gsl@1stbillingshurst.org.uk
www.1stbillingshurst.org.uk

Welcome

Welcome to the exciting world of Scouting and thank you for considering joining the 1st Billingshurst Scout Group. By becoming part of the Scouting movement, your child will join over 28 million young people worldwide involved in Scouting. The UK's Scout Association offers adventure, fun, and challenges to around 400,000 young people aged 6 to 25.

We understand that starting a new group can be a bit overwhelming, so we've put together this pack to help you understand how things work at 1st Billingshurst. At the back of this pack, you'll find our membership form. All the information we collect is stored securely on the Scout-approved online platform, Online Scout Manager (OSM). Please hand the completed form to your section leader, who will upload the data to OSM, destroy the paperwork, and send you an invitation to join My.Scout, where you can view the information we hold about your child.

Scouting isn't just about your child – we hope this marks the beginning of a lasting connection with your whole family. We're always in need of regular helpers, so if you'd like to get more involved, just let us know. Your skills and ideas could be exactly what we need, and you might even enjoy it more than you think.

Even if you can't spare any time, you can still support us by raising funds. Simply sign up for our Easyfundraising account and raise money for the group every time you shop online.

Please take the time to read through this pack, and if you have any questions, feel free to email us at gsl@1sbillingshurst.org.uk.

Once again, thank you for choosing 1st Billingshurst, and welcome to the Scouting adventure!

Yours in Scouting

Developing young people

In Scouting, we believe that young people develop most when they are 'learning by doing', when they are given responsibility, working in teams, take acceptable risks and think for themselves. Development is guided by the Scout programme, a continuous progression of training, activities, badges, and awards for all young people aged 6 to 25.

The programme is designed to suit five core age groups:

Beaver Scouts	6 to 8 years	Group based
Cub Scouts	8 to 10½ years	Group based
Scouts	10½ to 14 years	Group based
Explorer Scouts	14 to 18 years	District based
Network Scouts	18 to 25 years	District / County / Area based

In addition to section meetings your child should have the opportunity for outings, indoor residential and camping experiences and other challenges suited to their age and ability.

The programme is tailored to the interests, needs and pace of everyone, but also recognises group achievement. The highest personal achievement is that of King Scout award. From age 14 it is also possible to register, through Scouting, for the Duke of Edinburgh's award scheme.

Our Responsibilities

In Scouting, all adults must operate responsibly in accordance with our policies on child protection, equal opportunities, and safety in Scouting. The Scout Association apply stringent vetting procedures including criminal record checks, for all adult appointments. All adults must abide by our Young People First code of behaviour. Our policies and procedures are designed to keep young people safe from harm whilst they enjoy the fun and excitement of their Scouting adventure.

Youth Membership

Membership of the Scout Association is voluntary and open to young people, aged 6 to 25, regardless of faith, nationality, race, culture, mental or physical ability, or other circumstances. Membership is confirmed by making a simple promise. While uniform and language may vary, Scouts around the world all wear the same purple membership badge.

The Promise

All members make this simple promise and become part of the worldwide Scout movement:

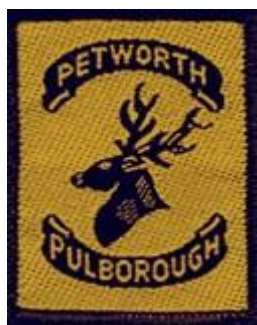

On my honour
I promise that I will do my best.
To do my duty to God and the King
To help other people
And keep Scout law.

The promise is made easier for younger children and is also available in the different forms that recognise the country of origin that an individual belongs to and their God.

Across the UK, young members are supported by almost 100,000 adult volunteers. Adult members of the Scout Association serve as Commissioners (volunteer managers), leaders, sectional assistants, administrators and in many other roles. The support of non-member adults is also welcomed particularly from parents and guardians of our young members.

1st Billingshurst Scout Group

The group belongs to the [Petworth and Pulborough Scout District](#). Together with other Districts from East Grinstead and Haywards Heath in the east to Chichester in the west, we form the Scout County of West Sussex. If you are interested in Scouting elsewhere in West Sussex, you can get more information via the [West Sussex Scouts](#) website; <http://westsussexscouts.org.uk/>

The whole district assembles for St George's Day parade on the nearest Sunday to the 23 April and all members of the group are expected to attend. Throughout the year there are various other district and county camps, events and competitions run for the different sections. Children should be encouraged to take part in these, as it is important for them to realise that the "Family of Scouting" extends far beyond the four walls of Billingshurst Scout HQ.

