The Spirit of Zephyrhills, a spinoff from the Florida Soccer Club of Temple Terrace, has begun the 2020-21 season by setting up a series of scrimmages against other teams in the Tampa Bay area. Those exhibitions are preparing three competitive teams for the start of the season in mid-October.

"We're getting the boys fit for the season," said Gary Blissett, director of the Zephyrhills-based program that is about to begin its third season.

The local youth teams play at the Samuel W. Pasco Recreation Complex. The Spirit has gone from a recreational program at Charles B. Krusen Memorial Field in 2018 and 2019 to competitive teams this season at the fields off Chancey Road.

Before the Spirit started up, thereby reviving youth soccer in Zephyrhills, the closest organizations for recreational or competitive teams were in Dade City and Wesley Chapel, respectively.

The Zephyrhills boys teams compete at three levels — under-9, under-10 and under-12. Entering its third season the program lists 78 players. Blissett said a recreational program will begin play in the spring.

"We need kids coming out to Sam Pasco and being active," said Blissett, who played professionally in the English Premier League before coaching professional and youth soccer teams in Europe for 20 years.

On a recent Tuesday evening at Sam Pasco, two Spirit squads squared off with teams from other cities. The U-9 group took on Brandon while the U-10 matchup featured Zephyrhills against Plant City.

The local teams included sons of some fairly memorable high school soccer players back in the day. The Montelongo brothers, Joe and Gabriel, played at Pasco and Wesley Chapel, respectively.

Joe Montelongo played on the two best Pasco teams in school history, as did Roberto Cervantes and Ramon Rodriguez. That trio was part of Pasco's state semifinalist team in 2006 and that school's

## Middle school sports start up

*Football and volleyball players  
report for tryouts this week  
with safety protocols in place*

By STEVE LEE  
Sports Reporter

It's been a while since middle school athletes in Pasco County were allowed to play sports, but after the coronavirus pandemic wiped out the track and field season in the spring, boys and girls from the sixth through eighth grades are allowed to once again take part in athletics.

Tryouts are being held at middle school campuses this week for football and volleyball. Locally, that means young student-athletes returned to the fields and gyms at Stewart, Centennial, Pasco, Weightman, John Long and Cypress Creek.

"It's been a long time," said Lisa Herndon, Pasco Middle athletic director. "We had to cancel track season. We had tryouts, but we had to stop."

Last spring, following the completion of boys basketball and girls soccer seasons, track and field athletes had one week of tryouts before spring break. During that time the state mandated that schools would be shut down for the remaining of the academic year.

Schools have since reopened. At the high school level, seasons for football, cross country, swimming, golf and volleyball have been pushed back. Plus, there have been restrictions during tryouts and pre-season practices to allow for various safety guidelines.

Middle school is in the same situation with schedules, practices and tryouts pushed back by a few weeks. Volleyball season begins on Sept. 21 with

## Bulldog volleyball drops season opener 0-3 but...

*The Bulldogs were swept by the visiting Cypress  
Creek Coyotes, but they showed signs of promise  
not seen in some time with girls volleyball*

By ANDY WARRENER  
Sports Reporter

It's not easy to find a silver lining in a straight-set loss, but the Tuesday night game against Cypress Creek had more than its fair share of silver lining. First of all, Mahri Lewis is a big-time player. She has the whole skill set, a strong jump serve, she can hit at the net, she can block. Lewis had six kills on the night and smacked a wicked jump serve that sliced away shallow right for a point that cut the Coyote lead to two in the third set.

Mercedes Krueger looks like team captain material. She doesn't have the raw power of Lewis but can hit dangerous shots from just about anywhere on the floor. She is a clear team leader, vocal and encouraging. The Bulldogs had a better spirit on Tuesday than has been exhibited in a volleyball match in a long time.

Maya Llanes is a solid blocker. Whether alone or in a tandem, she served up three big blocks that went for Bulldog points.

"We have some solid players this year," Bulldog head coach Joe Galyan said. "We struggle with our passing and our serves." Galyan could not be more right. Service errors plagued the Bulldogs. Service errors handed the Coyotes the set point in both the first and final sets, the final set after a 4-0 Bulldog run.

Meanwhile Cypress Creek's serves were steady. The Coyotes were more steady overall. Jordynne Baker and Leah Vrabec both had solid nights, putting down kill shots and serving steadily.

The first set went 25-16 to Cypress Creek. A pair of blocks by Bulldog tandems kept them in it, early. They found themselves down 11-5 but after a timeout, battled back to 13-8 on a touch shot by Llanes. A kill from Lewis made it 14-10 but the Coyotes would answer with a 6-3 and push it out of reach.

