**Re:**

Letter of recommendations for Adrian Di Nardo

To whom it may concern,

I am pleased to recommend Adrian Di Nardo for any opportunity or position he may pursue in production or art department.. As a working production designer, and Adrian's instructor in the Production Design I & II courses at Humber College, I had the pleasure of witnessing Adrian's talent, dedication, and production ingenuity first hand as he worked on prep, shoot and wrap of numerous film shoots.

Adrian has a keen understanding of the interdependence of all departments as a key role to success in any role in film or media. Adrian is exceptionally organized, has strong communication skills in a variety of formats, and shows an eagerness and curiosity for learning.

Adrian is an excellent collaborator and team player, engaging in discussions, providing great insights, and demonstrating a willingness to listen to and incorporate feedback. His positive attitude, strong work ethic, and excellent communication skills make him a valuable asset.

Adrian's considerable skills will make him a worthy addition to any production team. I wholeheartedly recommend him.

Please feel free to contact me if you have any questions.

Sincerely,

**Nuala O'Flynn**
