

Cub Scout badges that you should move to a new Scout Uniform

While some of the badges a Cub Scout gains are unique to the section, the following badges should be moved onto their brand-new, teal Scout shirt when a young person gets invested into the Scout Troop.

[Moving On Award](#)

This award recognises the stepping up of a Cub Scout to the Scout Troop and should be worn throughout their time as a Scout.

[Joining-In Awards](#)

A Cub Scout can achieve up to three of these while in the Pack and up to year 8 while in Scouts. All of these badges should be worn together.

[Staged Activity Badges](#)

Only the highest of each staged badge type should be worn (lower numbered badges should be taken off and sewn onto their camp blanket!)

[Chief Scout's Silver Award](#)

This is the highest award possible in the Cub Scout Section. It will stay on the Scout uniform until they gain the Gold Award.
