DOUBT

The desire to be able to prove the existence of a divinity has troubled humanity since human consciousness first became aware of the divine.

To this very day we are fond of saying that any number of things—from sunsets to hot fudge sundaes—are “proof that there is a God.”

We get so caught up in the story of “doubting Thomas” that we fail to notice that today’s Gospel gives us John’s account of Pentecost, the bestowing of the Holy Spirit upon the disciples following the Resurrection.

Thomas, evidently, missed out not only on seeing the Risen Christ, but receiving the Holy Spirit as well. This is not to be taken lightly and, perhaps, makes Thomas’ disbelief a bit easier to comprehend.

It also makes his professing that Jesus is his Lord and God—the **only time the New Testament explicitly refers to Jesus Christ as “God”**—more remarkable.

Over the next few weeks , we will be reflecting on the Presence of Christ in our lives.

Certainly, the Lord, Jesus Christ should be the “Center” of our life.

And His presence in the Eucharist should be the “Center” of our Church.

We will hope to relocate the new Tabernacle to that place of honor in our Church.

Would you like to be part of that re-location? Would you like to leave a Legacy & Message to the future parishioners of St. Anne’s?

There are special envelopes available at the main entrance to help support the relocation of the Tabernacle.

You intentions will be shrined in the base of the Tabernacle.

5 GREAT REASONS to Patronize the Merchants in Our Church Bulletin!

1. They support the work of our church.
2. It keeps money in our community. For every \$100 spent at a locally owned business, \$68 goes back into the community and your tax base. For every \$100 spent at a chain store, only \$43 comes back. Online purchases bring nothing back to our local community.
3. Keeps our community unique. Where we shop, where we eat and have fun—all of it makes our community home. Our one-of-a-kind businesses are an integral part of the distinctive character of our community.
4. Creates more good jobs. Small local businesses are the largest employer nationally and in our community.
5. Get better service. Local businesses often hire people with a better understanding of the products they are selling and take more time to get to know customers.
