## The Pioneer Florida Museum and Village hosts one of its most family-friendly events of the year

By STEVE LEE  
News Reporter

There have been many traditions and annual events established at the Pioneer Florida Museum & Village since that historical site in Dade City opened in 1973. Some took place even before that when the museum was chartered by the state and was initially housed

at the Pasco County Fairgrounds.

Count the Jelly Bean Fling among the most popular events on the village grounds that encompass 6.5 acres, just north of the city's downtown area. The fun-filled family event featuring Easter eggs, chocolate bunny rabbits and such precedes Easter Sunday on April 17, which celebrates the resurrection of Jesus Christ.

Among the Jelly Bean Fling activities on Saturday, none brought more laughter and shrieks of excitement from children than the Easter egg hunts in a field at the bottom of a long hill. Hunts for various age groups took place throughout the morning and afternoon.

"Wouldn't miss it," said Joan Kerwin, who for

# Tartan Day, water conservation and a conditional use change highlighted council meeting

A Water Conservation Proclamation followed by decisions regarding the future of water usage in Zephyrhills were the topics of conversation at Monday's meeting

By ANDY WARRENER  
News Reporter

Leading off the meeting was a proclamation regarding a resource too often taken for granted but that is recently attracting a lot of attention. Mayor Gene Whitfield declared the Month of April Water Conservation Month. Staying on topic was the recognition of the Zephyrhills 2021 Plant Operations Excellence Award. The award was earned at the recent Focus on Change seminar series in Haines City for furthering the Florida Department of Environmental Protection's goal of ensuring safe drinking water for all people in Florida. Originally issued on March 16, Whitfield handed the award to Zephyrhills Utilities Department head John Bostic.

The third opening item for Whitfield was the Proclamation for Tartan Day. Whitfield proclaimed April 6 as Tartan Day in recognition of Scottish heritage and its impact on American history. April 6 is a significant date in Scottish history, as April 6, 1320 was the signing of the Declaration of Arbroath otherwise known as the Scottish Declaration of Independence. Former Mayor and Zephyrhills resident Cliff McDuffee was on hand to receive the proclamation.

In the Consent Agenda, four items were on the list. Item 2.1 asked for an amendment to the contract with the Nieman Electric Motor Company that provides a Tsurumi Pump, a chopper pump in the lift station that grinds up

## Tax collector offices will be collecting donations for April's Charity of the Month

Pasco County Tax Collector Mike Fasano's five offices will be collecting donations in April for the Special Olympics of Pasco County. Special Olympics is a sports and training program for people with intellectual disabilities. Year-round training and competition are provided in 17 different sports. Participation is at no-cost for athletes. The slogan "Where Champions are Made," sums up the purpose of this wonderful program.

"We are very excited to once again be selected as the Charity of the Month for April," said Joeyn Dearsman, senior manager/Pasco. "Mike Fasano and his team have been big supporters of Special Olympics of Pasco for many years and we are grateful for everything they do for our athletes. With the help from our community during this campaign, we will be able to provide athletic training, equipment and uniforms for our athletes. We work with dedicated volunteers to ensure our athletes have everything they need to continue to be successful on and off the field."

"Special Olympics of Pasco County provides incredible opportunities for individuals with a wide-range of disabilities to be a part of athletics that may not otherwise be available to them," said Fasano. "The Pasco County branch of this excellent program has a long history of success in not only the state of Florida but at the national level as well. The opportunities provided to people with intellectual challenges have proven to help enrich the lives of the athletes in a great way. I encourage anyone in our community who would like to support the Special Olympics of Pasco to stop by one of our offices and make a donation."

Cash donations can be made at any of the five tax collector locations in Pasco County. For more information about the charitable giving program at the Pasco Tax Collector's office, contact assistant tax collector Greg Giordano at (727) 847-8179 or visit [www.pascotaxes.com](http://www.pascotaxes.com). For more information about services provided by Special Olympics of Pasco, call Joeyn Dearsman, senior manager/Pasco at (727) 992-8850.

## Skydiver passes away after hard landing

On March 17 at 1:19 p.m., the Zephyrhills Police Department responded to a 9-1-1 call at Skydive City, 4241 Sky Dive Lane, Zephyrhills, in reference to a hard landing of a solo skydiver.

Pasco Fire Rescue also responded to the location and the skydiver, James Southam, a 33-year-old male from British Columbia, Canada, was transported with severe injuries as a

trauma alert to Lakeland Regional Health Medical Center; he was pronounced deceased at the hospital.

Zephyrhills Police Department Detectives and Crime Scene Investigator were on scene for further investigation; the investigation is ongoing.

debris. The pump is part of the city's lift station rehabilitation project. The amendment sought to change the line "Estimated Expense: \$30,000 +/- yearly" to "Estimated Expense: Approximately \$100,000 annually."