1st Billingshurst is honoured to be included in the town's annual Remembrance Day parade on the closest Sunday to 11 November. Again, all members of the group are expected to attend this parade. **The St Georges Parade and Remembrance Parade form the only two events in the year where attendance is mandatory.**

Today, we run three Beaver Scout Colonies (Oaklands, Cedars & Rowans), two Cub Scout Packs (Parbrook & Dauxwood) and two Scout Troops (Arun & Downlands). The different sections meet at the following times and days:

Day	Section	Start	End
Monday	Beavers (Oaklands)	17.15	18.30
	Scouts (Arun)	19.00	20.30
Tuesday	Beavers (Cedars)	17.00	18.15
	Cubs (Parbrook)	18.45	20.00
Wednesday	Cubs (Dauxwood)	18.15	19.45
	Explorers (Phoenix)	20.00	21.30
Friday	Beavers (Rowans)	16.45	18.00
	Scouts (Downlands)	18.30	20.00

What do members need?

For the first few meetings, your child needs nothing at all to experience the magic of Scouting. Please don't feel you have to rush into buying your child uniform, especially if they are not sure that Scouting is for them. Casual activity clothes can be worn until they make up their mind. They will have about 4 to 6 weeks to decide, during which time they will get to know their leaders and other members of their section.

Also, during those first few meetings, your child will complete the requirements for the membership badge and once completed you will be invited to their investiture at a section meeting or event. They will need their uniform for their investiture. This is a proud moment for children and parents alike (and unfortunately involves some work as all their badges will need to be sewn on!)

Our team leader members try to put the "out" in Scouting as much as possible, so not all meetings take place at the HQ. Because of this it is important that you complete and sign all the forms at end of this pack in full, with contact

phone numbers and alternative contact phone numbers. It is extremely important that you let us know any changes immediately to ensure the safety and welfare of your child.

Buying a uniform

The Scout Association produces a range of uniforms for all age groups as well as an extensive range of books to support the development of members as they progress from the Beaver Scout section through to Scout Network. They can be found online at <https://shop.scouts.org.uk/>

You can also find uniform at the Camping World shop in Horsham, Broadbridges, Horsham and DW Camping in Chichester.

The team leader will let you know when your child is to be invested, so that you can purchase a uniform in readiness. The team leader will also advise you as to what parts of the uniform are mandatory and which are optional.

Beaver Scout Uniform

Cub Scout Uniform

Scout Uniform

All members of the Group wear the Group scarf or necker (pictured above) which is presented along with a woggle when your child is first invested into the group. Should you need to replace the necker or woggle one can be purchased via your young person's team leader.

You cannot buy the group scarf as this is presented as part of the investiture ceremony when your child formally joins the Scout movement.

How much does it cost?

The 1st Billingshurst Scout Group charges subscriptions to help cover the costs of running the Group. These costs include things like meeting materials, bills for maintaining the Scout HQ, and insurance premiums. The subscription also includes the young person's membership fee to the Scout Association (currently £66 per year), which the group pays on their behalf to Scout Headquarters at Gilwell.

Each section will request payment for subscriptions at the beginning of each term. The current subscription rate is £40 per term.

An extra charge is normally required for special events, camps, or other outings and you will receive notification of these. All badge costs are covered by the Group.

If you register for Gift Aid, we can claim back the tax you have paid on your Subs. We have included a form in this pack so please consider filling it in.

Changing sections

When a young person reaches the age at which they need to move to a new section (8 for Beavers, 10½ for Cubs, and 14 for Scouts), they will typically go through a four-week transition period. During this time, they should attend both their current section's meetings and those of their new section. They should continue wearing their current section's uniform until they are officially invested in the new section. The section leader will coordinate with parents to determine when the transition period should begin and when the young person is likely to be invested into their new section.

