Bulldogs chomp Gators 46-14 in preseason classic

The Zephyrhills High football team runs onto the field at Bulldog Stadium for the first time in 2019. Following a preseason win over the Gators, the Bulldogs hit the road for this Friday's regular-season opener at Wiregrass Ranch. **STEVE LEE**

Zephyrhills' new quarterback T.J. Jackson fuels explosive offense with four touchdowns

The day of the first preseason game is not a good time to have your starting quarterback withdraw from school. Nonetheless, that's what happened to the Zephyrhills High football team when Nick Novo did just that last Friday.

No problem. In stepped T.J. Jackson, who did not even play quarterback on last year's junior

varsity team, to save the day. All the opportunistic sophomore did was win the job by combining for 189 yards on offense with four touchdowns to lead the host Bulldogs to a 46-14 win over Land O' Lakes.

"We told T.J. to seize the opportunity tonight and he did a good job," Zephyrhills coach Nick Carroll said.

Jackson, a slot receiver-safety last season, gained 148 yards on 10 carries and ran for three touchdowns. He also had 41 passing yards including a 22-yard scoring pass to Mike Barber. Late in the game, last year's JV quarterback Raleigh Allen gained 7 yards on two carries. The JV squads took the field for the fourth quarter as the game reverted to a running clock for the entire second half.

Special teams, miscues doom Wesley Chapel in statement game for the Warriors

BY ANDY WARRENER
Sports Reporter

With cancellations of preseason games spreading like floodwaters, the Wesley Chapel Wildcats managed to squeeze in their matchup with Class 2A powerhouse Zephyrhills Christian Academy between deluges. It meant there would be a mushy field and a wet football. Both plagued the Wildcats and it did not take long.

After stuffing ZCA on their opening possession, the Wildcats were victims of a high snap that sailed over punter Fletcher Martin's head and handed the Warriors the football just 20 yards away from the end zone. The Wildcat defense answered the bell and after a ZCA personal foul penalty, the Warriors found themselves punting the ball back to the Wildcats.

The special teams bug bit. On the punt, the ball went short and bounced off a Wildcat return man and into the arms of Andrew Felder.

The Wesley Chapel defense had to come right back out onto the field and defend from their own 24-yard line. It took just two plays for ZCA quarterback Caleb Gaskin to find Nicholas Whittington, racing into blown coverage for a touchdown. The Wildcats answered, gaining two first downs on completions from Owen Libby to Dennis Deocampo and Nehemiah Morgan but the drive sputtered at the ZCA 35-yard line and on a fourth-and-two. Dade City takes two of three from Wiregrass

Lions rally for junior varsity win to avoid a sweep in Pasco Athletic League season's third week

BY STEVE LEE
Sports Reporter

Dade City already had two shutouts — 20-0 and 51-0 in the mighty mites and flyweight divisions, respectively — during last Saturday's Pasco Athletic League youth football games with Wiregrass trying to win the junior varsity game to avoid a sweep.

The Lions, comprised of players from Zephyrhills and Wesley Chapel who practice and play their home games at the Samuel W. Pasco Recreation Complex, rallied for an 18-12 comeback win. Wiregrass, whose first two weeks of the season consisted of forfeit wins because the other teams did not have enough players, improved to 3-0.

"Obviously it was tough," said Wiregrass director Luis Severino, who also coaches in the league. "That was a good game."

Dade City took an early 6-0 lead in the JV game on a Nicolas Torres 83-yard fumble return, but Javier Lopez returned an interception 68 yards for a touchdown and E.J. Williams added a two-point conversion to give the Lions an 8-6 lead at halftime.

Wiregrass extended the lead to 16-6 on Ryan Burke's 10-yard run, which came two plays after he tackled the punter on the 12-yard line. Lopez ran in the two-point conversion. The Lions added a late safety when Lopez tackled quarterback Janiron Jenkins in the end zone.

fourth quarter by going for it on a fourth-and-8 play. Lopez caught a 31-yard pass from Elysia Brady and though Wiregrass did not get another first down after that the defense took over.

"I was going to punt it, but I let (assistant coach March Dortch, who plays for Zephyrhills High) go for it. We like to live dangerously," Wiregrass coach

Joe Burke said.