Item 2.2 nixed a recent piggyback agreement with other counties to purchase plumbing supplies from Ferguson Enterprises, Inc. In August of 2021, the city renewed a piggyback agreement between Ferguson and Volusia County for Plumbing Supplies. Item 2.2 would have removed that option for future renewals and include an approximate annual cost of \$300,000 for purchasing purposes.

Item 2.3 requested council's approval to piggyback on the new Tampa Expressway Authority (THEA) agreement with Infotect Design Solutions, Inc. for General Information Technology Services. The agreement (notice to proceed) with the Expressway Authority is for three years with two one-year extensions. The City of Zephyrhills has contracted with Infotect Design Solutions since 2000 on a variety of information technology services.

Item 2.4 asked for a change order for a reclaimed water pipeline extension with B.R.W. Contracting, Inc. The project began in the middle of the COVID slowdown. Manufacturers were, and still are, very limited to what they make and with the increased demand and low supply. This change order satisfies the increase in those costs. The original budgeted amount for this project was \$1,500,000 in FY2021 with a winning bid of \$959,145. The cost increase of \$240,913.80 is due to the dramatic increase in the price of materials. The new contract amount would be \$1,200,058.80. All four items were bundled together and passed 5-0.

In Business Items, two conditional use changes came before council. These were the same two items that garnered a great deal of discussion at the last session, when the items were merely informational. Now they were on their first readings and stepping closer to becoming "entitlements." Item 3.1 pertained to a conditional use change, allowing for a proposed four-story apartment building at the Nick Apartments generally located at 6655 Fort King Rd. The applicants are proposing construction of four-story buildings on 10.63 acres of real property. The current zoning of the subject property permits a density of up to 20 dwelling units per acre. The applicants are proposing around 144 units at a density of about 13.5 units per acre. The Land Development Code allows for mid-rise structures (between three and five stories, inclusive) to be considered as a conditional use. The Site Plan Review Committee recommended approval of the conditional use to exceed the height limitations of the R4 zoning district at its regular monthly meeting on Jan. 18. The Planning Commission recommended approval of

the conditional use to exceed the height limitations of the R4 zoning district, with the condition of a turn lane on Fort King Road among others, at its regular monthly meeting on Feb. 15.

Discussion on the dais revolved around the particulars. Local residents, some with letters signed from residents in their adjacent community, opposed the project generally, due to the increase in traffic and other safety concerns. It was made clear that the development in question was not seeking to increase the density of the project but rather to allow for four-story buildings instead of the originally designed two-story buildings. The proposed Conditional Use change saw an actual decrease in the density of the project from 168 units to 144 units. Current code allows for 20 units per acre. The project in question has a density of 13.5 units per acre. The question was not over increasing density but simply the height of the building.

Still, councilman Ken Burgess and Charlie Proctor dug their heels in on principle.

"We have all these projects in the pipeline and I'm opposed to the conditional use change until we figure this out," Burgess said.

Proctor echoed Burgess' sentiment. "We have serious issues we need to address and we have to start somewhere," Proctor said.

Concern over the precedent set by approving the Conditional Use was discussed and Zephyrhills City Attorney Matthew Maggard tempered them by stating that Item 3.1 was "project specific" and not necessarily binding for future Conditional Use change requests. Council members leaning toward approval also stated their case.

"If a project comes to us later with an increase in density, we can always say, 'no,'" Smith said.

Smith also noted the lack of affordable one-bedroom housing in Zephyrhills.

"With this new plan, we have lower density, landscape buffering," Wilkeson said.

The vote went 3-2 with council President Alan Knight's affirmative vote tipping the scale and passing the measure. Item 3.2 received a request from the developer for a continuance until April 25. That motion passed 5-0.

In Noted Items, Item 4.1 approved minutes from the March 7, Council/Planning Commission Workshop.

Item 4.2 issued a Mary Cypert Proclamation on the occasion of her 104th birthday and the many accomplishments of her life, including raising two children, 17 grandchildren, 15 great-grandchildren.

Item 4.3 was a contract between the FAA and the City of Zephyrhills to provide a re-configuration flight inspection of the PAPI on Rwy 01 at Zephyrhills Municipal Airport. This agreement provides funding for the FAA to establish these services at the rate of \$6,974.10.

