Thirtieth Sunday in Ordinary Time

October 27, 2019

The prayer of the lowly pierces the clouds; it does not rest until it reaches its goal, nor will it withdraw till the Most High responds.

— Sirach 35:17-18a

Taking care of our Mother.

That is: Our Church!

Like any aging structure, our beautiful church needs “care” every so often. The church building was erected in 1926. Although there has been interior repairs and renovations, some of the exterior and general service elements were not.

Recently, we became aware of the declining state of our beautiful stained glass window frames. These seem to have been neglected for years. The wood frames of some of the windows are rotting and the protective glass panels protecting the glass work itself are damaged.

Fortunately, we are carrying out a systematic repair project. We will finish 3 of the most critical windows before winter arrives. The others will be repaired as spring returns.

The Finance Council suggested that generous parishioners might be interested in “**Adopting A Window**” and help offset the cost. Since we will be doing the project “in house”, the cost factor is minimal.

Each window will cost us approximately \$ 500.00.

The person sponsoring the window will have a plaque placed on the inside stating:

***“This window was refurbished in 2019 (2020)
by ... or In Loving Memory of...”***

If you are interested, please see me.

You may chose your window!

(First come, first served!!)

Anyone interested in perhaps “mundane”, but important replacement work??? The water heater for the church bathrooms and Sacristy died and is being replaced: \$ 700.00.

Taking care of “Mom” is important! Thanks for your generosity!

We continue to pray for each other.

Msgr. Ron
