

## Community Shared Living for Women

**HomeBridge Iowa Together** offers a community shared living home for women who are able to live independently and are seeking stable, shared housing.

*This home is designed for women who value community living, shared household expectations, and an all-inclusive housing option in a respectful home setting.*

### **Living Environment**

- Community shared living in a furnished home
- Shared bedrooms and shared common areas
- Clear house rules and shared household expectations
- Clean, safe, and well-maintained residence

### **What's Included**

- Utilities included
- Fully furnished
- Wi-Fi included
- In-unit laundry
- Communicate with staff, report concerns, and pay bed fees via the resident mobile application

### **Housing Model**

This home provides housing only. No medical care, behavioral health services, case management, or supervision are provided. Residents coordinate all outside services independently. **Residents are responsible for updated staff regarding change in their health status.**

### **Who This Home Is For**

- 50+ and/or those living with disabilities (mental or physical)
- Women able to live independently with some external support
- Individuals interested in shared community living
- Residents seeking stable, all-inclusive housing
- Must be able to ambulate

### **Current Rates**

**Private room-\$1200.00 monthly all inclusive**

**Semi-private room-\$600.00 monthly all inclusive**