OBITUARIES

**Patricia R. Hamel Quintal**  
 QUINTAL, Patricia R. Hamel, 91, of Zephyrhills, passed away March 20, 2022, surrounded by her family. Pat was born on Nov. 9, 1930 to Levi and Jennie (Levasseur) Hamel in Dover, N.H. She went to St. Charles Catholic School for eight years and graduated from Dover High School in 1948. In 1952, she married John Morgan, and they had four children. She worked as a stay-at-home mom until her children were all in school, and then worked at Frequency Devices, Western Electric, and retired from Raytheon in 1993. Pat enjoyed reading, crafts, going to the beach, and the mountains. She attended St. Joseph Catholic Church in Zephyrhills, and enjoyed crocheting baby outfits and blankets as a member of the church craft club. She was preceded in death by her former husband, John Morgan; second husband, Donald Quintal; daughter, Carol Morgan Mosher; her parents, Levi and Jennie; brother, Roland; and sisters, Jean Hamel and Gerta Hamel Price. Pat is survived by three children, Debra (and Francis) Parker of Exeter, N.H., Robin Morgan Dade of Summerville, S.C., and John (and Cynthia) Morgan of Haverhill, Mass. She has 11 grandchildren, and many great-grandchildren and great-great-grandchildren. Pat will be laid to rest at St. Charles Cemetery in Dover, N.H. at a later date.

an investor, and an avid gardener who freely shared his bountiful harvest. He will be sorely missed by his family, friends, and neighbors. A memorial service was March 28 at the 301 Chapel of Hodges Family Funeral Home in Dade City. Visitation began an hour prior to service time and burial followed at Chapel Hill Gardens Cemetery. Honorary Pall Bearers were Leslie Bissell, Elise Moryos, Lanita Rippere, Heather Ritchie, Betty Robinson and Pam Wattenbarger.

**Patricia Smith Carver**  
 CARVER, Patricia Smith, 85, of Dade City, passed away March 21, 2022, under the care of Gulfside Regional Hospice. She was born April 13, 1936, in Macon, Ga., to Ralph and Lavinia Smith. She grew up in Orlando. She graduated from Florida State University and worked as a school teacher. She was a longtime area resident of Dade City, a dedicated member of the First Baptist Church of Dade City and a 60-year member of the Dade City Garden Club. At the Garden Club Pat was active at both the District and State Garden Club levels where she chaired numerous committees and served on many judging panels, and had a special interest in their Environmental Advocacy Program and became a champion of local environmental issues. She is survived by her husband, of 64 years, Dr. George Carver; three children: Ed Carver and his wife, Robin, Marcia Piersall and her husband, Keith and Susan Carver; and her sister-in-law, Jean Smith. Pat was known as Grams to her four grandchildren: Isaac Piersall and his fiancée, Amanda Shavers, Chloe Cascio and her husband, Alex, Chris Carver and Alex Carver; and was also Aunt Pat to seven nieces and nephews. She was preceded in death by her parents, Ralph and Lavinia Smith; her brother, Bubba Smith and his wife, Margie and their son, Carl; and brother, Al Smith. Pat was

known for many wonderful things, including being an inspiring mentor, a generous and faithful friend, and warm and loving wife and mother. One of her favorite things was to have their driveway filled with the cars of her children and grandchildren. Cooking was a great passion of hers, for a family gathering or for a friend in need. She had a smile that lit up any room which even shined through her eyes despite mask requirements during Covid times. One thing that was certain, she would drop anything and everything to care for a friend or loved one. Her friends, family, and faith in God were always most important to her and guided her life. A Celebration of her Life was March 27 at the First Baptist Church of Dade City, and burial followed at Chapel Hill Gardens. The family received at the 301 Chapel of Hodges Family Funeral Home in Dade City. Flowers will be gratefully accepted or those who wish may make donations in her memory to the Dade City Garden Club.

**Veronica Suzette (Franklin) Dettman**  
 DETTMAN, Veronica Suzette (Franklin), 66, of Wesley Chapel, earned her wings and peacefully passed into the arms of the Lord on March 26, 2022, with her beloved family at her side. Veronica was born to Margie (Marge) Divers Franklin and the late George Flickwir Franklin, Jan. 22, 1956, in Martinsville, Virg. She spent her childhood in several states throughout the eastern U.S. including by the beautiful beaches on Florida's east coast. With her young family, she lived in Alabama, Connecticut and Kansas before settling in the Land O' Lakes area in the 80s. Veronica was awarded her GED, completed various college courses and earned her mortgage broker license which was the industry she worked in for the majority of her professional career. Veronica was an extraordinary human that was blessed with a wonderful sense of humor and a vivacious personality that lit up every room. She was always smiling and

would talk with anyone, becoming instant friends, and was always there to brighten the lives of others. She was a dedicated mother who adored and was immensely proud of her family, leaving them with hearts full of love and amazing memories of her infectious laughter and meaningful time spent together. Veronica was courageous and demonstrated an indomitable spirit showing her children how to persist in the face of adversity with fierce tenacity, strength, and independence. The beach was her happy place and she loved to bask in the warm sunshine. She enjoyed many cruises throughout the Caribbean, Hawaii, and Alaska. Veronica was also a huge dog lover always having a furry family member close throughout her life. Her loyal Goldendoodle, Cheyenne, was right by her side always, including in

