

HAMPTON COUNTRY CLUB

‘The 101’

Membership Promotion (Social Member)

Join us at The Club in 2024 and enjoy our atmosphere of fun, friendship, entertainment, fabulous meals, and fantastic bar and drinks. And it's only \$101 as a Social Membership.

The Hampton Country Club is owned by its membership, and we want to add New Members to the Club. A great way to experience ‘The Club’ is to join as a Social Membership. The ‘101’ is an awesome opportunity to join, enjoy, and participate in our best promotion for 2024: \$101 plus tax for the full 2024 membership.

Who can join for the ‘101’?

If you are new to Hampton Country Club, not a member for over 5 years, no outstanding financial balance existing at the club, and approved by the board of directors.

What do you get?

- Benefits of our family social membership (\$300 per year) for the cost of \$101 for the first year.
- Access for you and your family to the clubhouse activities, attend clubhouse events, dining and beverages at the club, also membership rate for renting the clubhouse or your event.
- You can bring your guests to join you at the club. (If they are living in *FRANKLIN COUNTY* there is a 3-visit limit, and for your out-of-county guests there is no limit for visits.) We do a 3-visit limit for living in *FRANKLIN COUNTY* so your friends and family see and enjoy the club, hoping that they will consider joining our club also.

What's not included in the social membership promotion?

- Green fees for golfing at HCC. You are welcome to golf by paying the green fees. If you live in Franklin County, you can golf 3 times per year with a member of the club.
- We hope you enjoy the club and will consider becoming a golfing member by buying a full membership. (See our membership rates) This allows unlimited golfing for the year. If you upgrade your membership to full membership, we will apply the \$101 to your membership.
- Social membership does not include any stock in the club.

We are happy to welcome new members to join and be a part of The Club!!! You can find the application on the back. Please return this form to the clubhouse or give to any board member. We'll review your application and welcome you to ‘The Club’. Thanks for joining and have a great time.