Online Scout Manager (OSM) & My.Scout

At 1st Billingshurst, we use a system called Online Scout Manager (OSM) to securely store your child's personal information, emergency contact details, medical records, and to track attendance and badge progress. In addition to OSM, we also have a feature called My.Scout, where you will be invited to create your own login. This will allow you to update personal details, view your child's section programme, monitor their badge progress, and stay informed about upcoming events.

Leadership

The adults who run our Scout group are known as Scouters. They are unpaid volunteers who dedicate their time for the benefit of our young people and fully support the values of the Scout Association. The leaders and members of each section wear a uniform. Additional support may come from Explorer Scouts, aged 14 to 18, who wish to contribute by becoming Young Leaders for other sections.

All team leaders, members, and young leaders are required to undergo training relevant to their role. This training typically takes place in their own time, as all our adult volunteers have full-time jobs and family commitments. The cost of training and adult uniforms is covered by the group.

Team leaders report to our Group Lead Volunteer, who in turn is accountable to the District Lead Volunteer for the Petworth and Pulborough Scout District. If you have any questions, concerns, or complaints, please reach out to your young person's team leader. If your concern is related to the team leader, please contact the Group Lead Volunteer. Should they be unavailable or if you're not satisfied with the response, please contact the District Lead Volunteer. Contact details can be found at the front of this welcome pack.

How the Group Operates

All adult team members at 1st Billingshurst Scout Group are volunteers who give their time for free. They are organised in a hierarchy of roles that include:

Group Lead Volunteer

The Group Lead Volunteer is a uniformed leader responsible for managing and supporting the Scout Group and its team members to ensure it runs effectively. They are assisted by a uniformed Leadership Team Members.

Team Leaders

This is the uniformed team leader responsible for managing and leading a section. This includes the planning and delivery of the Balanced Programme to the Section.

Team Members

Uniformed team members tasked with helping the Team Leader run the section.

Young Leaders

A young person, normally an Explorer Scout, who helps with a section. They are aged between 14 and 18 years old

How Can I help the Group?

As a voluntary organisation, the Scout Association encourages parents and guardians to assist in the leadership team on a regular or occasional basis. Thank you in advance for any support that you or your family can offer 1st Billingshurst Scout Group.

Parent Helpers:

Some sections require parents to sign up for the Parent Rota. To meet Scout Association guidelines on adult-to-child ratios, you may be asked to help once or twice per term. This gives you a chance to see the activities your child participates in. If you have a skill or interest you'd like to share, we'd love to hear from you.

Parent rotas will be shared at the start of each term. If you can't help on your assigned day, please arrange a swap with another volunteer. It's important we have enough adults at each meeting. For privacy, we do not share contact details.

Adults volunteering regularly with young people must complete a DBS check for safeguarding purposes. Occasional helpers do not require a DBS check. The Group Lead Volunteer will manage these checks.

Uniformed Team Leaders/Members:

Every uniformed team leader/member is enrolled onto the Scout Association's Adult Training Scheme. On completion of training each team leader/member is awarded the wood badge.

Knowledge of Scouting is not a prerequisite to be a leader. All that is required is the willingness to join in and help to enable young people to grow and achieve from their Scouting experience. Scouting is an adventure for all involved both young people and leaders.

Trustee Board:

The Trustee Board is there to assist in the effective operation of the Scout Group along with acting as trustees for the group. The two required positions in the executive committee are Chair and Treasurer. These are nominated at the group AGM each year.

The Trustee Board often comprises of other positions designed to support the group. These are positions such as Membership Secretary – responsible for new applications, waiting lists and members moving between sections; Quarter Master – responsible for the maintenance and repair of equipment owned by the Group; Parent representatives for each section; Fundraising Secretary – responsible for raising additional funds for the group.

No matter what skills you have or how much time you can afford to give Scouting it is likely that there will be some way that you can help us. Do please ask for more information and join the team.

Did you know that whenever you buy anything online - from your weekly shop to your annual holiday - you could be collecting free donations for 1st Billingshurst Scouts and Guides?

There are over 3,000 shops and sites on board ready to make a donation, including Amazon, John Lewis, Aviva, the trainline and Sainsbury's – it doesn't cost you a penny extra!

It's as easy as 1, 2, 3...

