

Dear Friend & Supporter of Touch My Heart,

Christmas 2022

Christmas is coming!

The “stars of the show” at Touch My Heart are watching for snowflakes as they offer their warmth and joy to our neighbors with disabilities.

2022 has had its ups and downs. While much of our world has resumed “normal” activities, our neighbors with disabilities continue to be cautious about COVID-19. Our partner organizations that care for them must cancel visits to The Farm when their groups have had an exposure or positive test. The Farm has had to limit visits because of another virus – the Avian Flu. To protect our flock, Touch My Heart took careful precautions to prevent our therapy chickens from becoming infected through contact with wild birds or even contamination from guests’ shoes.

During the time when we could not provide in-person visits, Touch My Heart conducted 70 virtual visits through Zoom, allowing 2,000 people to experience The Farm through technology.

Touch My Heart’s Fresh Market has continued to deliver fresh food, PPE and household supplies to the Group Homes where our neighbors with disabilities live, easing their budgets as costs continue to rise.

Like last year, Touch My Heart will give gifts and provide food and decorations. Those who are allowed to come, will enjoy Christmas on The Farm!

Be a Christmas Angel!

Would you sponsor an individual or a group home so they too can feel loved and remembered this Christmas?

- ❖ \$50 helps provide gifts, holiday food and decorations, a visit to The Farm, and more!
- ❖ \$300 helps provide for a group home of six people.

Help us bring Christmas cheer to our neighbors with disabilities!

We aim to bring Christmas cheer to 600 neighbors. Will you partner with us? Please share this opportunity with your family, friends, place of business, and coworkers.

Give online at www.touchmyheart.gives/christmas or mail a check to the address below.

Thank you for partnering with Touch My Heart to deliver Christmas cheer!
