**Statement from the Archdiocese of Newark concerning the reopening of Churches**

**A general dispensation from the Sunday obligation will remain until further notice.**

The dispensation for the obligation to attend Mass will remain in effect. No one will be required to attend Mass when public celebrations resume. Hence, live stream Masses for parishioners at home will continue.

**Attendance will be limited.** We know restrictions will remain on holding large gatherings, so we are working with parishes to determine the best way to ensure safety. Communications will come from the parish so parishioners will know how many people can attend any given Mass.

**It is likely that all parishioners may not be able to attend Mass regularly at first.**

**Social Distancing will be practiced.** Expect that your parish will have pews/rows that are taped off, and that households, even of one individual, will be asked to keep six feet of separation from each other.

No one will be admitted without a mask. Parishioners should take their temperature before coming to Mass.

**Anyone with any symptoms of sickness must stay home.**

**Liturgical changes will be in place.** Similar to protocols established when churches were closing, extra precautions will be taken. Temporary adjustments will be made to how we celebrate Mass and receive Communion.

**There still will be a risk for anyone who attends a public Mass. Even with best health practices and strict social distancing, anyone who enters a public space should recognize there is a risk of contracting the coronavirus. Improved cleaning will occur at our churches, but no one should expect that they will be any safer from germs than in other public spaces.**

**Thirty-Third Sunday  
in Ordinary Time**

All of you are  
children of the light  
and children of the day.  
We are not of the  
night or of darkness.  
Therefore, let us not sleep  
as the rest do, but let us  
stay alert and sober.

### CHANGE OUR LIVES

The letters of Paul to the Thessalonians are among his earliest writings, and are driven by his belief and the belief of the entire early Christian community that the return of Christ was imminent, and that devoting time or attention to anything else was foolish.

As time progressed, this fervor subsided a bit. Today we may wonder, when we hear these readings about the coming end-times, if we should take them to heart, if we really believe that Christ still may come upon us as a “thief at night” (1 Thessalonians 5:2). Does this mean that we are to stop our long-range goal-setting, get rid of our yearly calendars and planners, or stop putting money in the college education fund?

Of course not. What it does mean is that we need to change our lives, living like children of the light and illuminating the world around us with the light of the gospel. Then, on that day, when the details of our daily living become unimportant, we will be ready to find our peace and security in Christ Jesus

### Christmas is only a few weeks away!

The Sons of St. Anne will be sponsoring a beautiful “New” custom at St. Anne’s.

The tall pine tree in front of the rectory (which stands behind the outdoors Nativity) will be decorated with large Red & Gold Christmas ornaments.

Each ornament can be dedicated to a Family, a Special Intention, or a Deceased Loved One.

(More will be explained as Advent begins.)

Our Church will be beautifully decorated; even though, because of present economic realities, we might have to “cut back” a little.

Our *Decorating Team* is already discussing this year’s plan. *Christmas 2020 will be special!*
