Sarah Vande Berg Tennis Center hosts promising star to help promote junior tennis program

BY STEVE LEE
Sports Reporter

Alycia Parks is a rising star on the women's professional tennis circuit. Last Saturday, she came to the Sarah Vande Berg Tennis and Wellness Center to meet aspiring juniors and provide a demonstration on the main clay court that serves as the facility's centerpiece.

Not long ago the 21-year-old, who took up the sport at the age of 7 while growing up in Atlanta, was in their shoes. Now, however, she is gradually moving up the

ladder on the international scene, ranked 135th in singles and 201st in doubles by the Women's Tennis Association.

Recently, the 6-foot-1 Parks played some of the top players in the world, including Ons Jabeur of Tunisia and China's Zheng Qinwen, during a European tour that included stops at Wimbledon, the French Open and Berlin Open to name a few.

While Parks is not overly thrilled with all the travel being on the top pro circuit entails, she did say how much she enjoys London, home to Wimbledon.

"I really like London," she said. "It's very open and the people are nice."

Pascal Collard, Saddlebrook's former tennis director who co-owns SVB in Zephyrhills, spent the past five weeks on that European tour coaching Parks.

Penny for Pasco up for renewal this November

The infrastructure surtax has provided hundreds of thousands of dollars for construction projects in the county

BY ANDY WARRENER
News Reporter

This November, voters in Pasco County will have an opportunity to renew Penny for Pasco, an infrastructure surtax that takes one cent of every dollar of tax revenue collected in the county and designates the funds for economic development, public safety vehicles and equipment, conservation of land and natural resources, transportation infrastructure improvements and enhancements for educational facilities. Penny for Pasco was approved by voters in 2004, then again in 2012. Between January of 2005 and Dec. 31, 2014, Penny for Pasco collected over \$320,000,000.

The results were clear. A resounding 70 percent of voters approved Penny for Pasco in 2012 with renewal until 2024. Proceeds have yet to be totaled but it's estimated that Penny for Pasco will generate more than \$700,000,000 in that time. Pasco County isn't the only county to put an initiative like this in place. There are 60 other counties in Florida that have similar surtaxes, including neighboring Hillsborough, Hernando and Polk.

"More than forty-five million dollars have been dedicated to projects that are creating jobs in Pasco County," Intergovernmental Affairs Officer Ralph Lair said. "Specific east projects on the east side include: Intersection improvements to Curley Road and Old St. Joe Road as well as State Road 54 and Morris Bridge Road, bicycle/pedestrian trails for the Withlacoochee Trail Extension and Clinton Avenue - phase 2 work - from Pasadena Drive to Fort King Road."

Local children donate to the Elks Feed The Kids Program

On May 21, Brooke Jordan, 6 years old and Connor Jordan, 9 years old set up a lemonade stand on North Avenue in front of their grandma and papa's house in Zephyrhills from 10:30 a.m. to 2 p.m. Their purpose for the stand was to raise money for Zephyrhills Elks Lodge Feed the Kids Program.

Their idea was inspired from a video on YouTube, a song called, The Duck Song, about a duck who goes to a lemonade stand. Connor said, "I wanted to do it because Jesus would have wanted me to. It made me feel good about myself."

"I do not want the kids to go hungry," Brooke added.

A joint family effort was made to sell the lemonade. Papa, Louis Jordan, helped the children make the lemonade stand out of wood, metal pipes, cardboard. Their mother, April Jordan gave the children decoration ideas and they decorated it themselves. Grandma, Stacey Jordan, and the children made the lemonade which they sold for \$1 a cup.

With the help of their father, Adam Jordan, they advertised the lemonade stand at their school and

their church. While sitting at the stand, they waved to people going by and showed them their signs.

"People were giving us more than what it costs," said Connor.

The largest donation they received from one person was \$20. In total, they raised \$140 for the program.

On June 6, Connor and Brooke, accompanied by their parents, presented their donation to the Zephyrhills Elks Lodge 2731 during their business meeting. Donna Moyer, program chair, introduced the children while Exalted Ruler, Jay Klammer accepted their donation and presented them both Elk pins.

Tax collector Mike Fasano sponsors donation drive for the Pasco School District's ABC Program

Tax Collector Mike Fasano's five offices will be collecting donations in July for the Pasco County School District's ABC (Assist, Believe & Care) Program. The program was created to provide financial assistance to students and their families who are experiencing economic hardship, especially when those needs interfere with the student's ability to be academically successful. The cash donated goes into a fund that teachers can use when they see or learn of a need a child may have. In past years this office has donated thousands of dollars to Pasco schools to support this important program.