her final days. She is survived by her loving husband, of 22 years, Dan Dettman; three children and their spouses: daughter, Jennifer (Rickis) Wrobel and husband, Chuck of Alpharetta, Ga.; son, Herb Dettman and wife, Amanda of Summit Lake, Wis., and Jesse Dettman and wife, Kathy of Falcon, Colorado. She is predeceased by her son, Jason Rickis, and her sister, Carolyn Mahoney. Veronica had several grandchildren that brought her so much joy: Tyler (20) and Maddie (18) Wrobel; Jaiden (17), Devin (14), and Jolene (5) Dettman; Jada (14) Beyers-Rickis; Tyler (20), Drayton (16), and Alisa (10) Dettman. She was loved by so many, including aunts, uncles, and cousins. To say that her family and friends will miss her immensely is an understatement. We will hold her in our hearts until we meet again, forever

missed but never forgotten. A Celebration of her beautiful life is planned for March 31, 3 p.m. at Land O' Lakes United Methodist Church. As part of our celebration, we invite attendees to wear Veronica's favorite color, purple, and welcome you to share your joint experiences of laughter and joy. The family will receive friends immediately following the service in the church reception area where light refreshments will be served. In lieu of flowers, donations may be made in memory of Veronica Dettman to the Advent-Health Wesley Chapel Foundation.

### WORSHIP WITH US AT Charity Baptist Church

**We welcome you to attend our weekly sermon series on...**  
**"Seven Words of Jesus Christ from the Cross"**  
**"EASTER – The Empty Tomb"**

Every year on Good Friday, Christians take time to meditate on the depth of Jesus' sacrifice for us in suffering a humiliating, bloody death by crucifixion. It's a time to dwell on what Jesus suffered for us, in all its pain and intensity, without rushing straight ahead to the good news of Easter, **resurrection**, and new life.

Come join our small, friendly congregation as we acknowledge the suffering sacrifice of our Savior Jesus Christ and give thanks for his steadfast love and faithfulness that led him to lay down his life for us as a ransom.

# SALOME'S STARS ★ ★ ★ ★

**ARIES** (March 21 to April 19) Avoid having someone else take credit for the project you started by finishing it yourself. Then it will be you lovely Lambs who will be wearing those well-deserved laurels.

**TAURUS** (April 20 to May 20) The facts about a new opportunity are still emerging. Wait until they're all out in the open, and then use your keen business sense to help make the right decision.

**GEMINI** (May 21 to June 20) You might feel confused, even hurt by a friend who suddenly puts distance between you. If she or he won't discuss it, don't push it. An explanation should come in time.

**CANCER** (June 21 to July 22) Your willingness to be part of the team opens doors that had been shut to you. Keep them open by keeping your promises even when your commitment seems to be wavering.

**LEO** (July 23 to August 22) Congratulations. You're really getting things done to purr-fection. And don't forget to take a catnap now and again to keep those energy levels up and bristling for action.

**VIRGO** (August 23 to September 22) Your "plain-talking" honesty is admirable. But sometimes sharp words can leave painful scars. Be careful that what you say doesn't come back to hurt you.

**LIBRA** (September 23 to October 22) A stress-filled period takes a positive turn as you deal with the underlying problem. Act now to avoid a recurrence by changing some basic

rules in your relationship.

**SCORPIO** (October 23 to November 21) Your rising energy levels make it easier for you to achieve some important objectives. This could lead to a big boost in how you're perceived, both at home and on the job.

**SAGITTARIUS** (November 22 to December 21) A changing picture begins to emerge as you learn more about an offer that seemed so right but could be so wrong. Look to a trusted adviser for guidance.

**CAPRICORN** (December 22 to January 19) Spiritual aspects are strong. Take time to reflect on the path you're on and where you hope it will lead you. It's also a good time to reach out to loved ones.

**AQUARIUS** (January 20 to February 18) You could be assuming far too many responsibilities, whether it's at work or in personal matters. Be careful that you're not weighed down by them.

**PISCES** (February 19 to March 20) You're getting closer to your goals. And since nothing succeeds like success (or the promise thereof), don't be surprised to find new supporters swimming alongside you.

