Zephyrhills Little League caps 2022 Spring Season

There were just two teams in the girls minors softball division, thus, the summer All-Star team is comprised entirely of players from those teams.

A ceremony at Sam Pasco Park gave way to fun, games, dunk tanks and pies to the face

By ANDY WARRENER
Sports Reporter

Zephyrhills Little League has weathered some troubled waters. The 2020 season was hit hard by the Covid-19 Pandemic. The 2021 season went on, albeit with a number of restrictions and protocols. 2022, saw the first unencumbered season since 2019. The league was struggling both financially and with participation. "We had just \$3,000 to start this (2022) season," ZLL Board President Jan Spivey said. "We hit the streets, went door-to-door trying to get sponsorships."

If the gathered crowd on Sunday afternoon at Sam Pasco Park was any indication, Zephyrhills Little League is back. The parking lot, albeit shared with some adult leagues and soccer games, was absolutely packed, vehicles parking atop curbed areas next to dumpsters and adjacent woods. Dozens of teams, from youngest to oldest, were announced and given commemorative plaques. Also announced were the age division team winners and the summer All-Star teams.

The league is not totally out of the woods. There were some age divisions that had just one team. Yet, the spirit is back and participation is rising. There were nine tee-ball teams present on Sunday. Each of the teams present at the ceremony were able to procure sponsors. The Pink Pandas, a Zephyrhills News-sponsored girls softball team, was happy to have been able to complete a season in spite of recent challenges.

In-house gridiron battle for Bulldogs

Orange-Black scrimmage divides incoming Zephyrhills football team with Orange winning 21-14

By STEVE LEE
Sports Reporter

Zephyrhills, coming off a seventh play-off appearance in the past eight seasons, split into two squads in a high school football format that is played out every spring. Last Friday, Orange staved off a late scoring bid by Black for a 21-14 win in an in-house scrimmage at Bulldog Stadium.

Coach Nick Carroll, who is always at a crossroads to comment since there usually are only two weeks of spring practices to make assessments, said there were pros and cons. Following Friday night's exhibition, coaches planned to review film over the weekend and prepare for the May 19 spring game at Mitchell.

"We're going to go to Mitchell and make some noise," said Carroll, a former Zephyrhills standout who has coached at his alma mater for seven seasons.

With less than two minutes left in the scrimmage, linebacker L.J. Graham intercepted a pass thrown over the middle by Tristan Lennon and returned the football 46 yards for the go-ahead touchdown.

On the sidelines, 2022 graduate Theotis Smith, a former linebacker who used to play alongside Graham, cheered for his teammate.

State technology upgrades requires one weekend closure of Pasco Tax Collector's Office

Due to state scheduled technology upgrades in Tallahassee, all Pasco County Tax Collector Offices will be closed from 5 p.m. May 20 through 8:30 a.m. May 23. The two locations normally open on Saturdays in Pasco County are the Gulf Harbors office, 4720 U.S. Highway 19, New Port Richey, and the Wesley Chapel office, 4610 Pet Lane - C101, Lutz. Online services over the weekend will be impacted as well.

"We regret any inconvenience this state-level upgrade may cause during the weekend of May 20-23," said tax collector Mike Fasano. "However, we expect all services to be back online when we reopen on May 23 at 8:30 a.m. If you have date-sensitive transactions to perform I encourage you to come in to one of our five offices as soon as possible to complete them. Please do not wait until the last minute. Online services will not be available either. Since these services come out of Tallahassee there is nothing we can do at the local level to override this upgrade."

If you have any questions or need any additional information about the upgrade and/or office closure, contact the centralized call center at (727) 847-8032, (813) 235-6076 or (352) 521-4338.