"The impact of COVID and other challenges of uncertain economic times have brought challenges to

so many families," said Mike Fasano. "The strain can be enormous, especially when a parent loses a job, or a single parent is struggling to raise children while doing all they can to make ends meet. Children without food, adequate clothing or other unmet needs often suffer academically. The ABC Program was designed to help students and their families who are experiencing hardship or crisis. The assistance provided helps students get back on track and stay on track. During the month of July our five offices will be collecting donations to help children and their families during their time of need."

Cash donations can be made at any of the five tax collector locations in Pasco County. For more information about the Pasco Tax Collector's ABC Program campaign, as well as the charitable giving programs in general, contact assistant tax collector Greg Giordano at (727) 847-8179 or visit www.pascotaxes.com. Donations may also be mailed to the tax collector's office at the following address: Tax Collector Mike Fasano, P.O. Box 276, Dade City, FL 33526. Please note on your check's memo line "Pasco ABC Program."

Eagle Scout and JROTC member comes up with idea for metal box behind FOE Eagles Aerie Post 3752

By STEVE LEE
News Reporter

With numerous U.S. military veterans groups in Zephyrhills and its surrounding communities, not to mention the Zephyrhills Museum of Military History near the city's airport, patriotism reigns supreme.

Those honorable feelings, however, are not limited to older men and women who fought for the liberties and freedoms that prevail in our country today. James Laferriere exemplifies patriotism in a younger generation.

The 2022 Zephyrhills High graduate, who spent four years moving up through the ranks in that school's JROTC program, is a testament to local students spreading patriotism. He spearheaded the effort for a metal drop-off box for tattered flags or ones in disrepair.

Last week behind the Fraternal Order of Eagles Aerie 3752, where the new flag depository is located, members of that organization, the school and community joined Laferriere and other members of Boy Scout Troop 72 for a brief ceremony. Laferriere came up with the idea for his Eagle Scout project. It helped earn him a communications merit badge.

"This gives the community a spot to place their flags that need to be retired," said Laferriere, who was joined by fellow scouts Orlando Dixon and Aaron Johnson of the Zephyrhills-based troop.

The metal box, which is behind the lodge and next to the Pasco County Fire Station, is decorated with an American flag and symbols from the six U.S. military branches — Marines, Army, Navy, Air Force, Coast Guard and the Space Force. A Freedom Isn't Free photo also adorns the box as a tribute to fallen soldiers, veterans, POWs and the missing in action.

Doug Griswold, who is in his fourth term as president of the local Eagles Aerie, welcomed Laferriere and his idea for the drop-off box.

"I was honored that (Laferriere and his scout troop) approached us

and that we could get it done at the Eagles," Griswold said.

Laferriere appeared before city council members earlier this month, requesting funding for the project. Nearly all of the \$825 needed to complete the effort was okayed with council members reaching into their pockets to made additional donations.

"This project was under \$850 and city hall donated \$800," said Laferriere, admittedly grateful for such generosity. "I was only asking for \$600 and all of (the council members) pitched in, which was outstanding."

Laferriere also had solid backing from his family — dad Raymond, mom Anjanette and brother Marc, a 2017 Zephyrhills graduate. His brother also was a scout and for his Eagle Scout project he made a human sun dial at Crystal Springs Preserve, a 530-acre sanctuary on the southern outskirts of the city.

"I absolutely loved this idea, because every time we do a (flag) retirement people are dumbfounded that there's a process," said Laferriere's father. "Part of this is to bring those people to the ceremonies. It's sort of an awareness thing."

As a JROTC member with his last rank as a senior being a Command Sgt. Major, Laferriere has been part of flag retirement ceremonies at Oakside Cemetery, including one this past spring.

Rod Rehrig, past commandant of the Marine Corps League Detachment 1124 has been at numerous flag ceremonies, including an annual Flag Day event at the Zephyrhills Elks Lodge 2731. He is encouraged by JROTC members and local students' involvement, commending Laferriere for his project.

Laferriere, a scout for the past seven years in the chapter that meets at Shepard's Park, is likely done with JROTC and scouting. He plans to attend Florida Polytechnic University in Lakeland and major in mechanical engineering.

OBITUARIES

Lloyd and Sandra Konyha

Lloyd and Sandra (Sandy) Konyha of Zephyrhills, entered their Savior's presence, separated for only 11 days, after nearly 65 years of marriage. Lloyd and Sandy met after agreeing to a blind date. They were married 11 months later on Sept. 7, 1957, in Crosswell, MI., and were inseparable sweethearts who sincerely loved and served God and each other.