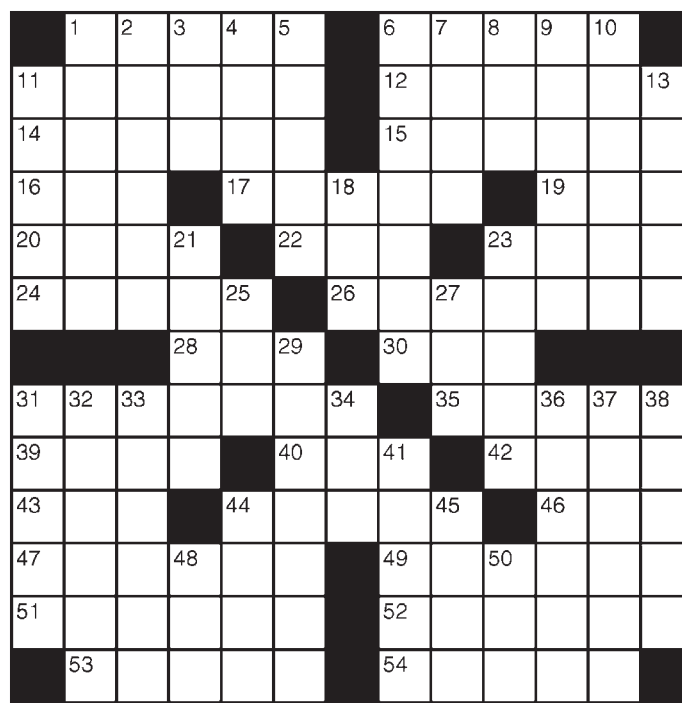

**BORN THIS WEEK:** You are always the first to try new ventures and confront new challenges. You inspire others with your courage to follow your bold example.

# MOMENTS IN TIME

## The History Channel

- On March 31, 1959, the Dalai Lama, fleeing the Chinese suppression of a national uprising in Tibet, crosses into India, where he is granted political asylum. With the beginning of the Cultural Revolution in China, suppression of Tibetan Buddhism escalated, and practice of the religion was banned and thousands of monasteries were destroyed.
- On April 1, 1963, the ABC television network airs the premiere episode of the daytime drama "General Hospital." The enduring soap opera would become the longest-running serial program produced in Hollywood.
- On April 2, 1863, responding to acute food shortages, hundreds of angry women riot in Richmond, Virginia, demanding that the government release emergency supplies, breaking windows and looting stores. Confederate President Jefferson Davis threw his pocket change at them from the top of a wagon.
- On April 3, 1776, the Continental Congress, lacking sufficient funds to build a strong navy, gives privateers permission to attack all British ships. Any goods captured by the privateer were divided between the ship's owner and the government.
- On April 4, 1973, the Twin Towers of the World Trade Center officially open in New York City. The buildings replaced the Empire State Building as the world's tallest building, though they would only hold that title for a year.
- On April 5, 1955, Sir Winston Leonard Spencer Churchill, the British leader who guided Great Britain and the Allies through the crisis of World War II, retires as prime minister of Great Britain. In the first year of his administration, Britain had stood alone against Nazi Germany.
- On April 6, 1776, the Continental Congress takes the first step toward American independence by announcing its decision to open all American ports to international trade with any part of the world that is not under British rule. It was the first act of independence by the Continental Congress.
- On April 7, 1961, President John F. Kennedy sends a letter to Congress recommending that the U.S. participate in an international campaign to preserve ancient temples and historic monuments in Egypt's Nile Valley threatened by construction of the Aswan High Dam.
- On April 8, 1989, California Angels rookie pitcher Jim Abbott, who was born without a right hand, makes his Major League Baseball debut in a 7-0 loss to the Seattle Mariners.

