

MICRO VEHICLE TECHNOLOGY®

YOUR NEXT AD COULD HAVE FANS.

E-Powered Water Skis. No tow boat required.

Developed in Cocoa Beach. First on-water demo: September 17, 2026.

Illustrative race concept. Fleet and event programs are in development.

Your business could be part of the first fleet

YOUR BRAND. THEIR TEAM.

Sponsor a pair of E-Powered Water Skis in your business's colors. Give people a team to cheer for and a story to share—with your business name and logo in the picture.

WE BUILD. WE MAINTAIN.

MVT builds and maintains your branded race vehicle. Your sponsorship package includes visibility at planned events, on our website and through branded content for your own marketing.
