- Charging Handle - \$30.00
- Small Parts (bolt catch, take-down pins, magazine release, etc...) - \$15.00 Each
- Bolt Carrier Group - \$75.00
- Optic pricing starts at \$120.00
- Scope Mount or Scope Rings - \$40.00

- Custom patterns (multi-cam, kryptek, etc...) are priced off of colors used. Each additional color on top of the base color is \$40.00. For example a lower receiver is \$45.00, if you would like a three color multi-cam on the slide it would be an additional \$80.00 for the two additional colors.

Disassembly/Assembly

- Disassembly and Reassembly is a flat rate fee applied to the total price. This fee will be applied if the firearm needs any or all disassembly or reassembly, including sights. If you are doing the disassembly of your firearm prior to bringing it in for any Cerakote work keep in mind it will/does need to be 100% detail stripped including the removal of the sights. If any disassembly is needed the Dis/Assembly flat rate fee will be automatically applied to the total bill.
 - Handgun - \$65.00
 - Bolt Action Rifle - \$50.00
 - Shotgun - \$65.00
 - AR Rifle/Pistol - \$50.00
 - ****Some Firearms will need extra time for disassembly/assembly be it an uncommon weapon system. These will be based off the hourly rate for gunsmithing for pricing.
