

INGREDIENTS SIGNATURE SOLUTION

INCI	FUNCTION
Water**	Aqua (water) is the base ingredient and is used to dissolve the other ingredients.
Dihydroxyacetone***	Dihydroxyacetone (DHA) is a simple carbohydrate that is derived from plant sources such as sugar beets and sugar cane, and by the fermentation of glycerin.
Aloe Barbadensis Leaf Juice*	Derived from the Aloe leaves, the juice can help soothe the skin with its anti-inflammatory properties.
Caramel**	A concentrated material obtained from heating sucrose or glucose solutions. We use the caramel as a colour guide when spray tanning.
Glycerin*	A naturally sourced ingredient, Glycerin is a humectant and is lubricating to the skin, ideal for topical applications where moisture retention is important.
Erythrulose***	Erythrulose is a ketone sugar commonly found in raspberries. It is also a key active ingredient for natural self-tanners, as we don't use any synthetic dyes.
Olea Europaea (Olive) Oil*	Olive oil has many vitamins, including A, D, and K, as well as vitamin E. It is also an antioxidant and has skin moisturizing and hydrating benefits.
Cetearyl Olivatate/ Sorbitan Olivatate***	Olivem® 1000 is a PEG-free O/W solo emulsifier lamellar liquid. It has excellent anti-aging and anti-redness properties.
Camellia Oleifera (Camellia) Seed Oil*	It is an emollient for the skin and helps keep it elastic, moisturized and protected.
Hydrolyzed Jojoba Esters***	It enhances skin hydration. It has optimum benefits for moisturizing products and can be used in many formulas that would benefit from long-lasting effects.
Xanthan Gum***	Xanthan gum is a polysaccharide, a sugar-based polymer produced by bacteria; it is used as a viscosity agent in personal care products and foods.

Vitamin E (MT-50 Full Spectrum)**	Natural Vitamin E in Soybean Oil. It will extend the shelf-life of oils and the finished formulation using its antioxidant properties to help protect the product.
Calendula Officinalis Flower Extract*	(Marigold) - Antibacterial, soothing agent.
Camellia Sinensis (Tea) Extract*	Green Tea Extract is an a strong antioxidant. The polyphenols are responsible for the anti-oxidant and anti-inflammatory effects.
Echinacea Root Organic*	Echinacea is known for its herbal, antibiotic, anti-bacterial and healing properties.
Rosemary Whole Leaf Organic*	Rosemary is a powerful anti-oxidant and protects the skin against free radical damage and the effects of environmental stresses.
Gotu Kola Organic*	This herb can promote the collagen production in human body and can help fight cellulite on the skin.
Siligel**	Siligel™ is a natural gelling agent that leaves an amazing silicone-like skin feel. Its natural origin with a sustainable green manufacturing process answers today's demand for eco-friendly ingredients.
Geogard Ultra***	Geogard Ultra™ is a synergistic and patented preservative blend comprised of gluconolactone and sodium benzoate.
