During congestion, customers on this plan using >50GB/mo. may notice reduced speeds until next bill cycle due to data prioritization. Video typically streams on smartphone/tablet in SD quality. **5G:** Capable device req'd; coverage not available in some areas. Some uses may require certain plan or feature; see T-Mobile.com. **Business Unlimited Select:** Credit approval, deposit, and, in stores & on customer service calls, \$35 assisted or upgrade support charge may be required. Monthly Regulatory Programs (RPF) & Telco Recovery Fee (TRF) totaling \$3.49 per voice line (\$0.50 for RPF & \$2.99 for TRF) and \$1.40 per data only line (\$0.12 for RPF & \$1.28 for TRF) applies; taxes/fees approx. 4–38% of bill. Capable device required for some features. Not combinable with certain offers. Switching plans may cause you to lose current plan/feature benefits; ask a rep for details. Plan not available for hotspots and some other data-first devices. **Unlimited talk & text** features for direct communications between 2 people; others (e.g., conference & chat lines, etc.) may cost extra. Some messages, including those over 1MB, use data and may be unavailable internationally. Unlimited U.S. roaming. High-speed data is US only. In Canada/Mexico, data is unlimited at up to 128kbps speeds. Not available for hotspots and some other data-first devices. **Video streams** at up to 2.5Mbps (SD). Optimization may affect speed of video downloads; does not apply to video uploads. For best performance, leave any video streaming applications at their default automatic resolution setting. **Tethering:** 5GB high-speed data then unlimited on our network at max 3G speeds. For the small fraction of customers using >50GB/mo., primary data usage must be on smartphone or tablet. Smartphone/tablet usage is prioritized over Mobile Hotspot (tethering) usage, which may result in higher speeds for data used on smartphones and tablets. **AutoPay Pricing** for lines 1–5, max discount of \$25. Without AutoPay, \$5 more/line/mo. May not be reflected on 1st bill. **Int'l Roaming:** Usage may be taxed in some countries. Calls from 215+ countries and destinations, including over Wi-Fi, are \$.20/min. (no charge for Wi-Fi calls to US, Mexico and Canada); customers on consumer plans (e.g. some sole proprietors) pay an additional \$.05/min. Standard speeds approx. 128kbps. **Not for extended international use; you must reside in the U.S. and primary usage must occur on our network.** Device must register on our network before international use. Service may be terminated or restricted for excessive roaming. Coverage not available in some areas; we are not responsible for our partners' networks. **Network Management:** Service may be slowed, suspended, terminated, or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. **See Terms and Conditions (including arbitration provision)** at www.T-Mobile.com for additional information.