The second set saw the Bulldogs take an early lead on the

## Did you know?

Though all vegetables contain vitamins, minerals and fiber that can serve as the foundations of a healthy diet, perhaps no veggie packs as nutritious a punch as spinach. Spinach is an excellent source of calcium and iron and is also loaded with antioxidants, which are substances that can prevent or slow down cell damage.

According to Medical News Today, a single cup of raw spinach can provide adults with their full daily requirement for vitamin K, which plays a major role in blood clotting and can be used to prevent and treat weak bones.

That same cup of spinach also contains high amounts of vitamin A, a powerful antioxidant that can positively affect brain function and various organs, including the skin, heart, kidneys, and lungs. And that same cup doesn't stop there, as it also provides significant amounts of vitamin C, magnesium and folate.

A 2015 study from researchers in Canada found that spinach also may help to lower blood pressure and promote heart health.

# Zephyrhills native returns from seven-month deployment aboard record-breaking aircraft carrier

By **JESSE HAWTHORNE**  
*Mass Communication Specialist 1st Class Navy  
 Office of Community Outreach*

A 2013 Zephyrhills High School graduate and Zephyrhills, native returned home Aug. 9, marking the end of a seven-month deployment aboard USS Dwight D. Eisenhower (CVN 69). Since departing its home port of Norfolk, Va., in January 2020 for the ship's Composite Training Unit Exercise (COMPTUEX), the aircraft carrier remained underway and deployed to the Arabian Sea, Red Sea, Mediterranean Sea and Atlantic Ocean.

Petty Officer 2nd Class Desiree Moon is an aviation support equipmentman aboard the carrier. As an aviation support equipmentman, Moon is responsible for being a mechanic on all equipment that supports aircraft functionality and safety.

"My favorite part of my job is the feeling of accomplishment when aircraft launch and recover safely," said Moon.

As the COVID-19 pandemic spread across the globe, USS Eisenhower continued to conduct operations underway, minimizing the potential spread of the virus aboard in order to maintain maritime stability and security and ensure access, deter aggression and defend U.S., allied and partner interests.

USS Eisenhower, along with the USS San Jacinto (CG 56), one of the other ships within Carrier Strike Group (CSG) 10, remained continuously at sea with no port visits, setting a new record for the U.S. Navy, breaking the previous record of 160 days set in 2002 by USS Theodore Roosevelt (CVN 71).

"I'm so proud of the young men and women I see on the deck plates each and every day," said Capt. Kyle Higgins, Ike's commanding officer. "Their dedication to the mission is what makes our Navy the greatest fighting force the

world has ever seen."

Sailors assigned to Eisenhower and San Jacinto transited to the equator and participated in a unique crossing the line ceremony, becoming the Navy's first 'Iron Shellbacks,' with more than 100 days at sea May 14. Ike petitioned Naval History and Heritage Command to commemorate this feat in conjunction with crossing the equator as a new title: 'Iron Shellback.'

"My proudest accomplishment is becoming a work center supervisor and dropping our work load to zero," said Moon.

USS Eisenhower participated in multiple exercises with allies and partners and dual-carrier operations. The ships within CSG-10 also completed multiple strait and choke point transits, to include the Strait of Gibraltar, the Suez Canal and the Bab-el Mandeb Strait, while operating under two Combatant Commanders – U.S. European Command (EUCOM), and U.S. Central Command (CENTCOM).

"I support the mission by maintaining the quality of the gear used to fix aircraft," said Moon.

Serving in the Navy is a continuing tradition of military service for Moon, who has military ties with family members who have previously served. Moon is honored to carry on the family tradition.

"My grandfather was in the Navy and retired as a chief boatswain's mate," said Moon. "Also, my oldest sister and brother are currently serving in the Army."

As a member of the U.S. Navy, Moon, as well as other sailors, know they are a part of a service tradition providing unforgettable experiences through leadership development, world affairs and humanitarian assistance. Their efforts will have a lasting effect around the globe and for generations of sailors who will follow.

"I wanted to make something of myself, and make my family and country proud of me," added Moon.

# Tax collector's offices accepting donations of new shoes and socks for Pasco School students

The Pasco County Tax Collector's Office is once again participating in the new shoes and socks collection campaign to assist local students and families in need. A collaborative effort between Pasco County government and the school district, the Two Good Soles campaign, which is in its fifth year, is seeking to collect as many new pairs of shoes and socks as possible. The tax collector's offices in Pasco County will be collection sites for these donations between now and Oct. 23, the final day of the campaign.

"It is heartbreaking to know that children come to school without socks or shoes in good repair," said Pasco Tax Collector Mike Fasano. "I am pleased that our office is once again part of this county-wide effort to collect as many pairs of footwear as possible. I encourage everyone who is able to please stop by one of our offices and leave a donation. Every item will go to a student in need who attends a school in Pasco County."

