

Faship Terms of Service

Effective Date: September 2, 2026

These Terms govern your use of Faship's quote, ride, delivery, and related services. By using our services, you agree to these Terms and to our Privacy Policy.

1. Quotes, Bookings, and Payment

Quotes are estimates and may change if trip, delivery, timing, service, or other requested details change. A request is not confirmed until Faship confirms it. Where payment is required, you agree to provide accurate billing information and pay the confirmed charges.

2. Transactional SMS

When you provide your mobile number and check the SMS consent box, you agree to receive transactional text messages from Faship about your quote, booking, ride, delivery, payment, and account. Consent is not a condition of purchase. Message frequency varies. Message and data rates may apply. Reply **STOP** to opt out or **HELP** for help. For support, visit faship.co.

3. Your Responsibilities

You must provide accurate contact, pickup, delivery, and payment information, and use Faship services lawfully. You are responsible for following any service-specific instructions presented during booking.

4. Changes and Contact

Faship may update these Terms from time to time by publishing a revised version. Questions about these Terms can be submitted through faship.co/contact.
