About the Event

The Sri Vishnu Mohan Foundation (SVMF) and Sri Gnana Advaita Peetam (SGAP), both based out of Chennai are registered, not-for-profit organizations working to bring people together and end social disharmony. The foundation is guided by the self-transforming philosophy of Sri Krishna as explained by Her Holiness Sri Sathguru Swami Gnanananda Sarasvathi Ma. The foundation believes in societal change through personal transformation and has organized a number of programs, seminars, and conferences.

Every year, the foundation conducts two major events, an Annual Conference on Peace and Reconciliation, to bring together the peoples of this world where delegates from various walks of life take part in this conference and the Sri Krishna Mahotsavam, a festival that brings the Krishna tatvam, the true consciousness that human beings need to engender, and the endless joys of bhakti and rededication to a good clean life.

In the Kali Yuga, our sacred texts explain, there is a steady decline in righteous thought, word, and deed, accompanied by a rise in their opposites. Sri Krishna, celebrated as the Poornavatara and the 9th of the Dashavataram, heralded the end of the Dwapara Yuga and the beginning of the Kali Yuga. He embodies the highest ideals of a person in various roles - whether as a child, brother, friend, parent, protector, husband, or citizen. Known for His profound understanding of Dharma, He was relentless in establishing its principles through His teachings, including the Srimad Bhagavad Gita. A periodic celebration of such an exalted figure, already honoured in the Srimad Bhagavata Purana and other revered texts, serves as a reminder of how we can strive to be better. Mankind has learned much from the ways and teachings of Sri Krishna. He promised us in the Srimad Bhagavad Gita that the Divine will reincarnate time and again to protect those who abide by Dharma and to destroy evildoers. Sri Krishna was and is one of us. Realizing His glory and filling ourselves with devotion to Him we attain His protection and blessings. But by understanding Him and His teachings, we attain to happiness both in this world and the next. Our lives get transformed, and our interactions with other beings, whether human or otherwise, become filled with light and compassion.

About the Event

For Her Holiness Sri Sathguru Ma, Sri Krishna is the eternal friend, companion, fellow traveller, and guide on the journey to self-transformation and perfection. A humble Sthitapragnya at Her very core, Sri Sathguru Ma demonstrated that it is possible to live exactly as taught in the Srimad Bhagavad Gita and has repeatedly reminded us of verses 9.22 and 18.66 therein. In Sanatana Dharma, the Divine is celebrated in many ways, not just through meditation and prayer but also through inclusive arenas such as sculpture, painting, dance, music, talks, satsang, and more.

Every year, around the time of Sri Krishna Janmashtami and the Jayanti of our Guru Sri Sathguru Ma on 14th August, the Sri Krishna Mahotsavam is celebrated by SVMF and SGAP. Through various art forms and talks, we collectively remember, adore, and celebrate the life and teachings of Sri Krishna, and the wisdom of Sri Sathguru Ma. This year, in its 16th edition, the Sri Krishna Mahotsavam will be held at Chennai from July 31st to August 5th. Please join us in celebrating Sri Krishna Mahotsavam.