In the first game of the day, the Dade City mighty mites posted a 20-0 win. Kamari Williams ran for two touchdowns and Amerh Norris scored on another run. The outcome would have been even greater, but

Reduce the risk for sports eye injuries

Encouraging children to play sports can be good for their minds and bodies. However, players risk injury anytime they engage in sports play, and the eyes are among athletes' most vulnerable body parts.

The American Family Physician says sports cause more than 40,000 eye injuries each year, though 90 percent or more of them can be prevented. A 2018 study in the journal Pediatrics found that basketball caused almost 16 percent of eye injuries in children between 1990 and 2012. The next activities to cause the highest amounts of eye injuries included baseball/softball and nonpowder gun use, such as airsoft rifles and pellet guns.

The American Academy of Ophthalmology advises that the single-best way to protect the eyes during activities is through the use of protective eyewear. Regular glasses alone are not effective. The AAO indicates that protective eyewear should feature a type of lens

made of a shatterproof plastic known as polycarbonate lenses. This eyewear should be utilized during basketball, racquet sports, soccer, and field hockey. Polycarbonate lenses are impact-resistant and are the thinnest and lightest lenses available. Look for products that meet standards set forth by the American Society of Testing Materials.

Some sports may require more extensive gear, such as a face mask. It can still be advisable to wear eye protectors under the face mask. The AFP says this is particularly true for "one-eyed athletes," or those who have less than 20/40 vision in one eye, even when corrective lenses are used.

The National Eye Institute says that, currently, most youth sports leagues do not require the use of eye protection. In order to safeguard young athletes, parents and coaches can insist that children wear safety glasses or goggles during games, even if the league

doesn't mandate it.

An eye doctor can examine children's eyes and make recommendations for prescription or non-prescription eye protection

to be used during sports play. Learn more about eye health at www.aao.org

were hit with a false start penalty and forced to punt.

ZCA running back Tyler Davis was getting bottled up early in the game, but his time was coming.

"I just had to get in my comfort zone and do my thing," Davis said. "Once we build up our confidence, no one can beat us."

The confidence was built as, on the second play, Davis burst through the middle of the defense and ran free through the secondary. Only a hustle effort from Jon'tavius Anderson running the play down from the other side of the field, prevented a touchdown. However, just five plays later, the Warriors were in the end zone again, on a 15-yard slant to Whittington. The extra point missed and it was 13-0 with eight minutes left in the first half.

On the ensuing kickoff, the special team bug punched the Wildcats in the mouth. ZCA had been playing their kickoffs short and this one glanced off a Wildcat return man as Cole Johnson jumped on it for the recovery. Wildcat defense back out on the field again. Wesley Chapel defense forced a punt and the offense got the ball moving. A huge completion from Libby to Anderson got the Wildcats out of the shadow of their own goal posts and a 12-yard completion, again to Anderson, set them up in field goal range.

Cue the special teams bug. Martin's field goal try was blocked by Matthew Mobley and the Wildcats seemed to think the play was dead. ZCA's Johnson did not. He scooped up the loose ball and took it 85 yards to the house to hang a three-touchdown lead (19-0 after the failed two-point conversion) on the Wildcats heading into halftime.

"I just attacked the football and took off," Johnson said.

The second half saw both teams shuffle

different players in and out to get them looks. ZCA shuffled in quarterback Elijah Brown and the Wildcats shuffled in Tyler Helms at quarterback. Davis still got his reps but the Warriors added in dashes of Felder and Johnny Casarez, while the Wildcats supplemented Quay Jones' carries with carries from Tyler Stinson, Brenden Maddox and Isaiah Cole.

The Wildcats just could not escape the slippery ball, field and special teams miscues. After their first drive of the second half stalled, Drew Sarvis blocked the ensuing punt, setting up the Warriors with just 28 yards to go in order to reach the end zone for the fourth time in the game. They converted a fourth-and-five with a run by Johnson and then a 16-yard completion to Davis made it 25-0 with just over four minutes left in the third quarter.

Davis was about to make his grand exit. On the Wildcats' next possession, Davis leapt into the air on an errant throw and made the first interception of the game, snuffing out what was developing into a promising drive.

Finally, the special teams bug bit the Warriors instead of the Wildcats. A muffed snap on ZCA's next punt attempt saw Nick Sheldon jump on the ball for the recovery. A five-yard completion to Anderson got the Wildcats on the board, 25-7 with most of the fourth quarter left to play. The Warriors shifted to ground-and-pound mode, trying to bleed out the clock and were successful over two drives before fumbling it away but with less than two minutes left in the game. The Wildcats couldn't capitalize on the late turnover and the 25-7 score held.

