WELCOMING SPEECH

DR LIM HENG HING

Consultant Orthopaedic, Spine &
Trauma Surgeon
Sunway Medical Centre

Malaysia Society of Interventional Pain Practitioner (MSIPP) warmly welcome visitor to our society. MSIPP is a forum to promote the interventional procedures as a safe medical procedure with regular training and high-level interaction between practitioner from various medical specialty.

This year in 2026, the society has organized the Interventional Pain Practitioner Update 2026 conference which will be held in Connexion Conference Centre (Nexus), Bangsar South, Kuala Lumpur in July 2026. The conference was designed to cover broad ranging topics and in-depth in selected subjects.

This year, MSIPP's, emphasis is getting younger specialists to present original research paper. To this aim, registration fees for those participants with paper accepted for presentation will be waived.

Participants who confirm their registration earlier will be invited to lectures cum dinner symposium. As in previous dinner symposium, participants should expect to indulge in deep dive into a subject. I hope to see you there.
