THE SIGNIFICANCE OF THE ASCENSION

The theological unity, or perhaps even the temporal experience of the early community, made it seem that Jesus’ resurrection and his ascension were inseparable aspects of a single mystery.

Only in the later writings of Luke and John has further theological reflection helped the Christian community to distinguish different dimensions of the mystery.

Liturgical tradition has followed the forty-day chronology formulated by Luke. We would miss the point, however, if we were to demand a precise historical chronology of events such as the Resurrection-Ascension that are primarily spiritual in nature and that clearly surpass the bounds of time and space as we know them.

What is important for us to grasp is the significance of the Ascension. For Luke, it is the decisive turning point that marks the end of Jesus’ earthly ministry and the beginning of the disciples’ Spirit-led ministry and thus the ministry of the whole church down to our own day.

Returning to Pre-Covid Spiritual Life

Before Covid, we had a “Eucharistic Adoration, Intercessory Rosary & Benediction” on The first Wednesday of each month.

We want to return to that Spiritual practice.

There are some suggestions to move the Devotion from Wednesday evening to either Saturday afternoon at 3:00 PM or Sunday afternoon immediately after the 12:00 Noon Mass.

Please let us know if you have a preference by using this form.

5 GREAT REASONS to Patronize the Merchants in Our Church Bulletin!

1. They support the work of our church.
2. It keeps money in our community. For every \$100 spent at a locally owned business, \$68 goes back into the community and your tax base. For every \$100 spent at a chain store, only \$43 comes back. Online purchases bring nothing back to our local community.
3. Keeps our community unique. Where we shop, where we eat and have fun—all of it makes our community home. Our one-of-a-kind businesses are an integral part of the distinctive character of our community.
4. Creates more good jobs. Small local businesses are the largest employer nationally and in our community.
5. Get better service. Local businesses often hire people with a better understanding of the products they are selling and take more time to get to know customers.