Lloyd, age 89, was born on Jan. 15, 1933, in Memphis, MI., to Anton and Florence (Boadway) Konyha and took his last earthly breath on June 14, 2022. Sandy, age 84, was born on June 30, 1937, in Port Huron, MI., to Carson and Ethel (McPherson) Kinde and took her last earthly breath on June 3, 2022. They are healed of their infirmities and enjoying eternal life together in heaven.

Lloyd served his country for two years in the U.S. Army, graduated from Michigan State with a doctorate in veterinary medicine (1960), and later obtained a master of science from The Ohio State University (1967). After three years working as assistant veterinarian to Dr. "Arnie" Hentschl in an animal practice, Lloyd began his government career. Starting as a sectional Veterinary Medical Officer and culminating as Regional Director, each new position involved a promotion and relocation, offering him and Sandy the adventure of living in nine different states. Lloyd achieved Senior Executive Service, the highest rank possible in civilian service, due to his intellect, work ethic, attention to detail, and love of animals. While with the Department of Agriculture, Lloyd received awards honoring his superior service, including the Presidential Rank Award of Meritorious Executive from then President Bush. His last assignment in Tampa, enabled him and Sandy to be near, enjoy time with, and care for their elderly parents.

Sandy attended Port Huron Junior College and earned an associate's degree (1957). She was happy when Lloyd began government work since he was seldom home while assisting Dr. Hentschl. She fully supported him through his rising career and many moves, believing there was a special reason why they lived in every place. God provided for them in many ways, including helping them find each new church and residential home. Sandy worked part-time for Sears, allowing her to be available before and after school for their three children. After retiring, she found interest in ceramics, creating and gifting many beautiful pieces. She loved decorating for the seasons, her absolute favorite being Christmas.

Both Lloyd and Sandy modeled and exemplified the importance of faith and family. They served wholeheartedly in a wide range of ministries reaching a variety of ages (Youth for Christ, Boys' Brigade, Pioneer Girls, adult and children's Sunday school, Awana). In later years, Sandy made weekly visits to nursing home residents, and Lloyd enjoyed volunteering with The Gideons International. They prioritized and loved their family, providing countless opportunities for recreation and fellowship together throughout the years. Their family loved them and is grateful for their positive influence, persistent prayers, and unwavering support. During their final years, Lloyd and Sandy received compassionate and loving assistance from Home Instead caregivers, who feel like family. They are survived by their daughter, Raelyn (Joe) Mitchell of Zephyrhills; son, Kevin (Sharon) Konyha of Ash Grove, MO.; daughter, Vicki (Paul) Gard of Brownsburg, IN.; brother, Dr. Marvin (Jan) Konyha of Boyertown, PA.; sister, Lula (Ben) Bennett of Goodells, MI.; and many precious grand, great, and great-great grandchildren, nieces, and nephews. A Time of Remembrance will be held at Alliance Church of Zephyrhills, 6251 Fort King Rd., Zephyrhills, FL., 33542 on July 30 at 11 a.m. A short visitation will take place from 10:30 a.m. until the time of the service. Attendees are also invited to a reception afterward. In lieu of flowers, donations may be made in memory of Lloyd and Sandy to The Gideons International, East Pasco Camp, P.O. Box 1105, Zephyrhills, FL. 33539.

SALOME'S STARS

★★★★

ARIES (March 21 to April 19) You clever Ewes and Rams love nothing more than to rise to a challenge. So, by all means, if you feel sure about your facts, step right up and defend your side of the issue.

TAURUS (April 20 to May 20) You've done some great work recently. Now it's time to reward yourself with something wonderful, perhaps a day at a spa or a night out with someone very special.

GEMINI (May 21 to June 20) You love to talk, but don't forget to make time to do a little more listening, otherwise you could miss out on an important message someone might be trying to send you.

CANCER (June 21 to July 22) Your aspect indicates some uncertainty about one of your goals. Use this period of shifting attitudes to reassess what you really want and what you're ready to do to get it.

LEO (July 23 to August 22) Your social life is picking up, and you'll soon be mingling with old friends and making new ones. But 'twixt the fun times, stay on top of changing workplace conditions.

VIRGO (August 23 September 22) A trusted friend offers understanding as you vent some long-pent-up feelings. Now, move on from there and start making the changes you've put off all this time.

LIBRA (September 23 to October 22) You might well feel uneasy as you face a difficult situation involving someone close to you. But you know you're doing the right thing, so stick with your decision.

SCORPIO (October 23 to November 21) You're a good friend to others. Now is the time to allow them to be good friends to you. Rely on their trusted advice to help you get through an uncertain period.