The need for shoes is primarily at the middle and high school level, although shoes for elementary school students will also be

welcomed. While the tax collector's office will accept donations of shoes and socks that are new and unused, the school district reports that the sizes most in need are children's shoes 9 and up, adult shoes of all sizes and socks of any size. It is recommended that sneakers, shoes and socks be of a neutral color, but all donations of new items will be accepted. No flip-flops or open-toes shoes, please.

If you are interested in making a donation please visit one of the following offices in Pasco County and leave your donation in the labeled collection box near the door: New Port Richey, 8731 Citizens Dr., Room 120, New Port Richey; Gulf Harbors, 4720 U.S. HWY. 19, New Port Richey; Land O' Lakes, 4111 Land O'Lakes Blvd., Land O'Lakes; Wesley Chapel, 4610 Pet Lane, C 101, Lutz; and Dade City, 14236 6th St., Room 100, Dade City.

For more information about the Two Good Soles shoe and sock drive, or any other service provided by the tax collector's office, contact Greg Giordano, assistant tax collector for communications and special projects at (727) 847-8179.

# Pasco County Supervisor of Elections announces additional early voting sites

Brian E. Corley, Supervisor of Elections, announces the addition of new early voting sites in anticipation of increased voter turnout and the inevitable potential for long lines and wait times due to social distancing and CDC-recommended cleaning guidelines. The early voting period is Oct. 19-31, 7 a.m.-7 p.m. including weekends. A longer voting period and a total of 14 locations marks a new high for Pasco County.

"In partnership with Pasco County administration, we have secured additional sites to include Veterans Memorial Park Gymnasium, J. Ben Harrill Recreation Complex Gymnasium, Land O' Lakes Recreation Complex Gymnasium and Wiregrass Ranch Sports Campus," said Corley. "The response from Dan Biles, county

administrator, was without hesitation and completely in the spirit of being on the same team."

The addition of county sports complexes and gymnasiums will give Pasco voters more options for casting their ballot in-person, and in terms of size will accommodate more voters while still social distancing. The Land O' Lakes Recreation Complex Gymnasium will replace the Land O' Lakes Library, a well-attended early voting site which is located right next door to the recreation complex.

For a list of all early voting locations, addresses and wait times go to [www.PascoVotes.gov](http://www.PascoVotes.gov). Voters must present a photo and signature ID when early voting or vote a provisional ballot.

region finalist squad in 2007. In 2006, the Pirates lost to Middleburg in the Class 4A state semifinals and in 2007 they lost to in the 4A region finals to St. Augustine Nease.

Now, however, they are watching their sons play competitively in what they hope will become a strong Zephyrhills-based program for east Pasco youth soccer players.

"It's kind of cool," Rodriguez said of sharing the experience of playing competitively years ago and now getting to watch his son, 7-year-old Darey, give his best effort at becoming a competitive player after spending a year in the Dade City program at the recreational level.

Cervantes recalled playing competitive soccer in Dade City during his elementary and middle school days. That experience, he noted, fostered teamwork and led to improved skills as the group moved up to the high school level.

"That's what helped us back in the day," he said of playing competitively. "We're trying to get it back and give these kids the opportunity."

"It's good to see them coming up and try to play the game that we did," said Joe Montelongo, who watched his sons Carlos and Damian play in the exhibition.

The former east Pasco standouts from their high school days spoke of how much they enjoyed being teammates and how much fun it is to watch their sons growing up as teammates.

"All the kids, they know each other out here," Rodriguez said. "I feel like I'm watching (his son Darey) begin."

Gabriel Montelongo envisions a bright future for the young players, including his son Julian.

"If they all stick together, in about five years they're going to be good," he said.

Not all of the former high school standouts watch their kids play in Zephyrhills. Cesar Herrera and Cervantes also coach for the Spirit.

TO ADVERTISE YOUR LEGAL AND CLASSIFIED ADS IN THE ZEPHYRHILLS NEWS, CALL 782-1558

## HOW TO WRITE A GOOD CLASSIFIED AD

Make the heading short - a short heading should have 2 to 4 words and will capture the reader's attention without clutter and confusion.

Start your ad with the merchandise you are selling - starting with the merchandise makes it easier for the reader to locate your item(s) for sale.

Always include the price of the item you are selling - 52% of classified readers do not respond to ads that do not include a price. Make it easy for readers to understand - abbreviations and technical terms are sometimes difficult for readers to comprehend.

Place yourself in the reader's position - ask what you would like to know about the merchandise for sale. Include information such as brand names, colors and other specific descriptions.

Always include contact information - including your phone number will give the readers confidence that your item is legitimate and give them the option of contacting you for more information.

## SOAP UPDATE

Victoria Konefal stars as “Ciara” on “Days of Our Lives.”

