutes of the first half, the Longhorns made it 4-0 when Lola Vargas found herself almost on the far post at the end of a long cross. Just minutes after that, Lilly Meyer made it 5-0 with a sizzling shot that she drove into the top 90 from about 12 yards out.

Sampson got aggressive and moved out to make a stop on driving Ashley Olds.

The Longhorns would strike again in the last five minutes of the half. Jordan Fulop blasted a shot from dead-center, from just outside the 18-yard box that went in just under the crossbar. Sampson would make another great save as Olds tried a high shot on her.

In the waning moments of the half, Karissa Sapp tried Sampson high again. Sampson got her hands on it but the shot was too strong and went through into goal.

Schell had already made several substitutions in the first half. In the second half, not a starter was left on the field. Still, it only took a few minutes for Lindsey Maronn to ice the game on an eight-yard shot from dead-center. At 8-0 the game was called due to the mercy rule.

"A game like this we like to use to work on fundamentals," Schell said. "The score isn't as important as working and improving skills."

With a couple of cancellations, the Longhorns are now just 2-0 on the season with a tilt against Pine View next on the slate. The Bulldogs remain winless so far and travel to Weightman next.

Join Keep Pasco Beautiful in this countywide effort, March 2

Take pride in your community and join Keep Pasco Beautiful for the Great American Cleanup March 2, 8 a.m.-12 p.m. Volunteers for this national event are needed throughout Pasco County to pick up litter and debris along roadways, waterways and public spaces. "We've added a coastal focus this year, targeting fishing line recovery," said Keep Pasco Beautiful Coordinator Kristen King. "Monofilament and other fishing line can remain in the environment for hundreds of years, posing a

deadly risk for wildlife." Pasco County has been part of the Great American Cleanup since 1992. In 2018 alone, 625 volunteers picked up 28 tons of trash throughout Pasco. This is a great opportunity for high school students to earn community service hours. Participants can join one of the existing teams located throughout Pasco County, or create their own group to focus on a specific area. Pasco Sheriff's Office Newsletter

Automobile burglaries continue to be one of the easiest preventable crimes, not only in our county but across the nation. Most auto burglaries involve unlocked doors, with items of value left inside. Crooks know the habits of people, and they look for the path of least resistance that can gain them money or valuables to steal.

While most people wouldn't consider leaving their homes or apartments unlocked, we see that all too often cars are left unlocked with purses, wallets, computers, cellphones, even guns inside, that are easy pickings for thieves.

With the advent of home security cameras, we often see videos of groups of individuals who will drive through neighborhoods, get dropped off by a vehicle, and then roam through the neighborhoods, testing the doors of cars and trucks parked in the driveway. These roaming bands of thieves will move from house to house, street to street, grabbing whatever they can from unlocked vehicles. No neighborhood is safe, not even gated communities, as sometimes the thieves know someone who will give them the code to enter.

It is important to realize that becoming the victim of an auto burglary may only be the first of your problems. If you did leave credit or debit cards inside the vehicle, thieves will quickly use those to make fraudulent purchases as quickly as possible, before you realize that they are gone and can cancel them with your banking institution. I don't have to inform you what

the danger of leaving a gun inside an unlocked vehicle can lead to in the hands of a criminal.

The Pasco Sheriff's Office continues to urge citizens to change their habits, always locking your vehicle doors no matter where you are. This includes at work, when you are running errands like at the store or gym, at school, and of course, at home.

Do not leave anything of value in plain sight in your vehicle, as even a locked door will not prevent a thief from breaking your window to get inside to steal it. If possible, it is always best to park your vehicle inside a locked garage.

If that isn't possible, a lighted driveway may deter some thieves. A security camera system may also help, but it is no guarantee, as we have seen many examples of thieves stealing from cars and trucks on security video.

We started a social media campaign a few years ago where we remind people every night to remember to lock their doors. Called the "9 PM Routine," if you follow us on Twitter or Facebook, you will receive that reminder as well. The campaign has been so successful, it has been copied by law enforcement agencies across the country and Canada.

I urge all Pasco citizens to try and change their habit of leaving their vehicle unlocked with valuable items in plain sight. I shouldn't have to remind you not to leave the keys in the vehicle as well, but unfortunately, many citizens still do, and are surprised when their cars are stolen.

If you work consciously enough to change a habit, it can eventually become a subconscious one, hopefully like that when you get into a vehicle you automatically buckle up for safety. If you start to work on forming a habit of when you get out of a vehicle, you take your keys and make sure all the doors are locked, it too can become a subconscious routine as well.

HOW TO WRITE A GOOD CLASSIFIED AD

Make the heading short - a short heading should have 2 to 4 words and will capture the reader's attention without clutter and confusion.

Start your ad with the merchandise you are selling - starting with the merchandise makes it easier for the reader to locate your item(s) for sale.

Always include the price of the item you are selling - 52% of classified readers do not respond to ads that do not include a price.

Make it easy for readers to understand - abbreviations and technical terms are sometimes difficult for readers to comprehend.

Place yourself in the reader's position - ask what you would like to know about the merchandise for sale. Include information such as brand names, colors and other specific descriptions.

