

SEQUOIA GROUP

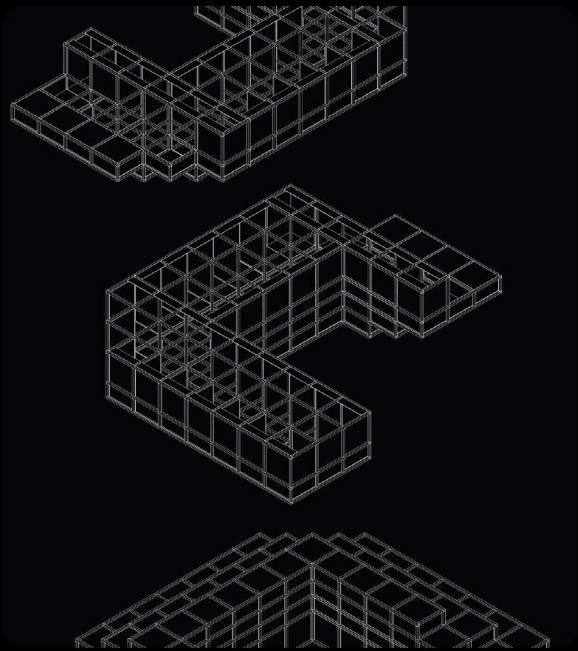

SUPERL SEQUOIA LIMITED

Sequoia Group specializes in architectural millwork, fixture, and furniture fabrication for the high-end retail and hospitality sectors. Our production facilities are located in Dongguan, China, with offices in Hong Kong and New York City that support our global supply capabilities. With our blend of traditional craftsmanship and advanced machine manufacturing, the possibilities are endless to realize our clients' visions.

CORE SERVICES

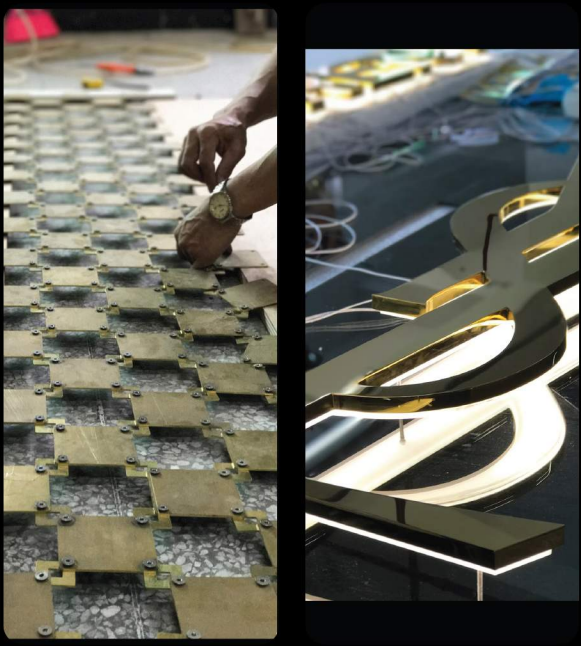

DESIGN DEVELOPMENT

Capabilities to develop clients concept and architectural drawings into engineered shop drawings and details working in both 2D and 3D modeling in AutoCAD, Sketchup, and Solidworks. Rendering services can also be provided at request.

PROTOTYPE AND FINISH SAMPLE DEVELOPMENT

Prior to full production, we offer partial or full prototype and finish sample development to set the foundation for final production.

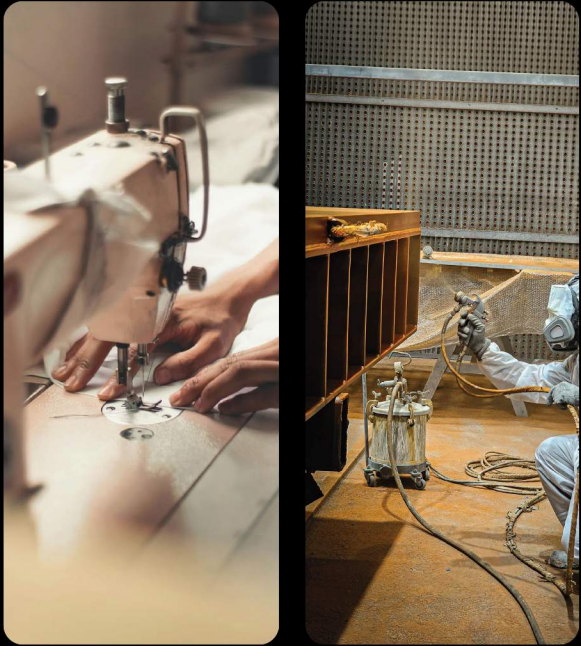

CUSTOM FABRICATION

Our 220,000 square foot factory includes in-house millwork, metal, upholstery fabrication, and painting facilities. We have local supply partners for the following materials and processes:

- Marble / Stone / Solid Surface / Porcelain
- Acrylics / Plastics / Fiberglass
- Glass / Mirror
- Specialty plating and finishes
- Electrical / Lighting

All final assembly, QC and packing occurs at our central factory.

LOGISTICS AND WAREHOUSING

In collaboration with global freight forwarders, we manage door-to-door sea and air shipments, including customs clearance for our fixtures. We provide warehousing upon arrival for short or long-term storage and manage last-mile delivery. We currently supply to all regions of the globe with majority of projects in the Americas (80%) followed by EMEA (10%) and APAC (10%)

FIELD SURVEY, INSTALLATION AND MAINTENANCE

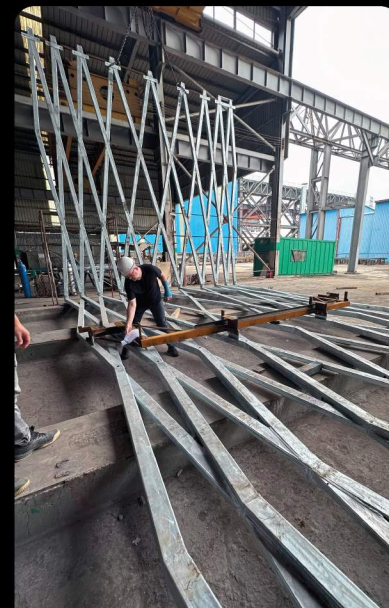

During field construction and fixture production, our regional team provides field surveying to ensure a proper fit and assess preparatory works before installation. Collaborating with local and traveling crews, we offer installation services for our fabricated pieces and provide maintenance, both during and after the warranty period.

From intricate multi-story decorative storefronts and sculptural staircases to elegant jewelry display vitrines and custom cinema seating, we offer full bespoke fabrication in an array of materials and finishes. Our showcased works reflect our craftsmanship, versatility, and dedication to excellence in every detail.