"This win puts us up there, we're 5-0 against public schools in the county now," Johnson said.

It was a preseason game but the Warriors can certainly be proud of their effort and result.

"This is a great group of kids that plays together as a team," head coach Mike Smith said. "For us to play up in classification like this really puts us on the map."

Above: Sunshine Athletic rivals Land O' Lakes and Zephyrhills battled all night long at the line of scrimmage. Obviously, the Bulldogs got the upper hand in cruising to a decisive preseason victory at Bulldog Stadium.

Right: Coach Nick Carroll discusses defensive techniques with safety Marc Dortch, who had an interception against the Gators.

Below: The Zephyrhills offensive unit takes their places at the line of scrimmage.

BULLDOGS: From Page 1B

Zephyrhills' offense clicked from the outset, evident by three touchdowns on its first seven plays from scrimmage for a 21-0 lead. Jackson had a 76-yard touchdown run on the Bulldogs' second play, Tre Gallimore ran for a 41-yard score on the fifth play and on the seventh Zyre Roundtree ran into the end zone from 7 yards out.

In all, the Bulldogs outgained the Gators 320-177 yards, although Land O' Lakes did have a 100-41 edge in the passing game with each team scoring a touchdown through the air.

"We showed them we could score some points, just like last year," said Chris Barrick, who takes over as Zephyrhills' offensive coordinator this year.

The Gators capitalized on a miscue by the Bulldogs punt team in the second quarter. Barber, running downfield on coverage, had the football bounce off the back of his helmet and it was recovered by Hunter Sullivan. That allowed Land O' Lakes to keep possession and they scored on the next play, a 21-yard run by Eziah Williams to cut the deficit to 21-7.

Zephyrhills then scored four straight touchdowns on two short runs by Jackson, Jackson's pass to Barber and Marc Dortch's

25-yard interception return.

On Jackson's scoring pass to Barber, who was wide open down the left sideline, Carroll urged Jackson to take a short drop in the pocket and get rid of the ball quickly.

"It was perfect," said Barber, who ran under the football for an easy touchdown reception.

In the third quarter with the backups in, the Gators' A.J. Smith hauled in a 40-yard scoring pass from Braeden Malone to account for the final margin.

After the game the coaches gathered the Zephyrhills players in the north end zone to put Friday night's results in proper perspective.

"Not a bad showing, but at the end of the day we're going into Wiregrass 0-0," Carroll said. "It's not going to get any easier. I liked the effort. We've got to build on that."

On a lighter note, Carroll also took a moment after the game to bring his mother, Phyllis, onto the field and the team sang happy birthday to her.

The first game of the regular season is Friday night at Wiregrass Ranch and it should give the Bulldogs a key indicator of what might be to come this season. The Bulldogs seek their sixth consecutive playoff berth while the Bulls aim to make it four postseason appearances in a row.

the Pirates had five touchdowns called back on penalties. "It was a muddy game and it was hard to hold onto the ball, but they found a way to win," Dade City offensive coordinator Brian Chadwick said.

Defensive standouts for Dade City were Manny Servindelamaro, Dezmen Owen and Kamari Hunter.

The Pirates improved to 3-0 and were even more dominant in the flyweight win, which was hardly surprising since they are the defending PAL Super Bowl champions at that level.

Leading the way for Dade City in the flyweight game was Jaivien Howell, who had three scoring runs. Adding touchdown runs were Ryan Lee, Kaivon Williams, Eli Evans and Ire'on Parker. Sergio Velasquez ran for one scored and had a touchdown pass to Antonio Norman.

Afterward, coach Charles Williams spoke of his team's dominance on the gridiron, noting that Wiregrass had a "small team," making it easier to run against.

"We tried our best not to run up the score," coach Williams said.

Among the Pirates' defensive standouts were Evans, an outside linebacker, and Howell, a defensive end who stripped the Wiregrass quarterback and ran the ball into the end zone for the only defensive touchdown of the game.

"We haven't been challenged yet," Dade City defensive coordinator Joe Howell said. "We need to be pushed."

Added coach Williams, "We let them enjoy the win, but we take it one game at a time."