Right: Players from Betmar and Ralph's Park took turns lining up their throws in last week's matchup at Betmar.

Right: Taking a coffee break during last week's matchup at Betmar were Don House, who pitches for the home team and has played for 18 years but is out injured with back issues, and Arnold LaPlante of Ralph's Park.

Left: Judy Dennis follows through on a throw during last week's matchup against Betmar. Dennis ranks among the top players for Ralph's Park. Betmar won the match 26-11 and is tied for second with Morningside Estates in the league standings. Ralph's Park is struggling near the bottom of the standings.

► HORSESHOES: From Page 1B

Joining House for a cup of coffee was Arnold LaPlante, a snowbird who has played for Ralph's Park since 2004 and also pitches horseshoes in upstate New York.

"I like it. It's good exercise," he said.

Returning to pitch horseshoes LaPlante was not overly thrilled with how his day was going, as is the case sometimes with the inconsistent nature of the sport.

"Right now I'm throwing like a 4-year-old just starting," he said.

Added teammate John Opp, a snowbird from Binghamton, N.Y., "We won all eight. Now we can't hit the post."

For her part, Hunt put the games in perspective, saying, "We're getting out butts kicked again, but we're having a good time at it."

That sentiment is shared by virtually everyone who plays in the league.

"I just enjoy playing and it keeps me active," said Mike Hooper, a Ralph's Park resident who has played horseshoes in the league for 11 seasons.

While some play more games than others during the weekly competitions, Packs noted that once Betmar got to 17 points that the remaining players got into the lineup.

"We have 12 players, but we get everybody in," he said. "If somebody wants to play you let them play if possible. We put all of our players in for the second half."

Rounding out the current standings behind Hunters Run, Morningside and Betmar are: Forest Lake RV and Spanish Main, tied with four points; Forest Lake Estates and American Condo, each with two points; and Ralph's Park, which has yet to earn a point.

Next week's matchups are as follows: Spanish Main at Hunters Run; Morningside at Betmar; Forest Lake Estates at Ralph's Park; and Forest Lake RV at American Condo. Games begin at 9:30 a.m.

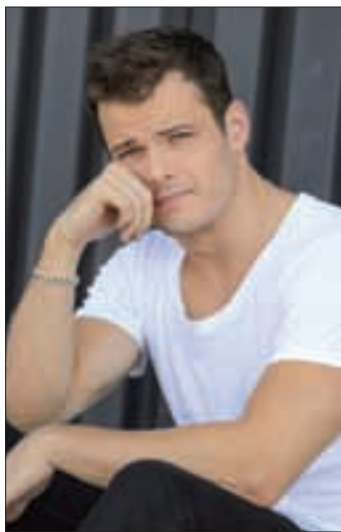

Above: Horseshoe players from both teams watch the action as Betmar cruised to a 26-11 win over Ralph's Park.

Community is encouraged to take part in free heart screenings and presentations

MEGA Heart Month

MEGA Heart Month at AdventHealth Zephyrhills, 7050 Gall Blvd., is in full swing and the community is encouraged to participate in the free screenings and cardiac related presentations that are offered.

On Feb. 19, the hospital will offer cholesterol/glucose screenings and leg and vein screenings from 8:30 a.m.-12:30 p.m. by appointment only in its cardiac rehabilitation department. To schedule an appointment, call (877) 534-3108.

Anyone can stop by the cardiac rehabilitation department during this timeframe for a blood pressure check, no appointment needed. Guests are asked to enter the hospital's main lobby and follow the signs to cardiac rehabilitation. Complimentary valet parking is provided.

Lifestyle Choices and the Effects On One's Heart, will be

the topic for a lunch and learn, Feb. 14, 12-1 p.m. in the hospital's Cypress Room with Paul Citrin, MD, FACS, board certified general surgeon and vascular surgeon.

No matter how you've lived your life, this will be a fun and engaging presentation. Dr. Citrin's program on this topic reached capacity in 2018 and is back by popular demand.

Jaime Caballero, MD, FACC, will discuss Heart Failure: You Don't Have to Face it Alone, Feb. 20, 12-1 p.m. at the East Pasco Seventh-day Adventist Church's Fellowship Hall.

Ramanath Rao, MD, FACC, will explain Venous Insufficiency, Feb. 26, 2-3 p.m. at AdventHealth Zephyrhills. Many individuals have veins in their legs that are not working properly which could cause problems with blood flowing to the heart. If not corrected, a heart attack or stroke could result.

Dr. Rao will cover the symptoms and treatments for venous disease.

Heart healthy lunches and snacks will be provided for all presentations. Those interested in attending an educational program should call (877) 534-3108. AdventHealth Zephyrhills will accept registrants up until the time the programs begin.

Finally, Imran Ismail, DO, will lead the Heartbeat Support Group Feb. 27, 3-4 p.m. at the AdventHealth Zephyrhills Wellness Center, 38233 Daughtery Rd. Bring your cardiac-related questions and Dr. Ismail will be happy to answer them during this open question and answer period. No reservations required.
