**TREASURES FROM OUR TRADITION**

Next weekend, many churches provide palms to be carried in the opening moments of the liturgy, as we gratefully recall Jesus' entry into the holy city of Jerusalem. The children who greeted him on that day used what was both handy and traditional, since palms were carried to inaugurate the joyful harvest feast of *Succoth*.

To this day, faithful Jews are directed to take a beautiful palm branch, green and straight as possible, called a *lulav*, and bind it with three myrtle branches fifteen inches long, and two longer willow branches. At the end of the temple service, everyone carries the *lulav*, circling the sanctuary in a dance called the *Hoshanot*, singing hymns of joy.

In other climates, Jews and Christians alike have had to make accommodations over the years.

In Italy, everyone carries olive branches today, often brought from their own garden. In England, forsythia branches are preferred, a relative of the olive, sign of peace. Germans prefer pussywillows, and others look for flowering spring branches.

In our part of the world, what do you think would be the best choice to express joy and welcome, and to remind us of the joy of Christ's victory even as we prepare to commemorate his passion?

*No matter what we use, the most important thing is that we joyously welcome Christ, the Savior, into our hearts!*