SAGITTARIUS (November 22 to December 21) Family and friends are always important, but especially so at this time. Despite your hectic workplace schedule, make a real effort to include them in your life.

CAPRICORN (December 22 to January 19) That project you've been working on is almost ready for presentation. But you still need some information from a colleague before you can consider it done.

AQUARIUS (January 20 to February 18) Don't let those negative attitudes that have sprung up around you drain your energies. Shrug them off, and move ahead with the confidence that you can get the job done.

PISCES (February 19 to March 20) Aspects favor some dedicated fun time for the hardworking Piscean. A nice, refreshing plunge into the social swim can recharge your physical and emotional batteries.

BORN THIS WEEK: You love to travel and be with people. You probably would be happy as a social director on a cruise ship.

► PENNY FOR PASCO: From Page 1

Funding is divided into three categories. Forty-five percent is designated for public schools, 45 percent goes to the Pasco County Commission and 10 percent can be used for infrastructure in Pasco County cities. The county commission both selects proposals and generates their own initiatives for projects that Penny for Pasco funds can be used for. The current Penny for Pasco is alive at least until 2024 and commissioners have a list of projects they are pursuing but many have already been completed using the funds.

“The Penny has built and renovated

schools, built roads and made major intersection improvements for transportation, new ambulances, fire trucks, sheriff deputy patrol cars, and defibrillators have been purchased,” Chairman of the Pasco Citizens Committee Michael Cox said. “Several thousand acres have been purchased and placed into conservation status forever. Pasco County has made enhancements in its parks and recreation. Additionally, thousands of jobs are being created because of the Penny.”

Now it’s up to Pasco County residents again. Renewing Penny for Pasco is a decision voters in Pasco county will get to decide on this November. A renewal this time around would keep the “Penny” in place until 2039.

All AdventHealth hospitals in Pasco County achieve top ratings for quality for care

AdventHealth Dade City achieves its first CMS 4-star rating; AdventHealth Wesley Chapel and AdventHealth Zephyrhills maintain CMS 5-star rating.

The Centers for Medicare & Medicaid Services (CMS) recognized all AdventHealth hospital locations in the greater Pasco County Area for providing the highest quality care to patients in its latest release of CMS hospital quality scores. Since joining the AdventHealth network in 2018, AdventHealth Dade City experienced a significant advancement, rising to a CMS 4-star rated facility in just four years.

Additionally, AdventHealth Wesley Chapel and AdventHealth Zephyrhills both maintained a CMS 5-star rating for overall hospital quality and patient safety. The CMS ratings are a federal resource to assist the public in choosing the best hospitals for care.

“Our ‘patient-centered’ approach has allowed us to become one of the safest health care destinations in the United States,” said Amanda Maggard, President and CEO of AdventHealth Dade City and AdventHealth Zephyrhills. “This prestigious recognition is an indicator that the robust strategies our care teams have implemented are effective and will ensure the best possible outcomes. We are so proud of this accomplishment.”

Hospital leaders implemented a series of

best practices to build a clinical infrastructure focused on safe and effective care to reach the top designations. According to CMS, more than 4,500 hospitals were evaluated nationwide. The rating system is based on safety of care, readmission, patient experience, timeliness of care and mortality.

AdventHealth is committed to clinical

excellence and providing the safest facilities for patients to receive care when they need it most. In addition to achieving the top scores from CMS, AdventHealth Dade City, AdventHealth Wesley Chapel and AdventHealth Dade City also achieved ‘A’ grades in patient safety from the prestigious Leapfrog group.

By BARBARA TABOR

Ramblewood Village residents are very helpful people. When they are not assisting their neighbors or planning HOA activities, they volunteer in the local area. Residents give of their time and resources from the heart and do not expect the thanks they deserve.

Several residents volunteer at the Neighborhood Care Center. Once a year they go door to door to pick up donated items for the center. Each month residents bring donations to the clubhouse. The center accepts donations of food, cleaning supplies, clothing, etc. The only things they do not accept are mattresses and electronics. Everything they receive is given to the less fortunate.

The only time they sell things is once a year when they have their yard sale, where items sold were donated for that purpose. The money is used to buy items needed to supplement their donations.

Residents volunteer at the AdventHealth Zephyrhills. Volunteers work in the gift shop and the emergency room. Volunteers are available to sit with or talk to people who are waiting to find out the diagnosis of their relatives or friends.

Volunteers at the Straz Center pass out programs and show patrons to their seats. A resident helps at the Lions Club with their eye glass project. They also volunteer at their local churches by teaching classes, singing in the choir, assisting the pastors, visiting the sick, acting as greeters and planning social activities.

