# S&G Paneltech & Fastening Systems

S&G Paneltech & Fastening Systems is a trusted manufacturer & distributor specializing in high-quality electrical panel cabinets, panel accessories, and fastening solutions.

www.sgglobal.in

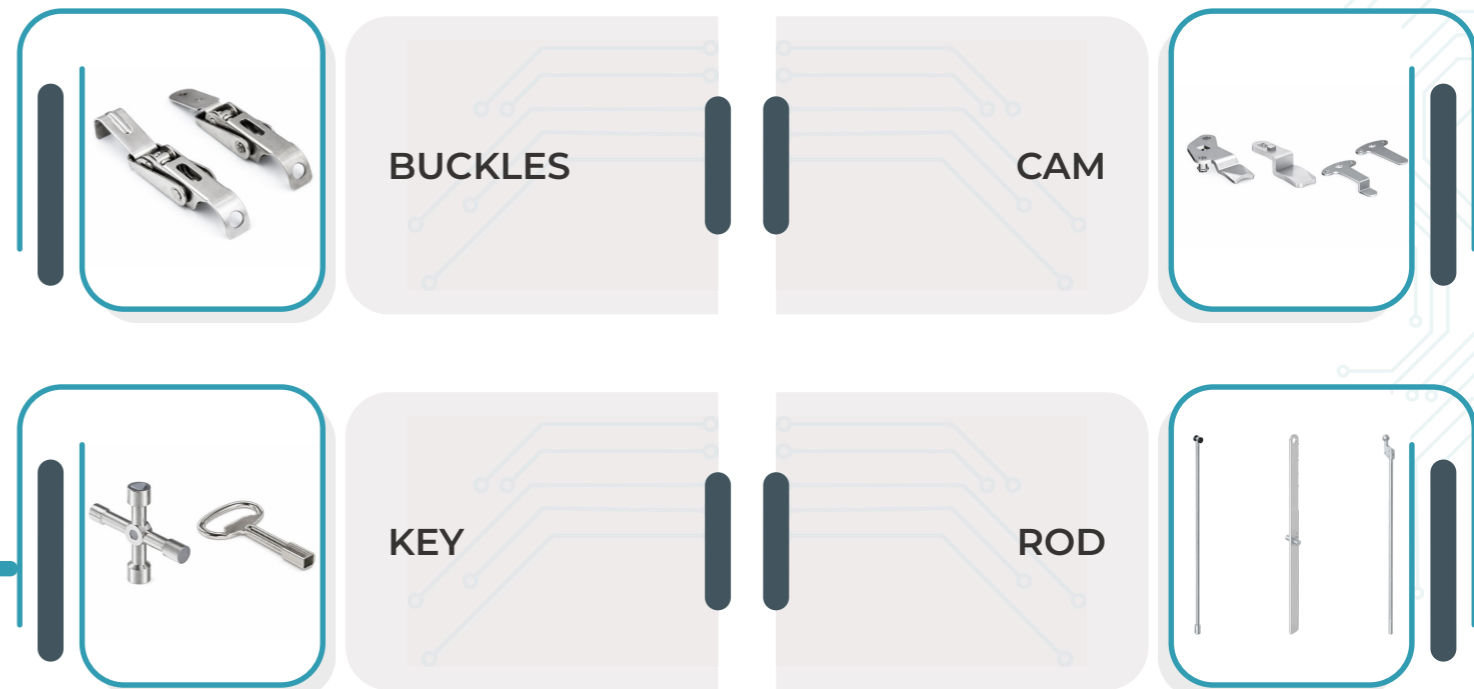

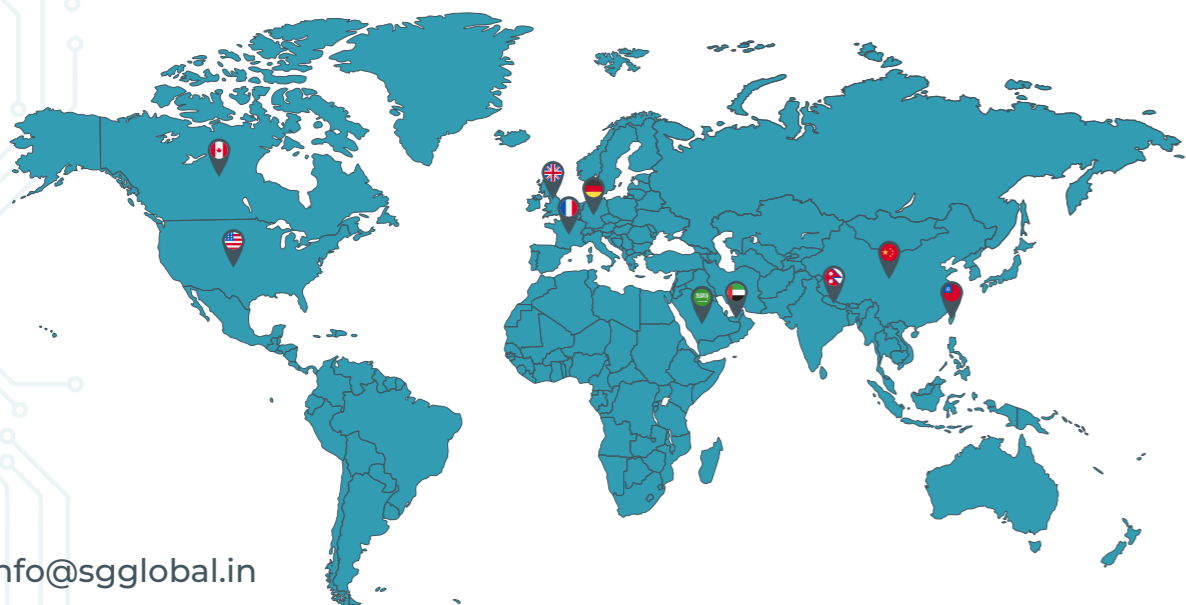

Engineered Fastening & Panel Solutions from Source to Manufacturing Excellence

## About Us

- ✓ Established manufacturer and distributor of electrical panel cabinets, panel accessories, and advanced fastening solutions
- ✓ Driven by precision engineering, innovation, and uncompromising quality
- ✓ Expertise in delivering both standard and custom-engineered fasteners tailored for demanding industrial applications
- ✓ Backed by a highly skilled technical team ensuring consistent performance and reliability
- ✓ Products developed in compliance with stringent quality and industry standards
- ✓ Integrated approach combining technical excellence with customer-focused service
- ✓ Trusted partner for electrical and mechanical assembly solutions across diverse industries
- ✓ Commitment to delivering durable, efficient, and value-driven products that reinforce long-term partnerships

## Our Global Sourcing & International Sales

## Why Customer Trust Us

Consistent Quality & Tested Materials

Custom development capability

Competitive pricing & reliable delivery

Single source for panels accessories, fasteners & tools

Global Sourcing Expertise

Strict Quality Control & Compliance
