

Make sure you have a copy of the textbook “Nevada”

We will do Chapter 5 for the week of April 13-16. A Mining State pages 86-105

Take time to read the chapter, pages 86-105. Before you begin, take a look on pages 86-87 at the list of people to know, places to locate, the timeline across the bottom, and words to understand. Some of those should already be familiar to you.

Write 1 sentence summarizing each section in the space provided.

The Gilded Age p 88

Early Comstock Days p 88

Labor Unions pp 88-89

Living on the Lode pp 91-92

Other Booms and Boomtowns p 94

Getting the Word Out – The Pony Express pp 94-95

Transporting People and Goods pp 95-96

The Bank Crowd p 97

Challengers to the Throne pp 98-99

Freedom of the Press p 101

More Mining Towns p 102

Mormon Farming Towns pp 102-103

Silver Boom in Pioche p 103

Gass's Station p 103

End of the Line p 104

What do you remember questions p 105

Draw a copy of this map on your own paper or on an app like paint. Label the surrounding states. Find and label the places listed on page 86. Use the index starting on p 239 to find the town or maps that will help show you where these places are in the state.

Take a photo if you hand draw it and send it. If you use a drawing program, send a copy.
