

# GLASS CLEANER

Klensce – The Science of Cleaning

At Arham Ventures, we believe in not just cleaning for the sake of cleanliness, but curating the right solutions that eradicate the most common pathological contamination along with the microbial overload that may hamper the process and product qualities. With Klensce, we instill our solutions with the right scientific backing to provide for results that improve the hygiene standards with unparalleled cleaning solutions.

K3 is a specially curated and formulated solution used for cleaning all types of glass, mirrors and windows. This glass cleaner provides enhanced cleaning, shine and a streak-free surface. This pleasantly scented product does not contain any abrasives or bleach and is safe for use on all types of glass and mirrors.
