Dear Canberra Christian Fellowship,  
 As your time of formal gatherings come to a close, we would like to take this opportunity to express our heartfelt thanks for your partnership with the work of MAF and our family's ministry over the last ten years.

To the only God our Saviour  
 be glory, majesty, power and authority,  
 through Jesus Christ our Lord,  
 before all ages, now and forevermore!  
 Amen. - Jude 1:25

With love and God's blessings to you all,  
 Ian, Adele, Jimmy, Neddy, Josiah & Helen

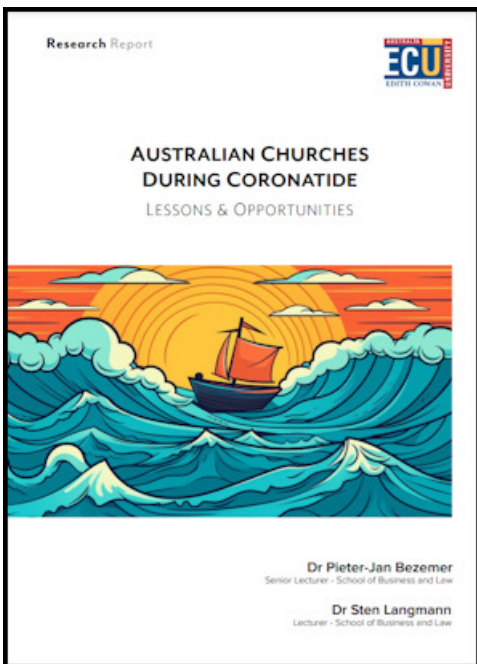

from Ian, Adele and family (MAF)

Dear Ian - greetings! Peter & Desleigh Wright here. Thanks 4 yr emails - we were sorry to hear CCF is closing. We wud have loved to have been able to join u all

this evening, but we have been serving on western Eyre Peninsula & travelling to serve @ Pt Augusta this week. Please send our greetings, love & prayers

to all, & especially those who remember George & Margaret. God bless, Peter & Desleigh 🙏 Numbers 6:24-26

Peter and Desleigh have a ministry (Fair Dinkum Life) assisting small churches and schools around the country. George, with his wife Margaret (Peter's parents), was minister at Reid Methodist many years ago where some CCF members would have known them.

Early in 2022 Canberra Christian Fellowship was selected to be 1 of 65 churches Australia wide to participate in research into the effect of Covid-19 on churches and the churches' responses conducted by researchers from Edith Cowen University.

Ian was interviewed by the researchers and endeavoured to give them a good understanding of the way we responded to the changed social conditions, government regulations and the need to maintain our fellowship and worship.

Their 29 page report is now available. If you would like a copy, Ian can email one to you or print one for you.

Dear Ian,  
 We hope this message finds you well today. Please find attached the final version of our church report, ... Feel free to distribute this to anyone that might have an interest.  
 Thank you again for your participation and we wish you all the best.  
 Kind regards, also on behalf of Sten,  
 Pieter-Jan Bezemer

## CCF Preaching

Our Fellowship met together for worship for the first time on 30 May 2004 (Pentecost). We began by meeting monthly and in our 4<sup>th</sup> month introduced a fellowship tea / time of singing as a second gathering each month. Weekly services commenced in August 2006.

Our final service was held on 17 September 2023.

In the years since our beginnings we have welcomed many different preachers and been blessed as they brought God's Word to us. Of course there have been others as well who have spoken as part of our services, bringing news of God at work in different places and in different ways or providing children's talks. While those contributions have been significant and greatly appreciated, the information below relates only to those people who have brought the main message to us each week. ID

Our CCF website ( <https://canberracf.org.au/> ) has been updated so visitors to the site will see we have closed down and where we are now worshipping.

It will remain accessible until the domain name expires. Many (but not all at the moment) 'Next Step's are available on the website.

Once the website is no longer available, you may, if you wish, still find various versions of it using the 'wayback machine' ( <https://archive.org/web/> ).

On Sunday, 29 October, a few of us shared in worship with The Aboriginal Church at their special invitation. It was wonderful to participate in their service and share fellowship over a light meal afterwards.

As part of our welcome to St. Andrew's, a number of us enjoyed scones, jam and cream as we met and got to know several of the St. Andrew's people. This was followed by the Heritage Tour which enabled us to learn a little of St. Andrew's' history, discover the abilities of the organ, appreciate the detail of the stained glass windows and the stories they tell, experience the reverence invoked by the memorials and memories in the Warrior's Chapel and to ring the bells.

In the St. Andrew's morning service on 19 November, there was a segment labelled **RECOGNITION OF NEW CHURCH MEMBERS**. Rev. David Campbell invited Ian to the lectern and asked him about our Canberra Christian Fellowship (in the Methodist tradition), our activities and our decision to join with St. Andrew's.

It was a very warm welcome to our new spiritual home and continued after the service with quite a number of the congregation individually welcoming us.

God truly blessed us during our time as the Canberra Christian Fellowship and I am confident He will continue to bless us as we serve Him at St. Andrew's or any other church where our CCF people end up.

Through our contacts and the Multicultural Carols, we were able to bring a number of ethnic congregations together in fellowship. It became an important part of our Christian service and as such it would be sad to see that fellowship dissipate.

Although we may no longer be the driving force, that work will continue. Members of some of those congregations have indicated they want to meet together in some form from time to time and will explore ways of doing so.

“Just cleared out some space in the freezer” sounds so much more productive than “I just polished off another pint of ice cream.”

THINGS TO PONDER:

- What if my dog only brings the ball back because he thinks I like throwing it?
- If the poison expiration date is past does that mean it's less or more poisonous?
- Why is W pronounced "double U" instead of "double V"?
- Everytime you clean, you make something else dirty.
- If you replace the "W" with a "T" in "What, Where & When", you would have the answer to each one.
- If you rip a hole in a net, you have less holes than you started with.

**Coming Services**

There will be no more Canberra Christian Fellowship services. Most of us are attending St. Andrew's Presbyterian Church (Forrest) 9-30am service.

CCF services are ending however the Church of which CCF is only a very small part continues with worship of God and service to Him taking place in a multitude of places and in countless ways.

Most CCF members have made their new church home St. Andrew's Presbyterian. The 9-30am service there is a traditional style service similar to our own and we have been made very welcome.

God is our creator, He loves us and is deserving of our praise, worship and service.

Whether you come with us to St. Andrew's or not, we urge you to join with other Christians somewhere to worship our Lord and Saviour.
