

It Is All About Perfect Resolution Perfection

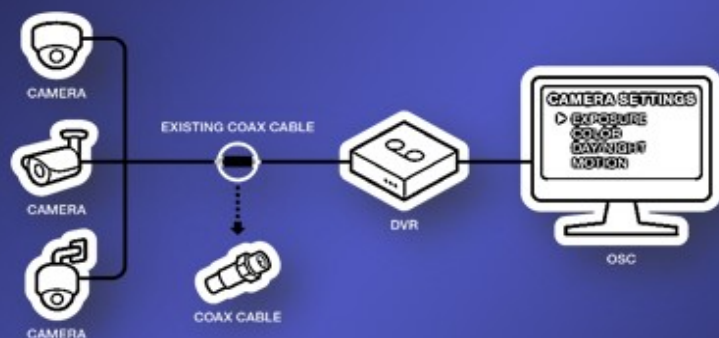

ANYTHING LESS IS **LESS**

PRODUCT TECHNOLOGY INTRODUCTION

Ultra HD 8Mega Pixel Analog Security **IS THE SAME RESOLUTION AS 4K IP**

The main reason to install a security system is to capture useful evidence should an incident ever occur on your property. This 8MP camera will do just that. It can record an 8MP pixel resolution of 3840×2160 - that's $4\times$ the number of pixels of 1080p. This heightened resolution will produce stunningly detailed video providing definitive footage/evidence of the event in question.

BENEFITS

15 years ago, when I first introduced Baluns to contractors it allowed them to pull UTP cable, USE baluns, Instead of coax cables to install an analog system.

Later when IP was developed, they could then use the installed UTP cable for the higher resolution IP system

I CALLED IT FUTURE PROOFING

Today if you want to upgrade resolution. Whether the existing cable is coax or UTP there have more options

1. If coax, you can Install an Ultra HD 8MP Analog System by simply using the coax products designed for this system
 2. If UTP you can install an Ultra HD 8MP Analog System by simply using
 3. 8 Mega Pixel Baluns/Hubs converting the Twisted Pair to Coax interface and just use same other components as above.
3. Or Just install 4K IP System-BUT please remember 8MP has same resolution as 4K

I CALL THIS-IT'S THERE USE IT

Typical Material Cost Comparison Using Existing UTP Cable & The 3 Options

Standard 2, 5 MP Analog

4 cameras \$85.00/Each \$340.00

1 DVR @ \$300.00/Each (4k) \$300.00

1 Monitor @ \$445.00 Each (4K) \$450.00

4 8 Mega Pixel Baluns @ \$11.00 Pair (8MP) \$44.00

Total \$1,134.00

Ultra 8MP HD Analog Must Use 8 Mega Pixel

4 cameras \$169.00/Each \$676.00

1 DVR @ \$300.00/Each (4k) \$300.00

1 Monitor @ \$ 445.00 Each (4k) \$450.00

4 8 Mega Pixel Baluns @ \$11.00 Pair (8MP) \$44.00

Total \$1,470.00

4K IP digital

4 cameras @ \$170.00/Each (4k) \$680.00

1 DVR @ \$300.00/Each (4k) \$300.00

1 monitor @ \$450.00 Each (4K) \$450.00

TOTAL \$1,430.00
