

TOILET BOWL CLEANER

Klensce – The Science of Cleaning

At Arham Ventures, we believe in not just cleaning for the sake of cleanliness, but curating the right solutions that eradicate the most common pathological contamination along with the microbial overload that may hamper the process and product qualities. With Klensce, we instill our solutions with the right scientific backing to provide for results that improve the hygiene standards with unparalleled cleaning solutions.

K6 is a specially curated and formulated toilet bowl cleaner that effectively removes dirt, deposits, lime scale and stubborn stains from toilet bowls and urinals. It provides for a great shine and is fast acting. It is safe to be used on all types of toilet bowls and urinals and is non-abrasive and does not contain any bleach.

- ★ Reduces microbial contamination through a 3 log reduction
- ★ Superior fomulation provides for an unparalleled shine
- ★ Concentrated formulation for increased economic viability
- ★ Premium quality ingredients that deliver an enhanced performance
- ★ Safe for the soil and for the environment
- ★ Eliminates organic and inorganic deposits such as lime scale
- ★ Cleans and sanitizes in one action with an aromatic fragrance