### THE BOLD AND THE BEAUTIFUL

Liam was stunned to learn that Hope didn't keep her commitment. Steffy's desperation began to show when Finn declined her urgent request. Ridge confronted Bill over his egregious transgressions toward his family. Brooke and Ridge were surprised by who was on their side, and why. Quinn upped the ante in her game of manipulating the end of Brooke and Ridge. Steffy let her guard down and allowed herself to be vulnerable. Shauna was uncomfortable when Wyatt made a joke that hit too close to home. Wait to see: Brooke's attempt to make up with Ridge is cut short by an unexpected visitor. Ridge fills Eric in on Quinn's bold and brazen opportunistic move. While trying to reconcile their relationship, sisters Brooke and Katie realize that they've been manipulated.

### GENERAL HOSPITAL

Olivia became distraught. Alexis was in disbelief. A concerned Lulu checked on Kevin. Jordan demanded answers. Sam couldn't help but feel that she was to blame. Jordan confronted Cyrus. Bobbie lit into Valentin. Carly shared a friendly drink with Brick. Portia cleared the air with Ava. Joss told Cam that she knew about his kiss with Trina. Mike's condition continued to decline. Ned met with Sonny. Franco defended Elizabeth. Jax and Nina headed out of town. Robert received a mysterious phone call. Josslyn visited Mike at Turning Woods. Ava confided in Franco. Liz felt remorseful. Epiphany worried about changes being made at the hospital. Britt arrived at the hospital and later confronted Julian. Wait to see: Liz apologizes to Franco. Nina tells Jax about her mother. Ned lashes out at Lucy.

### DAYS OF OUR LIVES

Jack and Shawn uncovered the truth about Vincent. Later, Ciara turned the tables on Vincent. Abigail's return prompted a shocking reveal. Tripp informed Steve why he was back in Salem. Jake suggested to Abigail that something was going on between Chad and Gwen. Tripp and Claire got caught up. Shawn, Ben and Hope's frantic search for Ciara continued. Ciara found herself in a deadly predicament. Ben struggled to rescue Ciara. Philip's reunion with Belle didn't go as planned. A devious Gwen attempted to finish what she started. Abigail was livid over Chad's confession. Eli shared some upsetting news with Lani. Wait to see: Marlena scolds Sami for her actions. Eric and Nicole anxiously await the judge's ruling regarding custody of Allie's baby. Kristen and Brady argue about Victor.

### THE YOUNG AND THE RESTLESS

Victoria was keeping a secret from Billy. Lola saw a new side to Theo. Adam continued to spiral out of control. Sharon received some important news about her health. Devon let his guard down with Amanda. Chance went out on a limb to help Adam. Chelsea was backed into a corner. Phyllis took control. Lily strategized with Billy. Adam caused problems between Victor and Nikki. Noah returned home. Nick was shocked by Victoria's power move. Wait to see: Chelsea questions Adam's connection to Sharon. Chance comes clean with Abby. Billy kicks his revenge plot into high gear.

the first football games to be played on Sept. 29. Additionally, safety protocols are in place — such as separate practice sessions for varsity and junior varsity teams, as well as limits on how many kids can be in a locker room at the same time — with the focus on cleanliness and social distancing as much as can be expected. “It’s going to have to do,” Herndon said, alluding to the later start times and numerous restrictions. “Basically, that’s it,” said Stewart football coach Greg Mathis, who also enters his second season as that school’s athletic director. “We’re trying to get them acclimated with hopes that the season will go on.” While hopeful that the middle school seasons will take place, Mathis is well aware of the Zephyrhills High football team’s unenviable position of having to cancel the first two weeks of the season after a reported case of a player with COVID-19. Trying to ensure their teams are competitive while adhering to safety guidelines is no easy task. Perhaps even more so for someone like John Long football coach Damon Zassenbraker, whose team has won three straight titles

and will lose some players to Cypress Creek due to rezoning. “We tell them not to compare one team to the next,” he said of his message to current players. “What happened in the past, it’s over. It’s all about now.” Before any of the new or returning football players on middle school teams can focus on plays and learning schemes on both sides of the ball, the initial week is primarily for conditioning. “We’re start running,” Zassenbraker said. After spending the first week conditioning, Mathis said he and assistant coaches Michael Smith and Marcus McKinley plan to implement plays as well as offensive and defensive schemes to the players. All this while maintaining safety guidelines, he added. “We’re going to try to keep them in small groups, but eventually it’s got to come together,” Mathis said. Not everyone is eager for the return of middle school sports. Deb Stacy, Stewart’s former athletic director who for years also has coached volleyball and girls basketball, will not coach either sport this year. “I don’t think it’s safe,” she said, adding, “I think it’s ridiculous they’re doing that.”
