Statement from the Archdiocese of Newark concerning the reopening of Churches

A general dispensation from the Sunday obligation will remain until further notice.

The dispensation for the obligation to attend Mass will remain in effect. No one will be required to attend Mass when public celebrations resume. Hence, live stream Masses for parishioners at home will continue.

Attendance will be limited. We know restrictions will remain on holding large gatherings, so we are working with parishes to determine the best way to ensure safety. Communications will come from the parish so parishioners will know how many people can attend any given Mass.

It is likely that all parishioners may not be able to attend Mass regularly at first.

Social Distancing will be practiced. Expect that your parish will have pews/rows that are taped off, and that households, even of one individual, will be asked to keep six feet of separation from each other.

No one will be admitted without a mask. Parishioners should take their temperature before coming to Mass.

Anyone with any symptoms of sickness must stay home.

Liturgical changes will be in place. Similar to protocols established when churches were closing, extra precautions will be taken. Temporary adjustments will be made to how we celebrate Mass and receive Communion.

There still will be a risk for anyone who attends a public Mass. Even with best health practices and strict social distancing, anyone who enters a public space should recognize there is a risk of contracting the coronavirus. Improved cleaning will occur at our churches, but no one should expect that they will be any safer from germs than in other public spaces.

MEASURING SUCCESS

Success is to be measured not so much by the position that one has reached in life, as by the obstacles that one has overcome while trying to succeed.