Ramblewood Village residents stay local for lunch

By BARBARA TABOR

Ramblewood Village, chose to have the lunch bunch at The Fresh Country Cafe this month. They have a menu with a wide variety of choices including Greek, seafood, Cuban and even a veggie plate. All entrees come with two sides, desert and a drink. They also have a variety of burgers like fried green tomato, BLT burger or a bacon, egg and cheese burger. A popular salad is the pineapple,

mango chicken salad. They also serve Shepherds pie. Log on ahead of time and make your choices, there is a lot to choose from. They also have daily specials. The residents were seated quickly and with a smile. The food is attractive and delicious. Doors open at 11 a.m. but the wait is well worth it.

“For me, this was an incredible experience,” coach Brandon Pennington said. “I wish I would have taken over sooner but the progress these girls made from the beginning to the end of the season was incredible. I would definitely do it again.”

The team got their name, much by accident. They were originally going to be called the Pink Panthers but someone mis-heard it and started calling them the Pink Pandas. The name stuck and so did coach Pennington.

Another Zephyrhills News-sponsored team, the “Zephyrhills News,” left their team name just at that. The team drew an interesting challenge with head coach Johnny Albino being originally from Puerto Rico and not speaking much English. Fortunately, they had coach Cesar Irizarry to help translate.

“I feel proud of the job the kids did, even through English translation,” Albino said through Irizarry. “A lot of kids didn’t know the fundamentals of the game and we are proud to have taught them very well.”

Each little leaguer was issued a plaque with their likeness in the form of a bubble gum card encased and

affixed to the plaque. First-place teams in each division were announced and were given trophies. All Stars were announced and got medals draped around their necks. All Star games start June 18 in Dade City.

Winners of the home run derby were announced. Mackenzie Dean won the softball division. Grayson Dorman and Wyatt Jarot split the title in the baseball division.

Also acknowledged was Adult Volunteer of the Year - Brittany Dean and Teen Volunteer of the Year - Tatum Chase. Dean volunteered in concessions most Monday to Friday evenings and Saturday morning all season long.

“I love my kids, all of them,” Dean said. “At the end of the day, it’s all about the kids.”

Once all the hardware was handed out, the kids broke off for cotton candy, raffle prizes, and more. They got a chance to dunk their coaches in the dunk tank. There was a station setup to whipped-cream pie coaches in the face and while there were plenty of little leaguers ready to play, there was some difficulty finding coaches to setup on the receiving end.

Martha married the love of her life, Donald Charest, on May 6, 1961, recently celebrating their 61st wedding anniversary together. A graduate from Katharine Gibbs School in Providence, R.I., she also graduated from Fisher Junior College where she earned her Associates Degree. In 1994, Martha moved to Zephyrhills, with her husband Don to enjoy retirement in the sunshine and warmer weather. A loving wife, mother and grandmother, Martha was recognized for her smile, positive attitude, and focus on family. Not a conversation would go by in which she could not find a way to circle the conversation back on to family, primarily focusing on her grandkids and their many accomplishments. Often seen with a camera in her hand, Martha enjoyed traveling with family and friends. After returning from trips, she spent many hours cropping, printing and sharing her photos. For those of you that weren't lucky enough to go on the trip, her photos could recreate many of the highlights of the adventure. Martha was an avid golfer, bingo, card game enthusiast and life-long "craft-er." Among her many crafts, she enjoyed knitting, quilting, cross stitch, and many forms of greeting card making. Her hand-made cards have brought joy not only to family members and close friends, but also through donations of the cards to various organizations. Service members overseas were some of the recipients of her cards through Operation Write Home. Locally, Martha's cards were distributed through Meals on Wheels and Gulfside Hospice. Martha had a room in her house dedicated for her crafts, lights on at all hours of the night were a clear indication that she was creating another one of her thousands of cards, adorning each work of art with her signature stamp and American flag on the back. Services will be held at a later date. In lieu of flowers, we request donations to East Pasco Meals on Wheels in Martha Charest's honor.

Obituaries are available in The Zephyrhills News. Information is due Monday before noon in order to appear in the same week's publication. For pricing call the office at (813) 782-1558.

SALOME'S STARS ★★★★★

ARIES (March 21 to April 19) You might have to turn your Arian charm up a few degrees if you hope to persuade that persistent pessimist to see the possibilities in your project. Whatever you do, don't give up.