Happy Fourth

Commemorating the signing of the Declaration of Independence on July 4, 1776 is known as the Fourth of July... the birth of the United States of America as an independent nation. But let us not forget the Americans' quest for freedom went way beyond that act. Americans have been celebrating this joyous occasion for years, and, like Christmas, sometimes the true meaning gets lost in all the hoopla.

The fireworks, parades, any red, white, and blue gear you can get your hands on, and cookouts represent a good time for families and communities, but let us remember Independence Day means more than sparklers, just as Christmas means more than gifts under the tree.

The Fourth of July represents efforts to earn and keep freedom. As we remember the sacrifices that went into attaining this freedom, let's check out these little, known facts about the holiday and America itself that you can share as a fun Independence Day trivia at your upcoming holiday BBQ:

- ★ Thomas Jefferson was the main author of the Declaration of Independence.
- ★ John Hancock was the first person to sign the Declaration of Independence.
- ★ Independence Day should have been celebrated on July 2, 1776.
- ★ The 'Pennsylvania Evening Post' was the first newspaper to print the Declaration.
- ★ An estimated 2.5 million people lived in the nation in July 1776.
- ★ The three presidents who signed the Declaration of Independence all died on July 4th.

Invites you to join in the fun!

★ The Liberty Bell rings 13 times every Independence Day to honor the 13 original states.

★ While both are important to U.S. history with totally different meanings, The Declaration of Independence and the Constitution were both signed in Philadelphia.

★ The very first 4th of July fireworks show took place in Philadelphia in 1777.

★ George Washington gave the United States Soldiers a special treat on the 4th of July in 1776 by allowing them a double ration of rum.

★ There are 33 places in the U.S. with the word "liberty" in their names.

★ Calvin Coolidge was the only president born on the 4th of July.

★ It didn't become a federal holiday until 1870.

★ Thomas Jefferson believed that a new Constitution should be written every 19 years.

PSO urges citizens to practice safety in flooded areas

After a storm, some may want to drive somewhere or start the clean-up process quickly. PSO would like to remind citizens be cautious when doing so. Flooded areas can have hidden dangers, such as downed power lines, debris or wildlife lurking inside.

Here are steps you can take to protect yourself:

Never drive through flooded roads. The flooding may be deeper than you think, and a small amount of water can float a car.

Give emergency personnel ample time to clear roadways of debris before driving, unless absolutely necessary.

Be mindful of any curfews in place, and follow them to stay safe.

When clearing your own property, be mindful of debris and power lines, and remember to give yourself ample time for breaks while working.

Be sure to evaluate your damage carefully and know when to contact authorities for assistance.

“When I saw her for the first time I felt she definitely can be the next one,” said Collard, who formerly ran tennis academies in Europe and has coached several professionals during his tenure at Saddlebrook. “She’s 21 and she should be No. 1 in the world soon.” Parks, who began playing tennis at the age of 7, worked out briefly with trainer and hitting partner Jerel Pleasant during the event. She also took part in giveaways and met with junior players, most of whom were there to compete in a 14-and-under junior tournament. “She gives back. She’s not selfish,” Collard said. Parks, who this summer is moving from Port St. Lucie to Zephyrhills to train at SVB, said she enjoyed meeting people, especially the youngsters. “It felt like family,” she said. “Everyone is loving and caring and you don’t get that everywhere.” Parks’ appearance undoubtedly benefits the local facility and its programs. Wesley Chapel’s Felipe Ramirez was one of many parents to bring their children to the event. His son, who plays junior tennis at the facility, recently

won a tournament in West Palm Beach. “It’s a dream come true because I always wanted him to play here,” Ramirez said, adding that Parks’ appearance helps young players “dream big.” Sorrentino said Parks’ presence “Puts (the center off Simons Road) on more of an international stage. It brings different attention to the community and to see her doing well is a bonus.” Parks and Collard will work together more often since she will be based in Zephyrhills. Parks made her WTA Tour main-draw debut at the 2021 MUSC Health Open in Charleston. She made it through qualifying as an alternate, losing to top seed Jabeur in the second round. “It’s a journey, so there’s always going to be ups and downs,” she said, noting that it is imperative to maintain a positive outlook as she tries to ascend the ladder in the international rankings with the aspiration of being the top player in the world.

Additionally, there was a demonstration of disabled veterans playing pickle ball. Steven Harper, founder and director of Military Adaptive Court Sports, arranged for that part of Saturday’s event. He teaches disabled veterans tennis and other sports from a wheelchair, even though he is not disabled.

Left: Parks and Collard are shown with Nico Ramirez and Andy Sorrentino, co-owner of the tennis center.