1. Head to <https://www.easyfundraising.org.uk/causes/1stbillingshurst/> and join for free.

2. Every time you shop online, go to easyfundraising first to find the site you want and start shopping. You can also install the donation reminder onto your internet browser <https://www.easyfundraising.org.uk/donation-reminder/> or use the mobile app <https://www.easyfundraising.org.uk/easyfundraising-app/>

3. After you've checked out, that retailer will make a donation to your good cause for no extra cost whatsoever!

There are no catches or hidden charges and 1st Billingshurst Scouts and Guides will be really grateful for your donations.

Medical and dietary information

It is essential that you inform the section leader if your child suffers from any medical condition or if they require any specialist medicines for treatment. This includes things like allergies, behavioural difficulties such as ADHD, Anxiety, dyspraxia, physical or mental disabilities, and other medical conditions.

It is also necessary for information to be supplied to the section leader about any dietary needs of your child. In the first instance, you should provide this information on the membership form at the back of this pack and thereafter update leaders if circumstances change.

Child protection

It is the policy of the Scout Association to safeguard the welfare of all members by protecting them from physical, sexual, and emotional harm. The Scout Association takes all reasonable steps to ensure that, through relevant procedures and training, members and adults taking part in Scouting activities do so in a safe environment. Every leader and helper carry a Scout Association Yellow Card which gives the code of good practice that must be followed. A copy of this card is available for inspection on request.

Supporting your child

Scouting is a team effort; leaders only see the young people for a short time each week, so they rely on parents and guardians to do the rest!

- Encourage your child to prepare themselves for meetings – don't do everything for them.
- Please ensure that you deliver and collect your child at the appropriate times and place as advised by the Team Leader. Always check that an adult leader has arrived, and one other adult is present before leaving your child. Please do not bring or allow your child to arrive more than 10 minutes before the start of their section meeting. Please tell Team Leader if someone different from usual will be collecting your child.
- Make sure your young person's uniform is always clean, smart and ironed. This includes their group scarf.
- Our members wear uniforms to distinguish themselves. The wearing of our uniform also serves to instil a sense of pride in the group and in Scouting in general as well as showing their individual achievements in the form of badges. Please ensure, unless advised otherwise by your Section Leader, that your young person wears their uniform and sensible footwear to every meeting.
- Please ensure that you return any activity forms and any payment on time. If you have difficulties completing forms or making payments, then please speak in confidence to the Team Leader.
- If your child cannot attend the meeting, please phone/text/email/instant message and let the section leader know; contact details are listed in this welcome pack.
- Children are not generally known as remembering things so after meetings please ask if they had a letter; is there a message; or is there anything to do for next time? Again, it's all part of being independent. Most messages will be e-mailed from OSM and added to section Facebook sites.
- We recognise that some children may require additional help at times. If your young person has a school statement or IEP, please make this information known to us so that we can work with you and your young person to ensure that any suggestions are supported during their time with us.
- Badges – each section has a number of badges they can work towards at meetings or at home. Full details of the badges can be found under the members section in the Scout website

<https://members.Scouts.org.uk/supportresources> - just select your child's section, Badges and awards and look at Challenge Awards and Activity Badges.

Parent Rota: Responsibilities

To help you settle in and be part of the team we have outlined some information below that we feel will be useful.

We have a Safeguarding policy and there is a "Yellow Card" reference card which will be handed out to you at the start of your allotted evening. Please read through the do's and don'ts on the Yellow Card. I am sure you will understand this policy keeps our young people and adults safe.

- Our Bullying policy is visible on the notice board in the hall; feel free to have a read.
- Listen to the children and encourage them to participate in the activities.
- Interact with the children, helping them with activities and generally encouraging them to try their best. Encourage them to find the solutions to tasks themselves by working in a team.
- Encourage children to join in the games and help to referee and ensure fair play!
- Try to avoid staying close to your own child – encourage them to work away from you, both of you will have more fun!
- If you are asked to get out tables or chairs, they are found in the small meeting room to the rear of the hall.
- Tea, coffee and juices are stored in the kitchen.
- **Last, but not least, have FUN and enjoy the activities.**

If you are unable to help on the day allocated to you, please arrange a swap with others on the rota when you collect your young person from their sectional meeting. For data protection reasons, the group will not give out an individual's contact details.