TAURUS (April 20 to May 20) A "tip" about a co-worker's "betrayal" might well raise the Bovine's rage levels. But before charging into a confrontation, let an unbiased colleague do some fact-checking.

GEMINI (May 21 to June 20) Although a relationship still seems to be moving too slowly to suit your expectations, it's best not to push it. Let it develop at its own pace. You'll soon get news about a workplace change.

CANCER (June 21 to July 22) A continually changing personal situation makes you feel as if you're riding an emotional roller coaster. But hold on tight; stability starts to set in early next week.

LEO (July 23 to August 22) Believe it or not, someone might dare to say "No!" to the Regal One's suggestion. But instead of being miffed, use this rebuff to recheck the proposition and, perhaps, make some changes.

VIRGO (August 23 to September 22) You might find it difficult to make a decision about a family matter. But delay can only lead to more problems. Seek out trusted counsel and then make that important decision.

LIBRA (September 23 to October 22) Concentrate your focus on what needs to be done, and avoid frittering away your energies on less-important pursuits. There'll be time later for fun and games.

SCORPIO (October 23 to November 21) Although the conflicts seem to be letting up, you still need to be wary of being drawn into workplace intrigues. Plan a special weekend event for family and/or friends.

SAGITTARIUS (November 22 to December 21) Your quick wit helps you work through an already difficult situation without creating more problems. Creative aspects begin to dominate by the week's end.

CAPRICORN (December 22 to January 19) Be patient. You'll soon receive news about a project that means so much to you. Meanwhile, you might want to reconsider a suggestion you previously turned down.

AQUARIUS (January 20 to February 18) There are still some aspects about that new job offer you need to resolve. In the meantime, another possibility seems promising. Be sure to check that out as well.

PISCES (February 19 to March 20) Opening up your emotional floodgates could leave you vulnerable to being hurt later on. Watch what you say, in order to avoid having your words come back to haunt you.

► ORANGE-BLACK SCRIMMAGE: From Page 1

Although it did not count, it marked Graham's first pick-six play since he did that as a sophomore in a regular-season game against Tarpon Springs.

With time left on the clock, Lennon attempted to spearhead one last scoring drive, scrambling three times for a total of 60 yards. But Maddox Rivera sacked Lennon and two plays later the clock ran out.

Afterward, referee Lee Mahon spoke to the players about several rule changes and apparent violations that were not called. He warned them that some of those infractions are likely to be called once the season starts.

While there were a few hard hits, including a couple of tough shots by 2 on Lennon, Carroll and other coaches spoke about those types of plays and consequences. Carroll also mentioned adding a few extra seconds on the clock for one final possession.

"About being competitive, I loved it," Carroll said.

Added assistant Jackson, "I like the competitiveness, but we can't afford penalties over stupid stuff."

Orange took a 14-0 lead early. Teddy Sands' interception set up Rivera's 19-yard touchdown run before J.J. McGovern's 16-yard scoring pass to D.J. Pickett.

Black got on the scoreboard just before the break with Lennon passing to Jakobe Campbell for a 75-yard touchdown and Fred Adams, a transfer from Zephyrhills Christian Academy, added a 15-yard scoring run.

McGovern, who primarily last year's junior varsity quarterback, is deadlocked in a competition with Lennon to replace Jaxson Rivera. Staying around to help work with the quarterbacks and kickers since he also kicked, Rivera started at quarterback for the previous two seasons.

Not unexpectedly, McGovern and Lennon had their shining moments as well as bouts of inconsistency. Each had an interception with picking off McGovern and returning an interception for the go-ahead touchdown.

"Last year was my first year playing quarterback so I had to get the feel for it," said McGovern, a former wide receiver in the Zephyrhills Police Athletic League. "I adapted to the environment."

Carroll is working with McGovern on his footwork and hip movement on passing. While Rivera has helped the quarterbacks as well he also is working with kicker Christian Clemens, his replacement at that position.

