## WELCOMING SPEECH

### MSIPP President & Organizing Chairman

DR. LIM HENG HING

CONSULTANT ORTHOPAEDIC, SPINE & TRAUMA  
SURGEON  
Sunway Medical Centre

Malaysia Society of Interventional Pain Practitioner (MSIPP) warmly welcome visitor to our website. The MSIPP exist as a forum to promote the interventional procedures as a safe medical procedure with regular training and high-level interaction between practitioner.

MSIPP embraces any specialists who wants to start pain interventional practice. In July 2025, the Annual Scientific Meeting of MSIPP will be held in Sunway Medical Centre, Selangor with a wide-ranging topic from regenerative injectate to complex epiduroscopy.

MSIPP emphasis is on active learning and this year meeting is set-up to have four pre-congress workshops i.e. two ultrasound workshops and two procedural workshops (on cryoablation and coolief technology) in addition to a dinner symposium.

In addition to the learning the technical aspect of interventional procedure, there are didactic lectures on the medico legal issues and the ethic of procedure charging. These paramedical lectures are meant to train practitioners to avoid socio-medical issues.

The meeting venue is located in a fun city, Sunway City, famous for its theme park and shopping Centre. Obviously, an enjoyable outing in the theme park is a good balance to the academic pursuit.

Finally, MSIPP endeavor to make your attendance in our meeting enjoyable.
