The Angler's Ridge Trail Association (ATA) is a 501(c) 3 non-profit/tax-exempt organization that maintains the Anglers Ridge Trail System in Danville, Virginia, which is one of Danville's largest assets. The Anglers Ridge Trail System now includes over 35 miles of trail in Angler's Park and Dan Daniel Memorial Park, making it one of the largest single-tracks around. The trails are used by mountain bikers, hikers, runners, and families from all over the region.

Your support of ATA is vital to our success as we continue making Southside Virginia and The Angler's Ridge Trail System the best it can be. Your tax deductible contributions help us to buy gas for machines (blowers and string trimmers), build bridges, replace tools, pay for club insurance, and maintain and add features to the park to attract more participants to the area.

Trail users love to support local. Please see the attached opportunities for sponsorship and please do not hesitate to contact us at the above email or phone number with any questions you might have. We look forward to hearing from you, thank you again and see you on the trails!

Thank you,

ATA Board