# STRANGE BUT TRUE

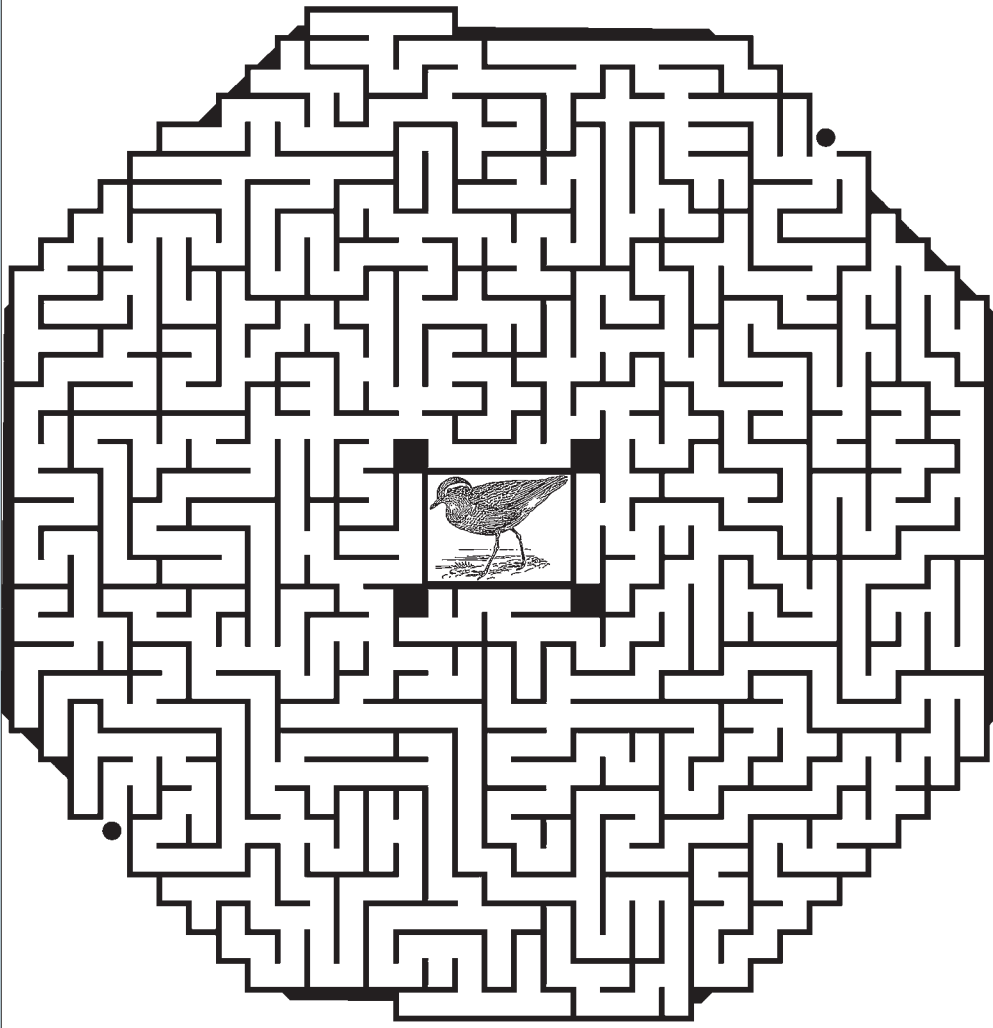

By Lucie Winborne

- Maurice Sendak's beloved kids' classic "Where the Wild Things Are" was originally titled "Where the Wild Horses Are." Why the change in title? Sendak realized he was unable to draw horses.
- Rapper Lil' Wayne originally went by the moniker "Shrimp Daddy."
- Not ones to marry in haste and repent at leisure, a Paraguayan couple set up housekeeping in 1933. After 80 years, eight children and 50 grandchildren, the 103-year-old groom finally said a formal "I do" to his 99-year-old bride.
- The prize money for winning the Monopoly World Championship is \$20,580 -- the same amount of money there is in the game's bank.
- Modern students who complain about the amount of homework they're issued might well wish they'd lived in the late 1800s and early 1900s, when doctors crusaded against it because they believed it was causing children to become wan, weak and nervous. In 1901, California even banned homework for anyone under the age of 15.
- Over a 24-year career, Roman charioteer Gaius Appuleius Diocles amassed an astonishing fortune worth 35,863,120 sesterces (an ancient Roman coin), or roughly \$15 billion in today's dollars, making him the highest-paid athlete of all time.
- In January 2021, the first commercial 3D-printed house in the U.S. went on sale for \$299,000.
- The term "rum bubber," which originated in the 16th century, referred to a thief who specialized in stealing silver tankards from inns and pubs.
- An actual "chill pill," which could even be made at home, was used in the late 1800s to remedy chills associated with a high fever.

Thought for the Day: "We should live, act, and say nothing to the injury of anyone. It is not only best as a matter of principle, but it is the path to peace and honor." -- Robert E. Lee

## What to know about dietary cleanses

Dietary trends come and go. A trend that's popular today could be gone tomorrow, leaving both advocates and adversaries in its wake.

Dietary cleanses, sometimes referred to as "detoxes," have emerged in recent years. Cleanses are purported to help individuals cleanse their body of toxins while also helping them to lose weight. Women are urged to speak with their physicians prior to beginning a new dietary regimen, including cleanses. Women curious about cleanses also can learn more about them prior to speaking with their physicians.

### What do cleanses entail?

The National Center for Complementary and Integrative Health notes that cleanses and detox diets may include one or any number of these approaches:

- Fasting
- Drinking only juices or eating only certain foods
- Supplementation
- Using herbs
- Using a sauna

Juice cleanses are one example of a cleanse or detox diet that has piqued the curiosity of many individuals in recent years. Juice cleanses differ, but many involve consuming only fruit or vegetable juices and water. Individuals engaged in juice cleanses may stick to that regimen for days or even weeks.

### What does the science say about cleanses?

The NCCIH indicates a need for more substantive research before the efficacy of cleanses and detox diets can be confirmed. The NCCIH notes that, thus far, studies have been too small

or too low-quality for scientists to say with certainty that cleanses and detox diets are safe and effective.

Women considering cleanses also should know that various companies selling cleansing and detox products have been accused by the Federal Trade Commission of making false claims about their products and/or producing products with potentially harmful ingredients. Such actions underscore how important it is that women discuss cleanses and detox diets with their physicians prior to beginning any new

dietary regimen. When speaking to a doctor about a cleanse or detox diet, women should be as specific as possible, noting which products they are considering. Doctors can examine the products to determine any risks associated with them. For example, the NCCIH notes that juices made from high-oxalate foods such as spinach and beets could increase risk for kidney disease if consumed in significant quantities. Doctors also may note that some cleanses and detox diets that limit calories may produce short-term weight loss, but that any pounds shed may only be regained when women return to their normal diets once the cleanse ends.

