

Bourbon & Brushes

Roadmap Series

Every journey begins somewhere.

First Stop / Batch No. 1 is the opening release in the Bourbon & Brushes™ Roadmap Series.

Distilled and bottled in Crestview Florida at Timbercreek Distillery, this small-batch whiskey bourbon blend of corn, wheat, rye and single malt barley. It was designed with intention to support classic cocktail builds, smoke-forward rituals, and slow, considered pours.

This release marks our first coordinates on the map that merges our branding and vision of The Roadmap Recipe Book and the Infusion Atlas. **It is a limited run by design.**

THE ROADMAP PHILOSOPHY

The Roadmap Series documents a journey through flavor, place, and process. Each release represents a distinct stop, shaped by environment, ingredients, and intent.

First Stop reflects Florida as both origin and influence: a place where heat, humidity, citrus, and patience demand balance and restraint.

This isn't just bourbon... It's the first chapter.

BATCH NO. 1

Bourbon & Brushes

Before there is a route, before there is a destination, there is a starting point.

“First Stop” marks the beginning of the Bourbon & Brushes Roadmap a series of small-batch releases built around place, process, and flavor.

Distilled in Florida and guided by Southwest Florida roots, this bourbon represents our first coordinates on the map. Not a finish line... A departure.

Built to stand on its own and to pair with the stories ahead, First Stop is designed for classic builds, smoked rituals, and recipes that evolve with the journey.

This is where the Roadmap begins.