"He was kind of leaning the ball a little bit," Rivera said of Clemens, who at Rivera's suggestion leaned back more on his kicks that begin to go further in distance. "The kicking game's going to be in good hands."

By STEVE LEE
Sports Reporter

Unlike the orange-black game in which the Zephyrhills High coaching staff evaluates football players on their performances, another in-house scrimmage is more about fun and games. That would be the annual spring powder puff games pitting the seniors against the juniors. The seniors won last Friday's flag football scrimmage 16-0, giving that class two straight wins over the juniors. Madison Poe ran for a touchdown and Mikayla Cintron tossed a short pass to Aliyah Carrero for a two-point conversion that gave the seniors an 8-0 halftime lead. That scoring drive was set up by a Madison Driggers interception.

"It feels outrageous," Carrero said of scoring in the flag football game. Unlike most of the Zephyrhills players, Carrero played flag football at Tampa Bay Tech. That sport is sanctioned by the Florida High School Athletic Association in neighboring Hillsborough and Pinellas counties. In the waning minutes the senior doubled their total by adding another touchdown and two-point conversion. Annaleese Thomas pitched the football to Sarah Juergens, who completed a halfback pass to Driggers and Poe ran it in for two points to account for the final margin.

HOLLYWOOD

by Tony Rizzo

Timothee Chalamet in “Wonka”

HOLLYWOOD -- Timothee Chalamet plays the young Willy Wonka in the prequel to “Willie Wonka & the Chocolate Factory,” called “Wonka,” which will show how he became the chocolate king. Also starring Olivia Coleman, “Mr. Bean” star Rowan Atkinson and Keegan-Michael Key, it opens in December 2023. Chalamet has completed the American/Italian coming-of-age romance/horror film “Bones and All,” co-starring Chloe Sevigny and Mark Rylance.

“Downton Abbey: A New Era” includes a wedding, a funeral and the beautiful French countryside. Hugh Bonneville, Elizabeth McGovern, Michelle Dockery and, of course, Maggie Smith have returned for this sequel, opening May 20 in theaters and July 4 on Peacock.

“Wicked,” the hit Broadway musical prequel of “The Wizard of Oz,” is without a doubt the second most successful Broadway musical of the past 20 years. It’s grossed more than a billion dollars, second only to “The Lion King.” Universal Studios bankrolled the Broadway show with the proviso, of course, that it gets to make the film version. The long-awaited movie, now in pre-production, stars Ariana Grande as Glinda, the role played by Kristin Chenoweth, and Cynthia Erivo as Elphaba, the Wicked Witch of the West, played on Broadway by Idina Menzel. Now, here comes the twist. Universal, with dollar signs in their eyes and not satisfied with just its share of the billion-dollar bonanza from Broadway, must have looked at what Warners did with “Dune.” The original “Dune” opened in 1984 and was a modest success. The remake opened last September and grossed \$400 million. In order to make the new “Dune” more epic, they split it into two films, allegedly to tell the story better, thereby hooking diehard “Dune” fans for the second film. Ergo, Universal has decided the film version of “Wicked” needs to be two separate films.

Stephen Schwartz, who wrote “Wicked” for Broadway, is writing the music and lyrics for the film, while Winnie Holzman has written the screenplay. The studio explained, “It became impossible to wrestle the story of ‘Wicked’ into a single film without doing damage to Jon Chu’s adaption.” Chu, the director of “Wicked” (as well as “G.I. Joe Retaliation,” “Crazy Rich Asians” and “In the Heights”), explained, “As we tried to cut songs, to trim characters, those decisions began to feel like fatal compromises to the source material, and we decided to give ourselves a bigger canvas and make not just one ‘Wicked’ movie, but two.”

Isn’t it strange that the original production, which opened in 2003, has played to full houses for 19 years at 2 hours and 45 minutes? Part one will open Dec. 25, 2024, with part two due Dec. 25, 2025. Methinks Universal is just being “Wicked”-ly greedy!