Women considering dietary cleanses or other detox diets should discuss them with a physician prior to beginning a regimen. Doctors may recommend more proven dietary strategies that can help women get healthier and stay that way over the long haul.

# Vietnam War Veterans Day in Zephyrhills

*Inaugural tribute to veterans from the Vietnam era takes place at the Zephyrhills Museum of Military History*

By STEVE LEE  
News Reporter

Unlike the traditional Veterans Day, a special recognition for those who served in Vietnam took place last Saturday on a local level. The Zephyrhills Museum of Military History paid tribute to those service men and women who served as part of a Vietnam War Veterans Day.

In all, the museum reported that 58,749 from the U.S. Armed Forces never returned from that war, which lasted from 1955-75 and divided the northern and southern parts of that country in southeast Asia.

Veterans Day is recognized annually on Nov. 11 while Vietnam Veterans Day is March 29. Cliff Moffett, the museum's president, said the Vietnam tribute will take place on the third Saturday of March from now on.

"This event is totally geared toward Vietnam," said Moffett, who served in the U.S. Navy, but not in Vietnam. "We've been trying to start this for the past few years, but we couldn't because of Covid. We'll be doing this annually."

On display at the museum's grounds were military vehicles, aircraft and various equipment utilized in that bygone era. There also were several reenactors and veterans from that era with music piped in from the 1960s to lend authenticity to the event, which was free to the public.

Zephyrhills residents Denny Milnes and Rachael Broche rode their Harley Davidson motorcycles to the event.

"I thought it was great," Milnes said. "They've got a lot of cool stuff displayed."

Among the items displayed were two round hats once worn by the Vietnamese. Rod Rehrig,

who served in the U.S. Marines and Air Force and sang the national anthem, brought back seven hats and gave two to Moffett for the museum.

"I was down to the last two, so I figured I'd better put them in a museum," said Rehrig, recalling how his late wife Carol used to wear the hats when she worked in her garden.

Also inside the museum was a display of a uniform worn by 1957 Zephyrhills High graduate Linden LaViano along with photos he took as a U.S. Marine First Lt. who flew 683 combat missions in Vietnam. LaViano, who Moffett said has been back for an event at the museum, currently resides in California.

Outside were several jeeps from the Vietnam time period as well as a 1968 OV-1 Mohawk airplane. One of the jeeps paid homage to Ronald Ozimek, who was killed in Vietnam in 1969 at the age of 19. The jeep was purchased by his uncle, Paul Hart, a member of the Military Vehicle Preservation Association.

"It's a neat museum," Hart said. "I might donate something to it. I've got a Vietnam mine-sweeper."

Among several Vietnam veterans who showed up on Saturday, two specifically said they were glad to witness such a stirring tribute to U.S. military personnel from that period.

"I think the country owes us that," said John Rodriguez, a Tampa Jefferson High graduate who served in Vietnam as a U.S. Marine in 1967-68. "We didn't get a ticker-tape welcome back."

Added Bob Dediego, a U.S. Army veteran who was in Vietnam in 1968-69, "I think it's a nice touch. You can't celebrate it enough."

Lindsay Orr, who restores military vehicles, and David Thomas, who owns a 1943 Army half-track that is often displayed at museum events, echoed those sentiments.

"It's about time they got the recognition," Orr said.

"That's why I'm here today," Thomas added.

Aside from a Vietnam room inside the museum, other areas are designated for the Korean War, D-Day, Pearl Harbor and others.

The annual white elephant sale was held in the clubhouse by the HOA for the residents. It was so much fun, just guessing what would be in each package that was being bid on. There were many surprises with lots of oohs and ahhs, wishing they had bid on that one.

# Season under way in Zephyrhills Little League

By STEVE LEE  
Sports Reporter

a longtime league administrator, leading the charge. On Saturday, she spent time assisting others on and off the field.

"Things are going pretty smooth," said Spivey, who in addition to being a past league president has served as a coach and umpire. "The new board is doing great. We've got some really hard workers."

Unlike some previous seasons in which a Tournament of Champions preceded all-star tournaments there will not be an in-house tourney this season. Spivey noted that all-star play will begin at the conclusion of the regular season.

In the interim, players, coaches and families simply will enjoy the games at the local ball fields off Chancey Road.

The baseball and softball fields at the Samuel W. Pasco Recreation Complex are filled with young ballplayers on most weeknights as well as on Saturdays. That signifies that the 2022 season for the Zephyrhills Little League is well under way.

A solid turnout of more than 350 ballplayers — representing a marked increase from about 175 last season — have helped to revive the league, which like most youth sports organizations was adversely affected by the coronavirus pandemic over the past two seasons.

