Dear Community Member:

Wichita Clean Streams will host **Lights on the River**, an annual floating light launch, from 4 to 7 p.m., on Sunday, December 1<sup>st</sup> at the Wichita Boathouse.

The purpose of the event is to bring awareness to water quality issues and bring Wichita residents down to the river to enjoy all the benefits a clean river has to offer. Lights on the River is a free, family-friendly event that highlights Wichita's best natural asset each holiday season – the Arkansas River.

The lantern launch is expected to draw more than 1,000 attendees from Wichita and surrounding areas. The evening event will feature a variety of family-friendly activities and will conclude with a floating lantern launch and stunning winter fireworks display. Santa will also be available for hearing wishes, giving hugs and taking Christmas photos. Along the banks, spectators will enjoy holiday music, food and warm beverages.

We are inviting our business community to provide sponsorship support for the event. As a sponsor, your business will receive several incentives including advertising opportunities and admission to a VIP Reception. The enclosed sponsorship levels identify the benefit package your company or organization will receive by being a part of this community event. We are also looking for in-kind donations for a raffle at the event. If there are any products or services you offer that you would be willing to donate, please contact me directly at 316.206.1410 or email Sarah.Unruh@pec1.com.

If you have any questions or would like to sit down and have a discussion about donating money, time, or services I would be thrilled to speak with you personally. Our hope is that you too, will take pride in being a part of this great holiday event. We appreciate your consideration and participation of this event and hope to hear from you soon.

Thank you in advance for your generosity.

Warm Regards,

*Sarah Unruh*
