### JESUS' EXAMPLE OF HELPING OTHERS

In today's second reading Paul offers a wonderful argument to his converts at Corinth for seeking to help those in need.

He is dealing with a practical problem, arranging a collection for the poor of the church of Jerusalem; but as he often does, he develops an important teaching about Jesus to make his point.

After asking that they show their faith by generous gifts, he reminds them of the "*gracious act of our Lord Jesus Christ, that though he was rich, for your sake he became poor, so that by his poverty you might become rich*" (2 Corinthians 8:9).

In the Incarnation our Lord assumed our human nature, certainly becoming poor for one who is God. The ultimate gracious act of this poverty was going to the cross with all its terrible sufferings.

By this act of poverty we definitely become rich. Now our sins can be forgiven; we can share in the very life of God through the sacraments; we can attain eternal salvation!

### Returning to the "Normal"

We are gradually returning to "Pre-Covid" life.

Thankfully, if we are vaccinated, we need not wear masks in church.

Song Sheets for Sunday Masses are found on the table as you enter church.

Please take one and return it to the table after Mass.

Starting next weekend, we will be taking up collections during the Offertory.

We will return to the Entrance and Offertory Processions in September.

The regular basement bathrooms are now open.

*Alleluia!!*

*Independence Day*

**Independence Day (July 4th)** is a federal holiday in the United States commemorating the Declaration of Independence of the United States, on July 4, 1776. The Continental Congress declared that the thirteen American colonies were no longer subject to the monarch of Britain, King George III, and were now united, free, and independent states. The Congress had voted to declare independence two days earlier, on July 2, but it was not declared until July 4.

**5 GREAT REASONS to Patronize the Merchants in Our Church Bulletin!**

1. They support the work of our church. ....
2. It keeps money in our community. For every \$100 spent at a locally owned business, \$68 goes back into the community and your tax base. For every \$100 spent at a chain store, only \$43 comes back. Online purchases bring nothing back to our local community.
3. Keeps our community unique. Where we shop, where we eat and have fun—all of it makes our community home. Our one-of-a-kind businesses are an integral part of the distinctive character of our community.
4. Creates more good jobs. Small local businesses are the largest employer nationally and in our community.
5. Get better service. Local businesses often hire people with a better understanding of the products they are selling and take more time to get to know customers.