A relatively new board also has made a difference with league president Jan Spivey,

Sam Elliott

**HOLLYWOOD** -- Hugh Bonneville of "Downton Abbey" and "Paddington 1-2-3" recently tweeted, "Until today I had no idea who provided the voice of @paddingtonbear in Ukraine. Speaking for myself, thank you President Zelensky!" That's right, the president of the Ukraine, Volodymyr Zelensky, is the voice of Paddington the bear in "Paddington 1 & 2." The Russians knew he was a comedian, but didn't know they were dealing with the brave and cunning Paddington!

James Wolk's agent recently called him to say he had bad news and good news. The bad news was NBC has canceled his series "Ordinary Joe." The good news was he's going to star in a film George Clooney is directing, "The Boys in the Boat." Wolk will be playing the coach of the University of Washington's rowing team, which won a gold medal at the 1936 Berlin Olympics. Joel Edgerton, Callum Turner, Jack Mulhern, Luke Slattery, Sam Strike, Courtney Henggeler, Thomas Elms and Tom Varey co-star. Wolk is best known for "Zoo" (2015-2017), two seasons of "Tell Me a Story" for CBS Access, and HBO's "Watchmen."

The ever docile and gentle Sam Elliott rarely speaks out about things. However, Sam, a veteran of 10 Western movies, 10 made for TV Western films, guest-starring roles on "Lancer" (1969-70), the classic "Gunsmoke" series (1972) and his series "The Yellow Rose" (22 episodes), was noticeably upset at how cowboys are portrayed in "The Power of the Dog."

Sam took aim with, "They made them look like those guys in New York wearing bow ties and not much else; That's what all those f\*\*king cowboys in that movie looked like. They're all running around in chaps and no shirts. What the f\*\*k does this woman (Jane Campion) -- a brilliant director, I love her work -- but what the f\*\*k does this woman from New Zealand know about the American West? And why shoot a movie in New Zealand and call it Montana, saying this is the way it was?"

I've known Sam Elliott for 50 years, and he's the gentlest, softest-spoken, kindest guy who rarely, if ever, would stand on a soap box. He's certainly not anti-gay, but when someone starts showing the West, where men were men, as we've been told, someone has to stand up for the macho cowboys of yesteryear, and Sam didn't even address the scene in which Benedict Cumberbatch pleased himself. Sam didn't know "The Power of the Dog" started shooting in January 2020, was shut down in March due to COVID, and thanks to its New Zealand location resumed in June and finished in July 2020. Hats off to the critic who referred to Cumberbatch's performance as a "stroke of genius!"

the past two years has taken her grandchildren, 12-year-old Haley Lowe and her brother Carson, 9, to the Jelly Bean Fling. "They always come back with baskets full of eggs."

The plastic eggs scooped up by boys and girls were turned in to the village's staff members and volunteers to be redeemed for goodie bags and game tickets at the Mabel Jordan Barn.

"They're so excited to get a prize from finding their eggs," said board member Melissa Sholler, who at one point handed two plastic mini-discs to the Hernandez sisters, Arianna and Aubriella, of Dade City.

Aside from the Easter Egg Hunt and young boys and girls lining up to get their pictures taken with the Easter Bunny, perhaps the loudest screams of joy came during the Sphere's Bubble Show on a grassy hill in between the gazebo and two-story John Overstreet House.

Bubbles from two huge wands dipped into a pool of solution, along with suds shot out of a cannon had youngsters scurrying for the bubbles while laughing to their heart's delight. The traveling show was started by Blaise Ryndes, who once starred on America's Got Talent.

Carrying a basket filled with eggs while strolling down the main walkway with his parents, Lasita and

Sam Knox, along with grandmother Misty Love, was 2-year-old Titus Knox. He squatted down to reach in and lift out an egg to show to anyone who passed by.

Lasita said the family from New Port Richey attended the Scarecrow Festival at the village last fall. They enjoy coming to the events with Lasita saying, "We'll probably go to the Christmas one next."

Some parents and children, attending an event at the village for the first time, did not have to travel far. Friends Lauren McKendree and Ashlee Lee, both of Dade City, brought their children; Ryan Lee, 11, Chloe Lee, 6, and 8-year-old Wade McKendree for some egg hunting.

"I forced (Lee) to come with me, because I didn't want to go by myself," McKendree said.

The pony rides were a popular destination for the Alvarez and Meadow families. Lakeland's Luis Alvarez walked alongside a pony with his 2-year-old daughter Arya. Grandmother Laura Hans, who brought the family to the Christmas event at the village, said, "I knew where to bring her and she loves it."

Lenata Meadows of Land O' Lakes said her 9-year-old son Michael and 11-year-old daughter Lilly also enjoyed the pony rides.

"It's a good idea," Lenata said of the Jelly Bean Fling, adding, "It's great to get out in the sunshine."
