THE NEW COVENANT

Today's first reading is an enormously important passage, not only in the history of the Jewish people, but also for us as disciples of Jesus, who see in it a foreshadowing of the Christian dispensation.

The prophet announces that God has chosen to forgive the people, and that as a sign of divine forgiveness a new covenant will be established.

Contrasting the new covenant with the one made with Moses on Mount Sinai, Jeremiah says that the new covenant will be written on the people's hearts rather than on tablets of stone.

No longer will the community's tradition be the sole bearer of the covenant; henceforth, God will speak directly and personally to each individual, forgiving sin and calling for a return to God in faithfulness. No longer will mere outward compliance with the dictates of the Law suffice; henceforth, God asks for an obedience that springs from the depths of one's heart.

Precisely that kind of obedience is highlighted in today's second reading, where the author of the Letter to the Hebrews describes Jesus as the mediator of the new covenant whose obedience has made him the source of salvation for all who, in turn, obey him.

Archdiocesan Annual Appeal 2021

The Covid Pandemic has affected our World, our Country and our Church. This has been an especially challenging time for Charities who serve the poor. The Roman Catholic Archdiocese of Newark Educates Priests, supports Catholic Education and cares for our aged Priests and the Poor. This year, more than ever, the Archdiocese needs your support. Our Parish has a goal of \$ 32,331.00. If every registered Parishioner or family gave only \$ 80.00, we would easily make our goal!! The Parish's "Guaranteed Goal" (one that must be made by the Parish) is \$ 27,500.00. (That would be a donation of \$ 53.50 by every registered Parishioner or Family.)

5 GREAT REASONS to Patronize the Merchants in Our Church Bulletin!

1. They support the work of our church.
2. It keeps money in our community. For every \$100 spent at a locally owned business, \$68 goes back into the community and your tax base. For every \$100 spent at a chain store, only \$43 comes back. Online purchases bring nothing back to our local community.
3. Keeps our community unique. Where we shop, where we eat and have fun—all of it makes our community home. Our one-of-a-kind businesses are an integral part of the distinctive character of our community.
4. Creates more good jobs. Small local businesses are the largest employer nationally and in our community.
5. Get better service. Local businesses often hire people with a better understanding of the products they are selling and take more time to get to know customers.
